Their friendship grew into a ten-year courtship and culminated in a fifteen-year love affair that was only interrupted by a devastating diagnosis for Charles. In a powerful and unflinching detail, Gloria Larry takes you into the most sacred parts of her life. You will remember what it feels like to go on your first date and smile. Your heart will leap when she finally says "I do." And your heart will break as she and Charles take on the biggest fight of their lives. To the moment when Charles took his last breath, you will be deeply touched by the tenderness of two people who shared a soul tie, and you will learn to hold on and trust in God even when he doesn't provide the outcome that you have so earnestly prayed for. Go gently with Gloria as she takes you on the ride of her life, and then learn how you too can begin to rebuild your life after losing a loved one. *Living the Life Unexpected* Jody Day, 2016-02-25 The book to recommend to patients when they face coming to terms with unavoidable childlessness. British Medical Journal. In *Living the Life Unexpected*, Jody Day addresses the experience of involuntary childlessness and provides a powerful practical guide to help those negotiating a future without children come to terms with their grief, a grief that is only just beginning to be recognized by society. This friendly, practical, humorous, and honest guide from one of the world's most respected names in childless support offers compassion and understanding and shows how it's possible to move towards a creative, happy, meaningful, and fulfilling future, even if it's not the one you had planned. Millions of people are now living a life without children, almost double that of a generation ago, and the numbers are rising still. Although some are childfree by choice, many others are childless due to infertility or circumstance and are struggling to come to terms with their uncertain future. Although most people think that those without children either couldn't or didn't want to be parents, the truth is much more complex. Jody Day was forty-four when she realized that her quest to be a mother was at an end. She presumed that she was through the toughest part, but over the next couple of years, she was hit by waves of grief, despair, and isolation. Eventually, she found her way and in 2011 created Gateway Women, the global friendship and support network for childless women, which has now helped almost two million people worldwide. This edition, previously titled *Rocking the Life Unexpected*, has been extensively revised and updated with significant additional content and case studies from forty involuntarily childless people, mostly women from around the world. *The Chameleon Effect* Chelsea McDuffey, 2022-12-22 In *The Chameleon Effect*, author Chelsea McDuffey provides strategies to overcome self-sabotage and overthinking using empowered choices.
