God's Black Badge Jim Finn, 2013-10-18 It seems that since my conception God has always blessed me with his guidance and protection He has always taken care of my enemies and he took my pain to become their pain There were many times that I could not understand or rationalize why my situations were eased and the end results were always positive It took me many years to realize that Gods unchanging hand dealt me the necessary cards of life that has carried me from the gutter most to the uttermost As we Christian folks always say God may not be there when you need him most but he will not forsake you and he is always be there on time The following occurrences are true and without my Lord and Savior Jesus Christ my life would be in turmoil and filled with sadistic behavior. The following is also my testimony of just how great Gods love is if we would only let go and let God Emmy Award Winning Nighttime Television Shows, 1948-2004 Wesley Hyatt, 2015-09-11 Since the early days of television well before most households had a set the Academy of Television Arts and Sciences has been handing out honors for the industry's best efforts Now fans can read about their favorites and perhaps rediscover some forgotten pleasures in this reference to prime time and nighttime Emmy winners Beginning with the heated charade contest known as Pantomime Quiz which won Most Popular Program of 1948 in the first Emmy Awards ceremony held in 1949 each of more than 100 winning shows gets star treatment with an entry that includes the year of award or awards air times hosts quests casts and a full discussion of the show s history and run Many of the entries include original interviews with cast or crew members With such rich information each show s entry constitutes a chapter in the history of television through the story of the show and the people who made it happen The best of variety drama game shows comedies adventures and many more categories are featured An appendix offers interesting facts and figures and ranks shows according to such statistics as longest run longest delay from debut to win and most Emmys won Encyclopedia of Television Horace Newcomb, 2014-02-03 The Encyclopedia of Television second edition is the first major reference work to provide description history analysis and information on more than 1100 subjects related to television in its international context For a full list of entries contributors and more visit the Encyclo pedia of Television 2nd edition website War Paint Ellen Tsagaris, 2025-02-05 War Paint explores the enduring human desire to enhance attractiveness and youthfulness a fascination dating back to the Stone Age It charts the historical development of cosmetics delving into their significance and ethical concerns in shaping societal standards of beauty The cosmetics industry has evolved hand in hand with human aspirations for better hair skin clothing and makeup The book encompasses a wide range of topics including early cosmetics origins ethical dilemmas in the industry and the regulatory landscape that emerged to enforce ethical standards The ethical dimension will

Television Series of the 1950s Vincent Terrace, 2016-05-16 Often regarded as the first golden era of television the 1950s was a decade when many classic programs from I Love Lucy and Gunsmoke to The Honeymooners and Perry Mason among others made their debuts Even after these shows departed the airwaves they lived on in syndication entertaining several generations of viewers Devoted and casual fans alike can probably remember basic facts about these shows like the names of Lucy and Ricky s neighbors or the town where Marshall Matt Dillon kept the law But more elusive facts like the location of the most successful defense attorney in Los Angeles Suite 904 of the Brent Building might be harder to recall In Television Series of the 1950s Essential Facts and Quirky Details Vincent Terrace presents readers with a cornucopia of information about 100 programs from the decade Did you know for example that the middle initial of Dobie Gillis friend Maynard G Krebs stood for Walter Or that Ralph Kramden's electric bill came to only 39 cents a month Or that on I Love Lucy Ricky originally performed at Manhattan's Tropicana Club These are but a few of the hundreds of fun and intriguing trivia facts contained within this volume Shows from all four networks ABC CBS NBC and DuMont as well as select

syndicated programs are represented here This is not a book of opinions or essays about specific television programs but a treasure trove of the facts associated with each of these programs Readers will discover a wealth of fascinating information that for the most part cannot be found anywhere else In some cases the factual data detailed herein is the only such documentation that exists currently on bygone shows of the era Television Series of the 1950s is the ideal reference for fans of this decade and anyone looking to stump even the most knowledgeable trivia expert
