Making Of The Miskitu People Of Nicaragua:

The Making of the Miskitu People of Nicaragua Claudia García, 1996 This book examines the formation of ethnic identity among the Miskitu people of Nicaragua The author integrates a social constructivist approach with postmodern theoretical perspectives Ethnic identity results from the way individuals visualize themselves and are visualized by others Social memory is what provides continuity with the past As relations among people change over time individuals reconstruct the past according to the constraints imposed on them by the present and their expectations for the future In so doing they remake social memory and recreate their collective identity

The Miskitu People of Awastara Philip A. Dennis, 2010-06-28 Most anthropologists who have lived among other people feel a periodic need to go back writes Philip A Dennis in the introduction to this book Fieldwork gives you a stake in the people themselves a set of relationships that last the rest of your life and when the time is right it is important to go back Dennis first journeyed to Awastara a village on the northeastern coast of Nicaragua during 1978 1979 as a postdoctoral student He had come to study a culture bound syndrome in which young women are possessed by devils In the process he became fascinated by other aspects of Miskitu culture turtle fishing Miskitu Christianity community development efforts the whole pattern of Miskitu community life He also formed deep friendships to carry into the future Twenty years later he was able to return and continue his ethnographic work Utilizing ideas from recent interpretive anthropology and a vivid writing style Dennis describes food habits language health practices religious beliefs and storytelling inviting the reader to experience life in Awastara along with him Building upon earlier work by Mary Helms Bernard Nietschmann Edmund Gordon and Charles Hale *The Miskitu People of Awastara* makes its own original contribution It is the first full length study of a coastal Miskitu community north of Puerto Cabezas contrasting life before and after the war years of the 1980s It will be a valuable addition to the literature on this indigenous group and should appeal to anthropologists and other social scientists as well as all readers interested in peoples of the Caribbean coast

Nicaragua: The Imagining of a Nation Luciano Baracco, 2005 At the nexus of politics sociology development studies nationalism studies and Latin American studies this work takes Nicaragua as a case study to engage and advance upon on Benedict Anderson's ideas on the origins and spread of nationalism

Shipwrecked Identities Baron L. Pineda, 2006 In this historical ethnography Baron Pineda traces the history of the port town of Bilwi now known officially as Puerto Cabezas on the Atlantic coast of Nicaragua to explore the development transformation and function of racial categories in this region From the English colonial period through the Sandinista conflict of the 1980s to the aftermath of the Contra War Pineda shows how powerful outsiders as well as Nicaraguans have made efforts to influence notions about African and Black identity among the Miskito Indians Afro Nicaraguan Creoles and Mestizos in the region In the process he provides insight into the causes and meaning of social movements and political turmoil *Shipwrecked Identities* also includes important critical analysis of the role of anthropologists and other North American scholars in the Contra Sandinista conflict as well as the ways these scholars

have defined ethnic identities in Latin America **The Social Construction of What?** Ian Hacking, 2000-11-15 Lost in the raging debate over the validity of social construction is the question of what precisely is being constructed Facts gender quarks reality Ian Hacking's book explores an array of examples to reveal the deep issues underlying contentious accounts of reality especially regarding the status of the natural sciences **Ethnic Groups of the Americas** James B.

Minahan, 2013-03-14 Intended to help students explore ethnic identity one of the most important issues of the 21st century this concise one stop reference presents rigorously researched content on the national groups and ethnicities of North America Central America South America and the Caribbean Combining up to date information with extensive historical and cultural background the encyclopedia covers approximately 150 groups arranged alphabetically Each engaging entry offers a short introduction detailing names population estimates language and religion This is followed by a history of the group through the turn of the 19th century with background on societal organization and culture and expanded information on language and religious beliefs The last section of each entry discusses the group in the 19th 20th and 21st centuries including information on its present situation Readers will also learn about demographic trends and major population centers parallels with other groups typical ways of life and relations with neighbors Major events and notable challenges are documented as are key figures who played a significant political or cultural role in the group's history Each entry also provides a list for further reading and research *Pentecostals and Charismatics in Latin America and Latino Communities* Néstor Medina, 2015-09-30 Pentecostal charismatics in Latin America and among Latinos communities that share profound historical linguistic and cultural roots This compilation brings together practitioners and academics with pentecostal charismatic affiliations who analyse from within the development of the movement among these diverse communities

Revolution, Revival, and Religious Conflict in Sandinista Nicaragua Calvin L. Smith, 2007-03-31 This interdisciplinary study breaks new ground by exploring relations between Protestants mainly Pentecostals and the Sandinistas in revolutionary Nicaragua which to date have received scant attention It challenges the view that most Protestants supported the Sandinistas in fact the majority vigorously opposed them and establishes why many believed Nicaragua was heading towards communism or totalitarianism Meanwhile the Sandinistas expressed irritation with Pentecostalism's otherworldliness and support for Israel Pentecostals were harassed even brutally repressed in the northern highlands leading many to join the Contras That a minority of Protestants supported the Sandinistas caused further problems Pentecostals and Sandinistas were ideological rivals offering an alternative vision to the poor revolution or revival As Pentecostalism exploded a collision between the two was inevitable *Development and Decolonization in Latin America* Julie Cupples, 2022-01-05 Written in an accessible language this book is a fully updated and revised edition of Latin American Development a text that provides a comprehensive introduction to Latin American development in the twenty first century and is anchored in decolonial theory and other critical approaches This new edition has been revised and updated in a way that takes into

account recent changes in political leadership the retreat of the Pink Tide the Colombian peace accords new forms of political and territorial mobilization the intensification of extractivism murders of environmental defenders major disasters and the new contours of feminist and anti patriarchal struggles It features new chapters on decolonial theory Latin America in the world disastrous development Afrodescendant struggles and the Latin American city The book emphasizes political economic social cultural and environmental dimensions of development and considers key challenges facing the region and the diverse ways in which its people are responding as well as providing analysis of the ways in which such challenges and responses can be theorized It explores the region s historical trajectories the implementation and rejection of the neoliberal model and the role played by diverse social movements It is an indispensable resource for students and university lecturers and professors in development studies Latin American studies geography anthropology sociology political science economics and cultural studies In addition it provides an invaluable introduction to the region for journalists and development practitioners

The Mermaid and the Lobster Diver Laura Hobson Herlihy, 2012-04-12 Approximately 90 percent of Miskitu boys and men in the Río Plátano Biosphere Reserve along the north coast of Honduras have worked as deepwater divers in the lobster industry and their participation has left an indelible imprint on their society While lobster diving is lucrative it is also a life threatening occupation and many divers have been injured or killed from decompression sickness locally referred to as *liwa mairin siknis* Mermaid sickness According to Miskitu folklore the Mermaid is the main water spirit owner of all fresh and saltwater resources and capable of punishing male divers for extracting too many of her lobsters Wary of the wrath of the supernatural *liwa mairin* these men face another threat on shore Miskitu women who use sexual magic *praidi saihka* as a tool to control men s wages and ensure that they continue to provide them with money Interspersed with short stories songs and incantations *The Mermaid and the Lobster Diver* demonstrates the archetypes of femininity and masculinity within Miskitu society highlighting the power associated with women s sexuality as manifested in both goddess and human form and the vulnerable position of men

The A Oxford Handbook of Borderlands of the Iberian World Danna A. Levin Rojo, Cynthia Radding, 2019-11-06 This collaborative multi authored volume integrates interdisciplinary approaches to ethnic imperial and national borderlands in the Iberian World 16th to early 19th centuries It illustrates the historical processes that produced borderlands in the Americas and connected them to global circuits of exchange and migration in the early modern world The book offers a balanced state of the art educational tool representing innovative research for teaching and scholarship Its geographical scope encompasses imperial borderlands in what today is northern Mexico and southern United States the greater Caribbean basin including cross imperial borderlands among the island archipelagos and Central America the greater Paraguayan river basin including the Gran Chaco lowland Brazil Paraguay and Bolivia the Amazonian borderlands the grasslands and steppes of southern Argentina and Chile and Iberian trade and religious networks connecting the Americas to Africa and Asia The volume is structured around the following broad themes environmental change and humanly

crafted landscapes the role of indigenous allies in the Spanish and Portuguese military expeditions negotiations of power across imperial lines and indigenous chiefdoms the parallel development of subsistence and commercial economies across terrestrial and maritime trade routes labor and the corridors of forced and free migration that led to changing social and ethnic identities histories of science and cartography Christian missions music and visual arts gender and sexuality emphasizing distinct roles and experiences documented for men and women in the borderlands While centered in the colonial era it is framed by pre contact Mesoamerican borderlands and nineteenth century national developments for those regions where the continuity of inter ethnic relations and economic networks between the colonial and national periods is particularly salient like the central Andes lowland Bolivia central Brazil and the Mapuche Pehuenche captaincies in South America All the contributors are highly recognized scholars representing different disciplines and academic traditions in North America Latin America and Europe The Oxford Handbook of Borderlands of the Iberian World Danna A. Levin Rojo, Cynthia Radding, 2019-11-06 This Handbook integrates innovative interdisciplinary approaches to the production of Iberian imperial borderlands in the Americas from southwestern U S to Patagonia and their connections to trade and migratory circuits extending to Asia and Africa In this volume borderlands comprise political boundaries spaces of ethnic and cultural exchange and ecological transitions *Linguistic Advances in Central American Spanish*, 2023-09-29 Covering all seven countries on the isthmus this volume presents the first collection of original linguistic studies on Central American Spanish varieties which have long been neglected in Hispanic Linguistics The analyses in this collection span across disciplines such as sociolinguistics corpus linguistics bilingualism historical linguistics and pragmatics This volume bridges the gap between international and Central American scholars as it highlights the work that has already been done by Central American scholars but is relatively unknown to scholars outside of the region It also introduces readers to more recent work that sheds new light on Central American Spanish varieties from both urban and rural settings as well as in bilingual communities where Spanish is in contact with indigenous languages **Transmedia Geographies** Kevin Glynn, Julie Cupples, 2024-12-13 Looking at the US New Zealand and Central America this book considers how cultural politics has been deeply reworked in our contemporary media environment The authors analyze how rampant technological convergence has allowed stories to spill across media platforms as well as geographical borders and how those stories reemerge as transmediated events The authors explore the cultural politics that have developed within this new media environment by moving across the mediated landscapes of the first third and fourth Indigenous people s worlds which are deeply intertwined and interconnected under contemporary conditions of neoliberal globalization and emergent regimes of authoritarian postdemocracy The book attends both to the platforms and digital networks of the new media environment and to the cultural forms and practices that have constituted television as the dominant medium of communication throughout the second half of the twentieth century In the new media environment transmediation works on behalf not only of those

corporate megaconglomerates that have become all too familiar to media consumers around the world but also of many communities that have previously been excluded from access to the means of electronic textual production and circulation For the latter grassroots transmediation has become an important technique for the production of cultural citizenship

Etnogénesis, hibridación y consolidación de la identidad del pueblo miskitu Claudia García, 2007 Nos encontramos ante una historia amena donde lo histórico y lo simbólico se entrelazan contada en un lenguaje accesible y literario que recuerda por momentos a obras de la literatura americana Su lectura es por tanto recomendada tanto para estudiosos de la antropología como para lectores que quieran iniciarse en este campo y especialmente para quienes deseen comprender el importante papel de las mujeres en la historia de los pueblos amerindios La autora aclara que no pretende escribir una historia del pueblo miskitu sino más bien realizar una relectura histórica de aquellos momentos más significativos del pasado del grupo como por ejemplo su etnogénesis el establecimiento y la consolidación del reino las incursiones armadas y la toma de cautivas las relaciones comerciales los líderes zambos e indios y su defensa de un estilo de vida inglés el intento de colonización española el ocaso y desintegración del reino miskitu y las consecuencias de la conversión religiosa para la identidad social del grupo La autora abarca estos temas con una perspectiva de construcción social haciendo énfasis en cómo el proceso de hibridación racial y cultural que en el siglo XVII da origen al grupo y que se ve acompañado por la adquisición de objetos materiales que ocasionan cambios en el ámbito tradicional tiene continuidad en el tiempo El argumento principal del libro es precisamente ese que la miskitu es desde sus orígenes una sociedad abierta al exterior cuya cultura es construida y reconstruida por medio de cambios profundamente influenciados por las sucesivas interacciones con el otro por sus ideas y sus prácticas

Democratization and Ethnic Minorities Jacques Bertrand, Oded Haklai, 2013-10-23 Many new democracies are characterized by majority dominance and ethnocentrism Varying paths or transitions toward democracy create very different outcomes for how ethnic identities communities and politics are recognized This book illustrates the varied consequences of democratization from ethnic violence new forms of accommodation to improve minorities status or sometimes only minor improvements to life for ethnic minorities The book treads a nuanced path between conflicting myths of democratization illustrating that there are a variety of outcomes ranging from violence or stability to the extension of rights representation and new resources for ethnic minorities Contributors discuss the complex mechanisms that determine the impact of democratization of ethnic minorities through five factors inherited legacies from the pre transition period institutional configurations elite strategies societal organization and international influences Global in scope this book features a broad range of case studies both country specific and regional including chapters on Nigeria Kenya Turkey and Taiwan Eastern Europe the former Soviet Union Southeast and East Asia This book provides new insights and makes an important contribution to existing debates Democratization and Ethnic Minorities will be essential reading for students and scholars of democratization nationalism ethnic conflict and ethnic politics political science history and sociology **The**

Awakening Coast Karl Offen,Terry Rugeley,2014-06-01 The indigenous and Creole inhabitants Mosquitians of African descent of the Mosquito Reserve in present day Nicaragua underwent a key transformation when two Moravian missionaries arrived in 1849 Within a few short generations the new faith became so firmly established there that eastern Nicaragua to this day remains one of the world s strongest Moravian enclaves The Awakening Coast offers the first comprehensive English language selection of the writings of the multinational missionaries who established the Moravian faith among the indigenous and Afro descendant populations through the turbulent years of the Great Awakening of 1881 to 1882 when converts flocked to the church and the mission s membership more than doubled The anthology tracks the intersection of religious political and economic forces that led to this dynamic religious shift and illustrates how the mission s first fifty years turned a relatively obscure branch of Protestantism into the most important political and spiritual institution in the region by contextualizing the Great Awakening Protestant evangelism and indigenous identity during this time of dramatic social change *A Miskitu Indian Reader* ,1990 *Indigenous Knowledge for Climate Change Assessment and Adaptation* Douglas Nakashima,Igor Krupnik,Jennifer T. [VNV] Rubis,2018-10-04 Provides insight into how diverse societies observe and respond to changing environments for those interested in climate science policy and adaptation **Global education monitoring report, 2020** UNESCO,Global Education Monitoring Report Team,2020-06-23 This publication assesses progress towards Sustainable Development Goal 4 SDG 4 on education and its ten targets as well as other related education targets in the SDG agenda It addresses inclusion in education drawing attention to all those excluded from education because of background or ability The report is motivated by the explicit reference to inclusion in the 2015 Incheon Declaration and the call to ensure an inclusive and equitable quality education in the formulation of SDG 4 the global goal for education It reminds us that no matter what argument may be built to the contrary we have a moral imperative to ensure every child has a right to an appropriate education of high quality
