[Imagining and Reimagining the Restoration](#) Robert A. Rees, 2025-08-19 In Imagining and Reimagining the Restoration Robert A Rees embarks on an imaginative and profound exploration of Latter day Saint theology and culture Through essays poems and midrashic interpretations Rees sheds new light on foundational doctrines the roles of prophetic imagination and the divine narratives within the Restoration He reexamines figures like Joseph Smith and Heavenly Mother urging readers to embrace a creative and expansive faith perspective that transcends mere tradition This captivating work brings readers into a visionary discourse that emphasizes the power of imagination as a spiritual gift With poetic interludes and scholarly insight this volume is a transformative invitation to both imagine and reimagine faith theology and cultural belonging Praise for Imagining and Reimagining the Restoration While our imaginations might be unleashed by contemplation of the creations of

our Creator and by the implications of the Restoration midwifed into the world through the Prophet Joseph it may help us also to consider more proximate examples of faithful master imaginers The life and writings of Robert Rees including the creative poetic and midrashic compositions of his own imagination that punctuate this volume comprise a striking case study He is an uncommon person who has lived an uncommon life and written with uncommon reach and imagination There is scarcely a significant aspect of the Restoration on which he has not made creative public comment often in print Yet more rare he has in the pages that follow contemplated imagination itself a provocation to me and I hope to you Philip Barlow Associate Director Neal A Maxwell Institute for Religious Scholarship Brigham Young University
