Making Of English National Identity:

The Making of English National Identity Krishan Kumar, 2003-03-13 Why is English national identity so enigmatic and so elusive Why unlike the Scots Welsh Irish and most of continental Europe do the English find it so difficult to say who they are The Making of English National Identity first published in 2003 is a fascinating exploration of Englishness and what it means to be English Drawing on historical sociological and literary theory Krishan Kumar examines the rise of English nationalism and issues of race and ethnicity from earliest times to the present day He argues that the long history of the English as an imperial people has as with other imperial people like the Russians and the Austrians developed a sense of missionary nationalism which in the interests of unity and empire has necessitated the repression of ordinary expressions of nationalism Professor Kumar s lively and provocative approach challenges readers to reconsider their pre conceptions about national identity and who the English really are

The Making of English National Identity Krishan Kumar, 2003-03-13 Why is English national identity so enigmatic and so elusive Why unlike the Scots Welsh Irish and most of continental Europe do the English find it so difficult to say who they are The Making of English National Identity first published in 2003 is a fascinating exploration of Englishness and what it means to be English Drawing on historical sociological and literary theory Krishan Kumar examines the rise of English nationalism and issues of race and ethnicity from earliest times to the present day He argues that the long history of the English as an imperial people has as with other imperial people like the Russians and the Austrians developed a sense of missionary nationalism which in the interests of unity and empire has necessitated the repression of ordinary expressions of nationalism Professor Kumar s lively and provocative approach challenges readers to reconsider their pre conceptions about national identity and who the English really are

The Idea of Englishness Krishan Kumar, 2016-02-24 Ideas of Englishness and of the English nation have become a matter of renewed interest in recent years as a result of threats to the integrity of the United Kingdom and the perceived rise of that unusual thing English nationalism Interrogating the idea of an English nation and of how that might compare with other concepts of nationhood this book enquires into the origins of English national identity partly by questioning the assumption of its long standing existence It investigates the role of the British empire the largest empire in world history in the creation of English and British identities and the results of its disappearance Considering the myths of the English the ideas and images that the English and others have constructed about their history and their sense of themselves as a people the distinctiveness of English social thought in comparison with that of other nations the relationship between English and British identity and the relationship of Englishness to Europe this wide ranging comparative and historical approach to understanding the particular nature of Englishness and English national identity will appeal to scholars of sociology cultural studies and history with interests in English and British national identity and debates about England s future place in the United Kingdom

The Monarchy and the British Nation, 1780 to the Present Andrzej Olechnowicz, 2007-11-29 What has been the function of monarchy in

the political and social life of Britain *Christian Zionism and English National Identity, 1600-1850* Andrew Crome, 2018-06-01 This book explores why English Christians from the early modern period onwards believed that their nation had a special mission to restore the Jews to Palestine It examines English support for Jewish restoration from the Whitehall Conference in 1655 through to public debates on the Jerusalem Bishopric in 1841 Rather than claiming to replace Israel as God's elect nation England was chosen to have a special but inferior relationship with the Jews Believing that God blessed those who bless the Jewish people this national role allowed England to atone for ill treatment of Jews read the confusing pathways of providence and guarantee the nation's survival until Christ's return This book analyses this mode of national identity construction and its implications for understanding Christian views of Jews the self and the other It offers a new understanding of national election and of the relationship between apocalyptic prophecy and political action **British Foreign Policy, National Identity, and Neoclassical Realism** Amelia Hadfield-Amkhan, 2010-10-16 This groundbreaking study offers a genuinely multidisciplinary exploration of cultural influences on foreign policy Through an innovative blend of historical analysis neoclassical realist theory and cultural studies Amelia Hadfield Amkhan shows how national identity has been a catalyst for British foreign policy decisions helping the state to both define and defend itself Representing key points of crisis from the past two centuries her case studies include the 1882 attempt to construct a channel tunnel to France the frantic 1909 Dreadnought race with Germany the 1982 Falklands War with Argentina and the 2003 decision to remain outside the Eurozone The author argues that these events marking the decline of a great power have forced Britain's society and government into periods of deep self reflection that are carved into its culture and etched into its policy stances on central issues of sovereignty territorial integrity international recognition and even monetary policy *English National Identity and the Image of the Dutch* Andrew Fleck, 2024-01-03 This book makes newly visible the sustained engagement of the English and the Dutch throughout a critical century in their cultural and national development It reads a broad selection of early modern literary texts some never before treated in Anglophone scholarship in which the Dutch and the English wrote about each other and themselves This interdisciplinary study brings to light the key affinities of these two nations their embrace of liberty turn toward Protestantism and pursuit of commerce It shows that as Catholic colonial powers worked to prevent the rise of early modern Europe's two great Protestant states those similarities as well as a combination of English admiration envy and distrust of the Dutch produced an emulous rivalry that remade the two nations and their literature

English National Identity and Football Fan Culture Tom Gibbons, 2016-05-13 In recent years scholars have understood the increasing use of the St George's Cross by football fans to be evidence of a rise in a specifically English identity This has emerged as part of a wider national response to broader political processes such as devolution and European integration which have fragmented identities within the UK Using the controversial figurational sociological approach advocated by the twentieth century theorist Norbert Elias this book challenges such a view drawing on

ethnographic research amongst fans to explore the precise nature of the relationship between contemporary English national identity and football fan culture Examining football fans expressions of Englishness in public houses and online spaces the author discusses the effects of globalization European integration and UK devolution on English society revealing that the use of the St George s Cross does not signal the emergence of a specifically English national consciousness but in fact masks a more complex multi layered process of national identity construction A detailed and grounded study of identity nationalism and globalization amongst football fans English National Identity and Football Fan Culture will appeal to scholars and students of politics sociology and anthropology with interests in ethnography the sociology of sport fan cultures globalization and contemporary national identities

Understanding National Identity David McCrone, Frank Bechhofer, 2015-03-26 Investigates the concept of national identity based on twenty years of empirical evidence *The English National Character* Peter Mandler, 2006-01-01 De geschiedenis van opvattingen over het nationale karakter van de Engelsen in de afgelopen twee eeuwen

Sport and English National Identity in a 'Disunited Kingdom' Tom Gibbons, Dominic Malcolm, 2017-02-17 Given sport s centrality in English society what role does it play in symbolising contemporary English national identity This comprehensive study explores the complex set of relationships between sport and what it means to be English in the twenty first century The bond between sport and nationalism has long been recognised but with increasingly vociferous separatist nationalisms threatening the dismantling of the United Kingdom a closer analysis is timely Part one addresses key debates regarding English national identity within the specific sporting contexts of association football cricket tennis cycling and rugby Part two discusses the complex relationship between religion sport and English national identity as well as the attitudes and experiences of traditionally marginalized groups including women minority ethnic groups and disabled people Part three considers the perspectives of the other UK nations on the link between sport and English national identity Sport and English National Identity in a Disunited Kingdom is fascinating reading for all those with an interest in the sociology politics and history of sport and the study of nations nationalism and national identity

Cross-Gender Shakespeare and English National Identity E. Klett, 2009-06-22 This book examines contemporary female portrayals of male Shakespearean roles and shows how these performances invite audiences to think differently about Shakespeare the English nation and themselves

The Politics of English Nationhood Michael Kenny, 2014-03-13 Winner of the Political Studies Association WJM MacKenzie Prize for best book of 2014 The Politics of English Nationhood supplies the first comprehensive overview of the evidence research and major arguments relating to the revival of Englishness exploring its varied and often overlooked political ramifications and dimensions It examines the difficulties which the major political parties have encountered in dealing with the English question against the backdrop of the diminishing hold of established ideas of British government and national identity in the final years of the last century And it explores a range of factors including insecurities generated by economic change Euroscepticism and a growing sense of cultural anxiety which helped make the renewal of

Englishness appealing and imperative prior to the introduction of devolution by the first Blair government a policy which also gave this process a further impetus The book therefore provides a powerful challenge to the two established orthodoxies in this area These either maintain that the English are dispositionally unable to assert their own nationhood outside the framework of the British state or point to the supposed resurgence of a resentful and reactive sense of English nationalism This volume instead demonstrates that a renewed resonant and internally divided sense of English nationhood is apparent across the lines of class geography age and ethnicity And it identifies several distinct strands of national identity that have emerged in this period contrasting the appearance of populist and resentful forms of English nationalism with an embedded and deeply rooted sense of conservative Englishness and attempts to reconstruct a more liberal and civic idea of a multicultural England This volume also includes a wide ranging analysis of the culturally rooted revival of Englishness drawing out the political dimensions and implications of this re emerging form of national consciousness

The Soviet Union Tania Raffass, 2012 The Soviet Union is often characterised as nominally a federation but really an empire liable to break up when individual federal units which were allegedly really subordinate colonial units sought independence This book questions this interpretation revisiting the theory of federation and discussing actual examples of federations such as the United States arguing that many federal unions including the United States are really centralised polities It also discusses the nature of empires nations and how they relate to nation states and empires and the right of secession highlighting the importance of the fact that this was written in to the Soviet constitution It examines the attitude of successive Soviet leaders towards nationalities and the changing attitudes of nationalists towards the Soviet Union Overall it demonstrates that the Soviet attitude to nationalities and federal units was complicated wrestling in a similar way to many other states with difficult questions of how ethno cultural justice can best be delivered in a political unit which is bigger than the national state

The English and Their History Robert Tombs, 2015-10-27 A New York Times 2016 Notable Book Robert Tombs's momentous *The English and Their History* is both a startlingly fresh and a uniquely inclusive account of the people who have a claim to be the oldest nation in the world The English first came into existence as an idea before they had a common ruler and before the country they lived in even had a name They have lasted as a recognizable entity ever since and their defining national institutions can be traced back to the earliest years of their history The English have come a long way from those first precarious days of invasion and conquest with many spectacular changes of fortune Their political economic and cultural contacts have left traces for good and ill across the world This book describes their history and its meanings from their beginnings in the monasteries of Northumbria and the wetlands of Wessex to the cosmopolitan energy of today's England Robert Tombs draws out important threads running through the story including participatory government language law religion the land and the sea and ever changing relations with other peoples Not the least of these connections are the ways the English have understood their own history have argued about it forgotten it and yet been shaped by it These diverse and

sometimes conflicting understandings are an inherent part of their identity Rather to their surprise as ties within the United Kingdom loosen the English are suddenly embarking on a new chapter The English and Their History the first single volume work on this scale for more than half a century and which incorporates a wealth of recent scholarship presents a challenging modern account of this immense and continuing story bringing out the strength and resilience of English government the deep patterns of division and also the persistent capacity to come together in the face of danger **English Identity and Political Culture in the Fourteenth Century** Andrea Ruddick,2013-11-21 A study of the nature of national sentiment in fourteenth century England in its political and constitutional context Political Transformation and National Identity Change Jennifer Todd,Lorenzo Cañas Bottos,Nathalie Rougier,2013-10-18 The major socio political changes of the last decades have led to changing ways of being national changes in the content of national identity if not in the national categories themselves This comparative social scientific volume takes examples of transitions to democracy East Europe Spain to peace South Africa Israel Northern Ireland and to territorial decentralization the United Kingdom France Spain showing in each case how socio political change and identity change have interlocked It defines a typology of national identity shift tracing the changing state forms which provoke national identity shift and analyzing the process of identity change its motivations and legitimations Collecting together a wide range of examples from South Africa to the Czech Republic from the Basque Country to the Mexican and Irish borders the book brings together an interdisciplinary group of scholars from world figures in the study of globalization and social identity to young researchers to provide a much needed theoretical clarification and empirical evidence of types of national identity shift *Public Life and Public Lives* Nancy LoPatin-Lummis,2008-03-24 This volume consists of fourteen essays and an introduction all addressing the interconnection between modern party and electoral politics or political culture and disestablished religious organizations in modern British history the main areas of scholarly interest for Richard W Davis Professor Emeritus Washington University St Louis Questions how individuals envision the public good in modern Britain and how through religious and moral beliefs coupled with wisdom and political savvy they can improve the public good through the ever changing nineteenth century political institutions Essays range from studies of local electoral politics and parliamentary reform campaign to national political party organization high politics and the role religion and empire played in the creation of national policy Examines the influence of individuals on the political process through their professional work in historical and philosophical writing journalism and missionary work at home and abroad Provides new original research in the area of modern British political history together in Parliamentary History **Journal for the Study of British Cultures** ,2006 *Language and the Formation of National Identity* Pasquale De Marco,2025-08-10 Language and the Formation of National Identity explores the complex and multifaceted relationship between language and national identity Language is a powerful tool that can be used to shape our identities both as individuals and as a collective It is a way of expressing our shared values and beliefs and it can help to

create a sense of unity and belonging In this book we examine how language is used to construct national myths and symbols and how it is used to shape national consciousness We also consider the challenges to national identity in the modern world and the role that language can play in preserving and promoting national identity in the future We begin by exploring the theoretical framework for understanding the relationship between language and national identity We then examine the role of language in the formation of nationhood and national identity We consider the different ways in which language can be used to construct national myths and symbols and how it can be used to shape national consciousness We also consider the challenges to national identity in the modern world Globalization and migration are two major forces that are challenging traditional notions of national identity We examine the impact of these forces on national identity and we consider the role that language can play in preserving and promoting national identity in the future Language and the Formation of National Identity is a comprehensive and insightful exploration of the relationship between language and national identity It is essential reading for anyone who wants to understand the complex world we live in today If you like this book write a review

Making Of English National Identity Introduction

In the digital age, access to information has become easier than ever before. The ability to download Making Of English National Identity has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Making Of English National Identity has opened up a world of possibilities. Downloading Making Of English National Identity provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Making Of English National Identity has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Making Of English National Identity. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Making Of English National Identity. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that

prioritize the legal distribution of content. When downloading Making Of English National Identity, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Making Of English National Identity has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Making Of English National Identity Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Making Of English National Identity is one of the best book in our library for free trial. We provide copy of Making Of English National Identity in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Making Of English National Identity. Where to download Making Of English National Identity online for free? Are you looking for Making Of English National Identity PDF? This is definitely going to save you time and cash in something you should think about.
