Joint Chiefs of Staff,1986 Includes Supplement prepared by the Organization of the Joint Chiefs of Staff      Hemispheric Indigeneities Miléna Santoro,Erick D. Langer,2018-11-01 Hemispheric Indigeneities is a critical anthology that brings together indigenous and nonindigenous scholars specializing in the Andes Mesoamerica and Canada The overarching theme is the changing understanding of indigeneity from first contact to the contemporary period in three of the world s major regions of indigenous peoples Although the terms indio indig ne and indian only exist in Spanish French and English respectively because of European conquest and colonization indigenous peoples have appropriated or changed this terminology in ways that reflect their shifting self identifications and aspirations As the essays in this volume demonstrate this process constantly transformed the relation of Native peoples in the Americas to other peoples and the state This volume s presentation of various factors geographical temporal and cross cultural provide illuminating contributions to the burgeoning field of hemispheric indigenous studies Hemispheric Indigeneities explores indigenous agency and shows that what it means to be indigenous was and is mutable It also demonstrates that self identification evolves in response to the

relationship between indigenous peoples and the state The contributors analyze the conceptions of what indigeneity meant means today or could come to mean tomorrow *Overseas Information Programs of the United States* United States. Congress. Senate. Committee on Foreign Relations,1953
