Marriage with Meaning Rabbi Daniel Young, 2010-12-27. The importance of premarital counseling has grown more and more apparent in recent years. As a result, it is imperative that couples are provided a supportive environment in which they can probe challenging topics together. Based on the belief that a couple's focus in the weeks and months leading up to marriage should be on laying the foundation for a successful and meaningful life together, Marriage with Meaning focuses on key components that lead to marital happiness and satisfaction. A sensitive guide appropriate for Jewish couples, interfaith couples, and same-sex couples, Marriage with Meaning will help any couple enjoy a full and rich relationship that will last a lifetime. Rabbi Young provides a thoughtfully researched and sensitively written work featuring enduring wisdom and practical advice for both couples entering marriage as well as the clergy counseling them. Rabbi Lauren Kurland. Marriage is not about a day; it is the quintessential most important decision of our lives. If a small fraction of the energy, time, and money that goes into planning a wedding were a part of the strategic plan for marriage, couples could find themselves better prepared for the realities of long-term relationships and commitments. This book provides the foundational building blocks for consciously and proactively developing a marriage that is strong and durable. Giving this book as a gift is like giving a manual.

D.,2012-05 Why are some marriages more successful more satisfying and more enduring than others The answer to this question is perhaps the most widely studied and best known part of our marriage and family therapy literature although arguably it is the least understood and certainly the least followed in terms of avoiding the pitfalls that lead to unsuccessful marriages What this book proposes as an answer to this question is the nearest thing we have to a manifesto for marriage and family living It provides us with a clear description of what married life should be like No words or ideas sum up the intention of this manifesto better or indicate more clearly its challenge to contemporary marriages than the words making marriage user friendly *Summary of The Seven Principles for Making Marriage Work* QuickChapters,2025-07-21

domesticity She looks at the feminist marriage in which women imagined greater equality between the sexes in domestic and paid work and sex And she explores the African American partnership marriage which often included wives employment and drew more heavily on the involvement of the community and extended family Finally she traces how these modern ideals of marriage were promoted in sexual advice literature and marriage manuals of the period Though male dominance persisted in companionate marriages Christina Simmons shows how they called for greater independence and satisfaction for women and a new female heterosexuality By raising women s expectations of marriage the companionate ideal also contained within it the seeds of second wave feminists demands for transforming the institution into one of true equality between the sexes

Making Marriage Work Rob Pascale, Louis H. Primavera, 2016-02-23 Staying happily married has become a difficult proposition in recent times Although the institution is still firmly embedded in our culture divorce rates have steadily climbed since the 1960s While some marriages are truly divorce worthy many other broken marriages can be saved Recent emphasis on personal needs and greater social acceptance of divorce and alternative lifestyles may have weakened the resolve of partners to work through their problems Furthermore many couples may not realize that problems in their current marriages are likely to surface in other relationships Consequently while they may consider divorce a solution it may in fact only be a stepping stone to the next relationship where patterns may repeat Solving marital differences can be difficult They tend to be linked to or caused by other problems and that can make it hard to identify the real reasons for conflicts Without knowing the true nature of their problems couples cannot arrive at solutions that actually work To understand the underlying issues that plague many marriages the authors look to the research conducted on the subject over the past fifty years and to real life stories of success and failure to outline the major issues that detract from marital stability Drawing on Louis Primavera s twenty five years in private practice as a marriage counselor each chapter is peppered with anecdotes that every married person can relate to and that help bring issues to life The authors also propose frank and honest solutions that can help couples have more satisfying relationships Anyone looking to improve their marriage will find suggestions for sussing out the underlying problems they may be experiencing and guidance for addressing those problems *Making Marriage Work* Joyce Meyer, 2009-02-28 Previously published as *Help Me I m Married* *Making Marriage Work* offers Joyce s insights on how to make a marriage succeed thrive and bless the lives of entire families Joyce shares with married couples how God can transform a marriage Whether newly wed happily married in a marriage crisis or just in a relationship rut Joyce s principles will help energize and revitalize a relationship Discover how to Take the focus off yourself and your spouse and look to the Lord Unleash powerful truths from God s Word for you and your marriage Understand the opposite sex Overcome roadblocks to a triumphant marriage Live successfully with an insecure person Create peace and order in your heart and in your home Joyce s practical how to advice will guide couples along the path to releasing God s power on their lives and in their marriage
