improve customer experience Every day most working professionals entrust their most important messages to a form of
communication that doesn t build trust provide differentiation or communicate clearly enough It s easy to point to the sheer
volume of emails text messages voicemails and even social messaging as the problem that reduces our reply rates and
diminishes our effectiveness But the faceless nature of that communication is also to blame Rehumanize Your Business
explains how to dramatically improve relationships and results with your customers prospects employees and recruits by
adding personal videos to emails text messages and social messages It explains the what why and how behind this new
movement toward simple authentic videos and when to replace some of your plain typed out communication with webcam
and smartphone recordings Restore face to face communication for clarity and connection Add a personal human touch to
your emails and other messages Meet people who ve sent thousands of videos Learn to implement your own video habit in an
easy time saving way Boost your replies appointments conversion referrals and results dramatically If you re ready to
