**Moving Beyond the Impasse** S. Wesley Ariarajah,2018-10-01

Interfaith dialogue in a plural world This volume is based on the belief that both the ecumenical and interfaith movements are looking for new orientations for their future The forces of globalization communications revolution and massive population movements challenge some of the theological assumptions and presuppositions on which they were built The entry of deep and divisive religious sentiments into the public space and the rise of militant forms of religious expression call on the interfaith movement to move beyond traditional forms of dialogue the challenge is to enter into a deeper engagement on the purpose and role of religious traditions in society The impasse facing these movements can only be overcome by new orientations as they look to the future This volume is not specifically on this problem However the collection of essays included in this volume although first given as lectures or written as articles traces past developments identifies the challenges these movements face today and suggests fresh theological moves to regain the initiatives to bring human communities closer together

Michael Amaladoss and the Quest for Indian Theology Enrico Beltramini,2024-09-17 Michael Amaladoss is one of the most important Indian born theologians in twentieth century Roman Catholicism yet no scholarly monograph has been devoted to his work This book is a contribution to an ongoing assessment of his thought and an investigation of his main theological concerns

Mark and its Subalterns David Joy,2014-12-18 This book offers a fresh appraisal of the identity and involvement of the subalterns in Mark arguing that the presence of the subalterns in Mark is a possible hermeneutical tool for re reading the Bible in a postcolonial context like India Part I paves the way for a creative discussion on Mark and its interpreters in the rest of the study by looking at the issue of the spread of Christianity and missionary attempts at biblical interpretations that did not take the life of the natives into account Many insights from the postcolonial situation can be found in the contextual interpretations such as liberation feminist postcolonial feminist and subaltern Part II considers colonial rule in Palestine and examines some Markan texts showing the potential role of the subalterns It is argued that due to colonial rule the native people suffered in terms of their identity religion and culture There was conflict between Galilee and Jerusalem mainly on religious issues and the victims of domination were the poor peasants and the artisans in Galilee A dialogue and interaction with the Markan milieu was possible in the research and so the marginal and subaltern groups were effectively understood by exegeting Mark

10 17 31 7 24 30 and 5 1 20 and showing the postcolonial issues such as the poor and their representation gender race hybridity class nationalism and purity respectively The subalterns were mainly associated with movements of resistance in Palestine The Markan proclamation of solidarity with those subalterns is significant The general conclusion presents the implications of this interpretation for a hermeneutical paradigm for a postcolonial context *True Confucians, Bold Christians* Antton Eiguren Iraola, 2007 In this book the author invites readers to look at the particular missionary method developed by a small group of Korean Christians during the last quarter of the 18th century That Korean missionary method of two hundred years ago is proposed as a model for mission in the third millennium Page 18 19 *The Routledge Companion to the Christian Church* Gerard Mannion, Lewis S. Mudge, 2007-12-12 Written by an international team of distinguished scholars this comprehensive book introduces students to the fundamental historical systematic moral and ecclesiological aspects of the study of the church as well as serving as a resource for scholars engaging in ecclesiological debates on a wide variety of issues **Interreligious Encounters** Michael Amaladoss, 2017-06-22 In these collected essays on the topics of religious diversity and pluralism Michael Amaladoss S J advances his contention that there is no discussion of dialogue or religious pluralism in the abstract but only in the context of life in a multi religious world **The Joy of Religious Pluralism** Phan, Peter C., 2017-02-16 A Tale of Two Theologians Ambrose Mong, 2017-03-31 In A Tale of Two Theologians Ambrose Mong's observant new work he examines the writings of the Peruvian theologian Gustavo Gutierrez and the Indian theologian Michael Amaladoss and gives fresh attention to their main concerns regarding evangelisation and the poor Why he asks is Gutierrez's liberation theology now accepted and celebrated by the Roman Catholic Church while Amaladoss's Asian theology with a liberation thrust is threatened with censorship Mong argues that the dwindling threat of Communism has made the Marxist overtones of Latin American liberation theology more palatable to the Catholic hierarchy while the challenge of religious pluralism in Asia is as complex and emotive as ever How can the Church learn to balance the need for dialogue between religions with their duty to proclaim the Gospel How can the Church inculturate itself in Asia while maintaining its identity Ambrose Mong tackles these questions with the shrewd clear eyed view of an active priest and scholar exploring the long troubled relationship the Church has with liberation theology and offering guidance for the future New Directions in Mission and Evangelization 2 James A. Scherer, 2015-03-24 The Challenges of Vatican II for an Authentic Indian Catholic Church Suhas Pereira, 2021 The Vatican II was an event of a new facelift for the entire edifice of the Catholic ecclesiology It called for the renewal in the universal Catholic Church This book deals with the question How can the Catholic Church in India accept the council's challenge for renewal and become truly Indian in its being and essence Undertaking a systematic examination of the post conciliar ecclesiological development in the Indian Catholic Church in its existential multi religious and multi cultural context the author attempts to develop an ecclesiological reflection for the Indian context **'Mission is a must'**, 2016-08-29 Introduction Frans Wijsen and Peter Nissen Mission is a Must A
