Making Cold Calls Easy Profit:

Play For Profit Christopher Dedeyan, Matthieu Dubreucq, 2024-03-26 What is one of the most important things someone can do to improve their success in the business world? Believe it or not, it's physical exercise. But why should someone turn to sports if they want to be more successful in business? And what if they've never been very physically active before and now have no idea where to start? Unlike other books about exercise, *Play for Profit* isn't a step-by-step guide on how to lose weight. Christopher Dedeyan and Matthieu Dubreucq instead promote the benefits of a healthy lifestyle and help the reader assess how sports and exercise can improve their business and even other aspects of their life. With a personable and friendly style, Christopher and Matthieu demonstrate that sports and fitness are great ways to learn important lessons that are applicable to the business world, such as learning from failure and managing a team toward success. Exercise makes your body and mind feel more energized and focused. Many successful businesspeople have worked physical activity into their weekly and even daily routines. Using examples ranging from personal anecdotes to famous and successful businesspeople, Christopher and Matthieu show us in *Play for Profit* that investing in your health will maximize your wealth.
