### **Making Marriage Work**

Rob Pascale, Louis H. Primavera, 2016-02-23 Staying happily married has become a difficult proposition in recent times Although the institution is still firmly embedded in our culture divorce rates have steadily climbed since the 1960s While some marriages are truly divorce worthy many other broken marriages can be saved Recent emphasis on personal needs and greater social acceptance of divorce and alternative lifestyles may have weakened the resolve of partners to work through their problems Furthermore many couples may not realize that problems in their current marriages are likely to surface in other relationships Consequently while they may consider divorce a solution it may in fact only be a stepping stone to the next relationship where patterns may repeat Solving marital differences can be difficult They tend to be

linked to or caused by other problems and that can make it hard to identify the real reasons for conflicts Without knowing the true nature of their problems couples cannot arrive at solutions that actually work To understand the underlying issues that plague many marriages the authors look to the research conducted on the subject over the past fifty years and to real life stories of success and failure to outline the major issues that detract from marital stability Drawing on Louis Primavera's twenty five years in private practice as a marriage counselor each chapter is peppered with anecdotes that every married person can relate to and that help bring issues to life The authors also propose frank and honest solutions that can help couples have more satisfying relationships Anyone looking to improve their marriage will find suggestions for sussing out the underlying problems they may be experiencing and guidance for addressing those problems

**Sexperiment** Ed Young, Lisa Young, 2012-01-10 The predominant message in our culture is that it's okay to have sex whenever wherever and however we want Sex has become just sex But while society has taken sex too far the church hasn't taken it far enough God wants couples to make love in marriage with passion with purpose and with pleasure Marriages aren't experiencing all the benefits that come from a healthy sex life Couples are facing a barrage of influences that keep them from connecting with each other regularly the kids the career the house the errands etc SEXPERIMENT shows people that sex in marriage is more than just sex and it's more than a chore The Youngs believe it's time to get back to understanding the context of sex in marriage and that it's time for couples to break the barriers keeping them from a healthy sexual relationship Couples ought to experience the benefits of having sex regularly intentionally and creatively SEXPERIMENT will allow couples to discover that the intersection of God and sex can lead to a life punctuated by exclamation marks

**When Bad Things Happen to Good Marriages** Les and Leslie Parrott, 2009-08-30 No matter how good your marriage is it's not invulnerable Bad things happen to the best of marriages The question isn't whether you'll face struggles as a couple but how you'll handle them when they come When the going gets tough what does it take to preserve and in the long run even strengthen your union Relationship experts and award winning authors Les and Leslie Parrott believe the same forces that can destroy a marriage can become the catalyst for new relational depth and richness provided you make wise choices You can even survive any of the four most heartbreaking crises a marriage can endure infidelity addiction infertility and loss The stories and insights of couples who have made it through the worst will encourage you that your marriage is worth fighting for not just because quitting is so devastating but because the rewards of sticking it out are so great The Parrotts explain why every marriage starts out good but inevitably bumps into bad things Then drawing on their wealth of professional and personal experience as a married couple they discuss Three Good Things That Turn Bad for Some

Couples One Bad Thing Every Marriage Can Make Better Six Bad Things That Sneak Up on Good Marriages Four Bad Things That Jolt Good Marriages to Their Core How Good Marriages Battle Bad Things In the next to last chapter the Parrotts take you inside the very soul of your marriage why it so often aches and how a vital connection with God can join your hearts together in ways you've never imagined Designed for use with its accompanying individual workbooks for husbands and wives When Bad Things Happen to Good Marriages could be a life saver for your relationship It can make the difference between a marriage that founders on the shoals of circumstance and one that grows through hardship to release undreamed of goodness and blessing in your lives

*The Cockroach that Saved My Marriage* Sonal Lobo, 2023-12-11 Someone once shared with me their fantasy the idea of living a life akin to the movies filled with love mystery romance and occasional moments of horror They lamented that everyday life seemed mundane devoid of novelty It was the same old house the same old job weekend outings and a constant sense of monotony For a brief period I found myself nodding in agreement I allowed their perspective to seep into my thoughts and accepted it as my own That was until I embarked on the journey of marriage To me marriage became a thrilling adventure transforming the way I perceived the world I encountered diverse individuals and navigated through a myriad of situations that made me both laugh and cry Above all I learned valuable lessons and discovered answers to the whys and buts that had puzzled me for so long This book serves as a narrative of the incidents that

unfolded in my life post marriage It is a beautiful memoir of the lessons life imparted to me before I tied the knot and the truths I unearthed as I expanded my horizons It would not be an overstatement to declare that life is a tapestry of adventures happiness and fun all contingent on how we choose to embrace it A rainy day might prove to be an arduous commute for one trapped in traffic yet it could be a blessing for a farmer in need of irrigation A bone in your meal can sometimes be an annoyance but to a stray dog it could be a delectable feast Here I am eager to share with you the seemingly insignificant moments in my life that imparted invaluable lessons and shaped me into a better version of myself Join me as I guide you down memory lane where you will encounter moments that are humorous heartwarming poignant and undoubtedly enlightening

*The Secrets of Surviving Infidelity* Scott Haltzman, 2013-06-01 The secret to surviving infidelity can be summed up in one word trust Along with changes in the workplace and the explosive growth of electronic communications there has been a skyrocketing rate of infidelity Today up to forty percent of American marriages endure the pain of a cheating partner The media is filled with stories of married politicians finding their soul mates and titillating instances of unfaithful celebrities But in the homes of ordinary people everywhere infidelity triggers complex emotions and events that affect everyone involved Many marriage and personal therapists have adopted a me first mentality prompting hurt spouses to end their relationships Psychiatrist Scott Haltzman retired Brown University professor recommends exactly the opposite *The Secrets of Surviving Infidelity* teaches both the victim and the perpetrator of infidelity how to acknowledge their feelings reduce their sense of despair and begin the difficult task of rebuilding a strong relationship People who cheat act much like those who have other addictions and brain scans of love struck individuals show a dramatic increase in the release of dopamine the same brain neurochemical associated with cocaine abuse Haltzman does not excuse infidelity by labeling it a sex addiction it's not orgasm that drives a partner to cheat Instead Haltzman coins the term flame addiction to describe how like a moth drawn to the light people feel compelled to have extramarital intimacy despite all the negative consequences People who have been cheated on feel shame rage and injured self esteem Many of them fear abandonment and find it hard to cope When both partners have made a commitment to move forward together however Dr Haltzman validates each person's feelings and puts them into perspective offering sound advice on how to recover their equilibrium and reestablish a committed trust filled relationship

Making America Work Jonathan Barry Forman, 2006-09 Work Hard work And plenty of it That is what has made the United States into the world's foremost economic superpower But while we Americans value and respect work we are also concerned about economic justice We like to see all workers earn a fair day's pay for a fair day's work And we like having a safety net to catch those who cannot compete successfully in our labor markets America works because of this balance between the desire to reward work and our concerns about economic justice But according to Jon Forman America could work even better In *Making America Work* Forman explains how current government policies influence work and work

behavior and makes the case for changing government tax welfare Social Security pension and labor market policies to encourage work and promote greater economic justice It is a clear provocative declaration of principles and a bold prescription for policies that restore and preserve the balance of work rewards and economic justice **Examining**

**Stereotypes and Parenting Behaviours of South Asian Heritage Parents: Discourse and Case Studies** Bhandari, Renu, 2024-06-17 In the field of academic scholarship the study of parenting has been extensive yet it has often been unable to capture the full essence of this complex endeavor The existing literature has often confined itself to the boundaries of individual disciplines This limitation has hindered our understanding of the intricate interplay between these aspects and the values and beliefs that guide parenting Furthermore in the context of South Asian parents in the UK the existing research has typically focused on parents from East and Southeast Asia often leaving the unique experiences of South Asian parents overlooked Examining Stereotypes and Parenting Behaviors of Asian Heritage Parents Discourse and Case Studies offers a pioneering solution to this problem It represents a groundbreaking initiative to break free from the constraints of traditional research methodologies and provide an unfiltered in depth look at the real narratives of South Asian parents in the UK By weaving together the psychological emotional social and cultural dimensions of parenting this book uncovers a holistic view of this complex journey one that transcends the limitations of sociology psychology or cultural studies It does not aim to solve problems but rather seeks to capture authentic family stories and parenting experiences directly from the voices of the parents themselves *Just Love Her* D. E. Fast, 2022-06-09 What you need is a good woman That was my mother s consistent counsel from the time I didn t get asked to play on the neighborhood little league team to when Donna and I broke up in high school What you need is a good woman Don I believed my mother when she said it I didn t walk around on a daily basis and repeat the mantra of the good wife but I did take it to heart It wasn t until I got married that I realized that although I had a good woman life wasn t getting easier or more fulfilling in fact it was getting much much harder One of the goals of *Just Love Her* is to identify a number of the fallacies that many of us men have hung onto believing like me in my younger days that when you find the right woman all your problems will magically disappear Most of the time not all but most it s after marriage that the real problems begin It s not that they weren t there before it s just that our good woman turns into a full length relational mirror exposing the sin and idolatries that were already there but were easy to run away from before we got hitched to our eventual bad wife This little book will identify one of the main causes of bad marriages idolatry Many if not most men worship the ground she walks on instead of just loving her *The 4 Seasons of Marriage* Gary Chapman, 2012-09 Compares the transitional cycles of marriage to those of nature describes the attitudes and emotions of each season and offers seven strategies that enable couples to enhance and improve their marital relationship
