The Oxford Handbook of Canadian Literature Cynthia Conchita Sugars, 2016. The Oxford Handbook of Canadian Literature provides a broad ranging introduction to some of the key critical fields, genres and periods in Canadian literary studies. The essays in this volume, written by prominent theorists in the field, reflect the plurality of critical perspectives, regional and historical specializations and theoretical positions that constitute the field of Canadian literary criticism across a range of genres and historical periods. The volume provides a dynamic introduction to current areas of critical interest including:

1. attention to the links between the literary and the public sphere encompassing such topics as neoliberalism, trauma and memory, citizenship, material culture, literary prizes, disability studies, literature and history, digital cultures, globalization studies and environmentalism or ecocriticism;
2. interest in Indigenous literatures and settler-Indigenous relations;
3. attention to multiple diasporic and postcolonial contexts within Canada;
4. interest in the institutionalization of Canadian literature as a discipline;
5. a turn towards book history and literary history with a renewed interest in early Canadian literature;
6. a growing interest in articulating the affective character of the literary, including an interest in affect theory, mourning, melancholy, haunting, memory and autobiography.

The book represents a diverse array of interests from the revival of early Canadian writing to the continued interest in Indigenous, regional and diasporic traditions to more recent discussions of globalization, market forces and neoliberalism. It includes a distinct section dedicated to Indigenous literatures and traditions as well as a section that reflects on the discipline of Canadian literature as a whole.

Littératures Canadiennes Et Identités Postcoloniales Marc Maufort, Franca Bellarsi, 2002. This volume offers challenging assessments of the reconfigurations that have shaped Anglophone and Francophone Canadian literatures in the last decades of the twentieth century. Focusing on the pursuit of an ever elusive Canadianness in literary texts, it documents the astonishing range of Canadian diasporic identities that have recently emerged in the Canadian literary landscape. The contributors to this volume boldly transgress the widely held critical assumptions of postcolonialism in their examination of the literary representations of contemporary Canada.

Others: Ce volume rassemble nombre d'analyses innovatrices des reconfigurations qui ont caractérisé les littératures canadiennes anglophones et francophones durant les dernières décennies du vingtième siècle. Tout en se concentrant sur la quête de l'insaisissable Canadienneté en littérature, l'ouvrage démontre la tonnante diversité des identités diasporiques qui ont récemment mergé dans le paysage littéraire canadien. Les contributeurs de ce volume transgressent audacieusement les certitudes généralement acquises du postcolonialisme afin de mieux décrire les représentations littéraires des nombreux Autres du Canada actuel.

Scandalous Bodies Smaro Kamboureli, 2011-04-07. *Scandalous Bodies* is an impassioned scholarly study

both of literature by diasporic writers and of the contexts within which it is produced It explores topics ranging from the Canadian government's multiculturalism policy to media representations of so called minority groups from the relationship between realist fiction and history to postmodern constructions of ethnicity from the multicultural theory of the philosopher Charles Taylor to the cultural responsibilities of diasporic critics such as Kamboureli herself Smaro Kamboureli proposes no neat or comforting solutions to the problems she addresses Rather than adhere to a single method of reading or make her argument follow a systematic approach she lets the texts and the socio cultural contexts she examines give shape to her reading In fact methodological issues and the need to revisit them become a leitmotif in the book Theoretically rigorous and historically situated this study also engages with close reading not the kind that views a text as a sovereign world but one that opens the text in order to reveal the method of its making Her practice of what she calls negative pedagogy a self reflexive method of learning and unlearning of decoding the means through which knowledge is produced allows her to avoid the pitfalls of constructing a narrative of progress Her critique of Canadian multiculturalism as a policy that advocates what she calls sedative politics and of the epistemologies of ethnicity that have shaped for example the first wave of ethnic anthologies in Canada are the backdrop against which she examines the various discourses that inform the diasporic experience in Canada Scandalous Bodies was first published in 2000 and received the Gabrielle Roy Prize for Canadian Criticism

Kristjana Gunnars Monique Tschofen, 2004 The writings collected here all testify to the complexity of Gunnars's literary vision as much as they testify to the sheer pleasures of reading her work In her interview Gunnars speaks both as a reader and a writer describing the form and modes of address of her work as well as the philosophical and literary traditions she draws from The nine essays and two poems that follow organized chronologically according to the publication dates of the primary texts they treat represent a broad range of approaches to Kristjana Gunnars's work The contributors are M Travis Lane Judith Owens Janice Kulyk Keefer Deidre Lynch Stephen Scobie Anne Malena Siobhan O Flynn K I Press and Christl Verduyn It is my hope that readers will find in this critical community some productive points of entry into Gunnars's corpus that will stimulate their own thinking about her words and ideas from the Introduction by Monique Tschofen

White Civility Daniel Coleman, 2006-01-01 In *White Civility* Daniel Coleman breaks the long silence in Canadian literary and cultural studies around Canadian whiteness and examines its roots as a literary project of early colonials and nation builders He argues that a specific form of whiteness emerged in Canada that was heavily influenced by Britishness Examining four allegorical figures that recur in a wide range of Canadian writings between 1820 and 1950 the Loyalist fratricide the enterprising Scottish orphan the muscular Christian and the maturing colonial son Coleman outlines a genealogy of Canadian whiteness that remains powerfully influential in Canadian thinking to this day Blending traditional literary analysis with the approaches of cultural studies and critical race theory *White Civility* examines canonical literary texts popular journalism and mass market bestsellers to trace widespread ideas about Canadian citizenship during the optimistic nation building years as well as during the years of disillusionment that followed the First World War and the Great Depression Tracing the consistent project of white civility in Canadian letters Coleman calls for resistance to this project by transforming whiteness into wry civility unearthing rather than disavowing the history of racism in Canadian literary culture
