Making Peace

It took 180,000 years to learn to make peace with

Chimpanzees. Now, how long will it take to make peace

Making Peace The Reconstruction Of Gender In Interwar Britain

Laura L. Doan, Jay Prosser

Making Peace The Reconstruction Of Gender In Interwar Britain:

Making Peace Susan Kingsley Kent, 2019-01-15 *Making Peace* provides a fresh context for understanding gender relations in interwar Britain seeing in the emergence of a powerful ideology of motherhood and a reemphasis on separate spheres for men and women a corollary to the political and economic restructuring designed to reestablish social order after World War I The war had often been explained and justified to the British public by means of images that portrayed women as hostile or frightening or as victims of sexual assault as in the Belgian atrocity stories These sexualized interpretations of war then shaped postwar understandings of gender as psychiatrists psychologists and sexologists drew on metaphors of war to talk about relationships between men and women likening any conflict between the sexes to the terrible chaos of the war years Drawing on materials from posters to popular songs from government reports to journalistic accounts from memoirs and novels to diaries and letters *Making Peace* is a penetrating analysis of how gendered and sexualized depictions of wartime experiences compelled many Britons to seek in traditional gender arrangements the key to postwar order and security In the interwar period many feminists compromised their earlier positions in an effort to contribute to postwar recovery and justified their demands for birth control and family endowment for example in conservative terms that ultimately hampered their movement Susan Kingsley Kent is Associate Professor of History at the University of Colorado at Boulder She is also the author of *Sex and Suffrage in Britain 1860-1914* Princeton Originally published in 1993 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Gender and Power in Britain, 1640-1990 Susan Kingsley Kent, 1999 This is a history of Britain from the early modern period to the present focusing on gender in society Several areas are explored and a chronological framework is used to make this an exciting journey through the last few centuries

Gendering Peace in Europe c. 1880-2000 Julie V. Gottlieb, Gaynor Johnson, 2022-04-27 This book examines the connection between notions of gender diplomacy society and peacemaking in the period c 1880 to the mid to late twentieth century The chapters in this volume place gender history at the interface with international history and international relations They explore a wide variety of themes and issues within the British and European context especially notions of gender identity the politics and culture of women's suffrage in the early part of the twentieth century and the role gender played in the formulation and execution of British foreign policy The book also breaks new ground by attempting to gender diplomacy Further it revisits the popular view that women were connected with the peace movements that grew up after the First World War because the notion of peace was associated with stereotypical female traits such as the rejection of violence and the nurturing rather than

destruction of humankind The chapters in this book were originally published as a special issue of the journal *Diplomacy and Statecraft* Women's International Activism during the Inter-War Period, 1919-1939 Ingrid Sharp, Matthew Stibbe, 2018-10-18 In historical writing the interwar years are often associated with the rise of extreme forms of nationalism Yet paradoxically this period also saw significant advances in the development of internationalism and international mindedness This collection examines previously under researched aspects of the role played by women's movements and individual female activists in this process Women campaigners contributed to and helped to re define what constituted international work in myriad ways For some particularly those coming from a radical pacifist background the central theme after 1919 was the eradication of war and the preservation of world peace Yet others were more interested in the sharing of medical knowledge across borders in the promotion of new causes such as physical fitness or the cultural assimilation of immigrants or in finding fresh and innovative ways of battling for old causes such as female suffrage and women's access to education It was even possible for nationalist women to use the language and practices of internationalism to further their own conservative illiberal or anti communist agendas or to argue for revision of the peace treaties of 1919 20 The volume addresses these different kinds of activism and the many links between them by way of particular examples This book was originally published as a special issue of *Women's History Review* Suffrage, Gender and Citizenship – International Perspectives on Parliamentary Reforms Pirjo Markkola, Seija-Leena Nevala-Nurmi, Irma Sulkunen, 2008-12-18 In 2006 Finland celebrated the centenary of universal and equal suffrage The reform in 1906 was radical women gained the right to vote and to stand as candidates in parliamentary elections The new rights were immediately used and 19 women were elected to the Parliament Finland was the third country after New Zealand and Australia in which women were admitted to full political citizenship Norwegian women were also granted political rights before WWI This publication studies suffrage citizenship and parliamentary reforms in various socio political contexts It brings together new research from a wide range of scholars and disciplines In addition to pioneers attention is given to Austria Britain Canada Hungary Iran Ireland Israel Poland Romania Russia and Slovenia among others By highlighting national differences the collection strives to disperse the universalising trend of research The chapters suggest that the age of suffrage narratives based on a view of universal emancipation is over more significant are deconstructive approaches and analyses embedded in local factors From an international perspective the realisation of female suffrage was a long and multi faceted process taking different forms The issue of women's civil rights is certainly not a matter of the past Internationally suffrage gender and citizenship are highly topical issues as indicated in this collection Gender Politics and Mass Dictatorship J. Lim, K. Petrone, 2010-12-14 Unique in comparative scope this volume brings together global scholarship on gender Thirteen international experts explore the gendered mobilization of men and women in twentieth century European and Asian mass dictatorships and colonial empires examining both mobilization from above and self empowerment from below *'Guilty Women', Foreign Policy, and Appeasement in*

Inter-War Britain Julie V. Gottlieb, 2016-02-07 British women were deeply invested in foreign policy between the wars This study casts new light on the turn to international affairs in feminist politics the gendered representation and experience of the Munich Crisis and the profound impression made by female public opinion on PM Neville Chamberlain in his negotiations with the dictators

Gender and the Historian Johanna Alberti, 2014-07-10 Why are most famous historians men How have women changed the writing of history over the last decades What lives and stories have been hidden from history Until recently history was predominantly the domain of men That men were the authors of our past meant that in many cases only half of the story was told In the second half of the twentieth century however the picture changed Women and indeed some men as well started to address gender history Women had been investigated historically before but never with such intensity nor such breadth The impetus for this writing was both political and academic as feminists were determined to explore lives which until then had been disregarded *Gender and the Historian* charts the entry and development of this new history showing how such considerations furthered postmodernism and ultimately reinvigorated the very core of History

Labour's First Century Duncan Tanner, Pat Thane, Nick Tiratsoo, 2000-09-11 The Labour Party's centenary is an appropriate moment to evaluate its performance across the twentieth century and to reflect on why a party which has so many achievements to its credit nonetheless spent so much of the period in opposition Duncan Tanner Pat Thane and Nick Tiratsoo have assembled a team of acknowledged experts who cover a wide range of key issues from economic policy to gender The editors also provide a lucid accessible introduction *Labour's First Century* covers the most important areas of party policy and practice always placing these in a broader context Taken together these essays challenge those who minimize the party's contribution whilst they also explain why mistakes and weaknesses have occurred Everyone interested in British political history whether supporters or opponents of the Labour Party will need to read *Labour's First Century*

War and Sex John V. H. Dippel, 2011-09-27 Dippel reviews social circumstances leading up to conflicts from the American Civil War through the Vietnam War and the current clash with Islamic fundamentalists and explores how tensions over gender roles affect men's willingness to go to war

The Oxford History of the First World War Hew Strachan, 2023 A team of some of the world's most distinguished First World War historians chart the causes course and profound political and human consequences of a conflict that changed the world

Weimar through the Lens of Gender Julia Roos, 2017-09-28 This book will make a valuable contribution to the field of German history as well as the histories of gender and sexuality The argument that Weimar feminism did bring about tangible gains for women needs to be made and Roos has done so convincingly Julia Sneeringer Queens College Until 1927 Germany had a system of state regulated prostitution under which only those prostitutes who submitted to regular health checks and numerous other restrictions on their personal freedom were tolerated by the police Male clients of prostitutes were not subject to any controls The decriminalization of prostitution in 1927 resulted from important postwar gains in women's rights yet this change while welcomed by feminists Social

Democrats and liberals also mobilized powerful conservative resistance In the early 1930s the right wing backlash against liberal gender reforms like the 1927 prostitution law played a fateful role in the downfall of the Weimar Republic and the rise of Nazism Weimar through the Lens of Gender combines the political history of early twentieth century Germany with analytical perspectives derived from the fields of gender studies and the history of sexuality The book s argument will be of interest to a broad readership specialists in the fields of gender studies and the history of sexuality as well as historians and general readers interested in Weimar and Nazi Germany Julia Roos is Assistant Professor of History at Indiana University Bloomington Jacket art Hamburg vermutlich St Pauli 1920er 30er Jahre photographer unknown s w Fotografie Courtesy of the Museum f r Hamburgische Geschichte *Fatherlands* Abigail Green,2001-09-06 An exploration of the nature of identity in nineteenth century Germany *Gender, Sex and the Shaping of Modern Europe* Annette F. Timm,Joshua A. Sanborn,2016-03-10 Through a blend of history and historiography *Gender Sex and the Shaping of Modern Europe* provides a clear and concise introduction to gender history in the region The detailed examples and engaging language make this a useful overview for students not only of gender history but also of European history more widely as considerations of gender illuminate our understanding of historical change and individual experience In six thematic chapters that cover democracy and capitalism imperialism and war the authors explain how gender roles were socially constructed and how they influenced political and economic developments during the period This new edition has been thoroughly re edited and expanded to take account of ongoing methodological innovation and recent scholarship in the field The book also includes a brand new chapter on sexuality in the 21st century and extended material on Scandinavia The Mediterranean Alternative Sexualities Women s history and femininity *Gender Sex and the Shaping of Modern Europe* is a key text for all students of gender history and the history of modern Europe in general **Maneuvers** Cynthia Enloe,2000-02-01 *Maneuvers* takes readers on a global tour of the sprawling process called militarization With her incisive verve and moxie eminent feminist Cynthia Enloe shows that the people who become militarized are not just the obvious ones executives and factory floor workers who make fighter planes land mines and intercontinental missiles They are also the employees of food companies toy companies clothing companies film studios stock brokerages and advertising agencies Militarization is never gender neutral Enloe claims It is a personal and political transformation that relies on ideas about femininity and masculinity Films that equate action with war condoms that are designed with a camouflage pattern fashions that celebrate brass buttons and epaulettes tomato soup that contains pasta shaped like Star Wars weapons all of these contribute to militaristic values that mold our culture in both war and peace Presenting new and groundbreaking material that builds on Enloe s acclaimed work in *Does Khaki Become You* and *Bananas Beaches and Bases* *Maneuvers* takes an international look at the politics of masculinity nationalism and globalization Enloe ranges widely from Japan to Korea Serbia Kosovo Rwanda Britain Israel the United States and many points in between She covers a broad variety of subjects gays in the military the history of camp followers the politics of women who have sexually

served male soldiers married life in the military military nurses and the recruitment of women into the military One chapter titled When Soldiers Rape explores the many facets of the issue in countries such as Chile the Philippines Okinawa Rwanda and the United States Enloe outlines the dilemmas feminists around the globe face in trying to craft theories and strategies that support militarized women locally and internationally without unwittingly being militarized themselves She explores the complicated militarized experiences of women as prostitutes as rape victims as mothers as wives as nurses and as feminist activists and she uncovers the maneuvers that military officials and their civilian supporters have made in order to ensure that each of these groups of women feel special and separate

Gender History in Practice Kathleen Canning, 2006 The eight essays collected in this volume examine the practice of gender history and its impact on our understanding of European history Each essay takes up a major methodological or theoretical issue in feminist history and illustrates the necessity of critiquing and redefining the concepts of body citizenship class and experience through historical case studies Kathleen Canning opens the book with a new overview of the state of the art in European gender history She considers how gender history has revised the master narratives in some fields within modern European history such as the French Revolution but has had a lesser impact in others Weimar and Nazi Germany Gender History in Practice includes two essays now regarded as classics Feminist History after the Linguistic Turn and The Body as Method as well as new chapters on experience citizenship and subjectivity Other essays in the book draw on Canning's work at the intersection of labor history the history of the welfare state and the history of the body showing how the gendered social body was shaped in Imperial Germany The book concludes with a pair of essays on the concepts of class and citizenship in German history offering critical perspectives on feminist understandings of citizenship Featuring an extensive thematic bibliography of influential works in gender history and theory that will prove invaluable to students and scholars Gender History in Practice offers new insights into the history of Germany and Central Europe as well as a timely assessment of gender history's accomplishments and challenges

Palatable Poison Laura L. Doan, Jay Prosser, 2001 The Well of Loneliness was released in Britain in 1928 and was immediately controversial This text gathers together classic essays on the book to provide an understanding of how views have changed

British Culture and the First World War George Robb, 2017-09-16 The First World War has left its imprint on British society and the popular imagination to an extent almost unparalleled in modern history Its legacy of mass death mechanized slaughter propaganda and disillusionment swept away long standing romanticized images of warfare and continues to haunt the modern consciousness Focusing on the lives of ordinary Britons George Robb's engaging new study seeks to comprehend what it meant for an entire society to undergo the tremendous shocks and demands of total war how it attempted to make sense of the conflict explain it to others and deal with the war's legacies British Culture and the First World War examines the war's impact on ideologies of race class and gender the government's efforts to manage news and to promote patriotism the role of the arts and sciences and the commemoration of the war in the decades since Synthesizes

much of the best and most recent scholarship on the social and cultural history of the war Reclaims a great deal of neglected or forgotten popular cultural sources such as films cartoons juvenile literature and pulp fiction Compact but comprehensive this accessible and refreshing text is essential reading for anyone interested in British society and culture during the turbulent years of the First World War

Modernizing Tradition Adam C. Stanley, 2008-12-15 In the turbulent decades after World War I both France and Germany sought to return to an idealized prewar past Many people believed they could recapture a sense of order and stability by reinstituting traditional gender roles which the war had thrown off balance While French and German women necessarily filled men's roles in factories and other jobs during the war those who continued to lead active working lives after World War I risked being called modern women Far from a compliment this derogatory label encompassed everything society found threatening about women's new place in public life smoking working women who preferred independence and sexual freedom to a traditional role in the home Society felt threatened by the image of the modern woman yet also realized that conceptions of femininity needed to accommodate the cultural changes brought about by the Great War In *Modernizing Tradition* Adam C Stanley explores how interwar French and German popular culture used commercial images to redefine femininity in a way that granted women some access to modern life without encouraging the assertion of female independence Examining advertisements articles and cartoons as well as department store publicity materials from the popular press of each nation Stanley reveals how the media attempted to convince women that with the help of newly available consumer goods such as washing machines refrigerators and vacuum cleaners being a mother or a housewife could be empowering even liberating A life devoted to the home these images promised need not be an unmitigated return to old fashioned tradition but could offer a rewarding lifestyle based on the wonders and benefits of modern technology Stanley shows that the media carefully limited women's association with modernity to those activities that reinforced women's traditional roles or highlighted their continued dependence on masculine guidance expertise and authority In this cross national study Stanley brings into sharp relief issues of gender and consumerism and reveals that despite the larger political differences between France and Germany gender ideals in the two countries remained virtually identical between the world wars That these concepts of gender stayed static over the course of two decades years when nearly every other aspect of society and culture seemed to be in constant flux attests to their extraordinary power as a force in French and German society

Britishness Since 1870 Paul Ward, 2004-04-15 Examines the definition and redefinition of Britishness since the 1870s and looks at how Britishness has adapted to changing circumstances over time

Making Peace The Reconstruction Of Gender In Interwar Britain Introduction

Making Peace The Reconstruction Of Gender In Interwar Britain Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Making Peace The Reconstruction Of Gender In Interwar Britain Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Making Peace The Reconstruction Of Gender In Interwar Britain : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Making Peace The Reconstruction Of Gender In Interwar Britain : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Making Peace The Reconstruction Of Gender In Interwar Britain Offers a diverse range of free eBooks across various genres. Making Peace The Reconstruction Of Gender In Interwar Britain Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Making Peace The Reconstruction Of Gender In Interwar Britain Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Making Peace The Reconstruction Of Gender In Interwar Britain, especially related to Making Peace The Reconstruction Of Gender In Interwar Britain, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Making Peace The Reconstruction Of Gender In Interwar Britain, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Making Peace The Reconstruction Of Gender In Interwar Britain books or magazines might include. Look for these in online stores or libraries. Remember that while Making Peace The Reconstruction Of Gender In Interwar Britain, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Making Peace The Reconstruction Of Gender In Interwar Britain eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Making Peace The Reconstruction Of Gender In Interwar Britain full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Making Peace The Reconstruction Of Gender In Interwar Britain eBooks, including some popular titles.

FAQs About Making Peace The Reconstruction Of Gender In Interwar Britain Books

1. Where can I buy Making Peace The Reconstruction Of Gender In Interwar Britain books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Making Peace The Reconstruction Of Gender In Interwar Britain book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Making Peace The Reconstruction Of Gender In Interwar Britain books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Making Peace The Reconstruction Of Gender In Interwar Britain audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Making Peace The Reconstruction Of Gender In Interwar Britain books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
