Making Love To The Minor Poets Of Chicago:

Making Love to the Minor Poets of Chicago James Conrad, 2000-03-09 Set against the vibrant backdrop of Chicago this is a story of science and poetry manipulation and intrigue and the lengths to which people will go for their passions The Yucca Mountain Project deep in the Nevada desert is the first planned long term nuclear storage facility The project is designed to contain nuclear waste for ten thousand years the amount of time it will take for the waste to no longer be radioactive It is an ambitious project especially in light of the fact that in this century alone we lacked the foresight to anticipate Y2K Given this daunting responsibility the project employs an artist a botanist and an architect to contribute visual warnings to the site in a manner decipherable to future generations Conrad imagines an influential poetry professor who insists that the project also include a poem a great poem an epic poem It is this poem that brings us to the center of an extended circle of minor poets who are continually upstaging back stabbing and falling in and out of love with one another Conrad s novel recalls another comic first work John Kennedy Toole s *A Confederacy of Dunces* Nashville Scene **American Secrets** José Liste-Noya, Eduardo Barros-Grela, 2011-09-16 Predicated upon the principles of political freedom cultural openness religious tolerance individual self reliance and ethnic diversity the United States of America has been tempted recurrently by the lures of the secret *American Secrets* explores this political historical and cultural phenomenon from many often surprisingly overlapping angles in these analyses of the literary and cultural uses and abuses of secrecy within a democratic culture Through analyses of diverse literary works and cultural manifestations from Mark Twain s anti imperialist prophecies to 9 11 conspiracy theories from the traumas of the Vietnam war to the homophobia of the American military establishment from the unresolved dilemmas of nuclear politics to the secret ecologies shunted aside by the exploitation of the environment from the questionings of national identity on the ethnic and trans sexual margins to the confessional modes of poetry and the poetics of the unspeakable and unrepresentable these essays reveal the politics within the poetics and indissociably the poetics fueling the politics of secrecy in its ambivalent deployment Secrecy often seems to be a question without an answer or an answer that either seems to beg the question or to be a question itself These essays address this paradox with their own questioning explorations In answering such questions the volume as a whole provides an illuminating overview of the pervasiveness of the secret and its modalities in American culture while also dealing specifically with the poetics of the secret in its various historically recurrent literary manifestations Literary Nevada Cheryll Glotfelty, 2016-06-01 Over 200 writings about Nevada with selections from Native American tales to contemporary writings on urban experience and environmental concerns The state of Nevada embodies paradox and contradiction home to one of the fastest growing cities in the nation and to isolated ranches scattered across a sparsely populated backcountry Nevada is a place where the lust for sudden wealth has prompted both wild mining booms and glittering casinos and where forbidding atomic test sites coexist with alluring tourist meccas The variety and distinctiveness of Nevada s landscape and peoples have inspired writers from

the beginning of immigrant contact with the region This contact has produced abundant literary wealth that includes the rich oral traditions of Native American peoples and an amazing spectrum of contemporary voices Literary Nevada is the first comprehensive literary anthology of Nevada It contains over 200 selections ranging from traditional Native American tales explorers and emigrants accounts and writing from the Comstock Lode and other mining boomtowns as well as compelling fiction poetry and essays from throughout the state s history There is work by well known Nevada writers such as Sarah Winnemucca Mark Twain and Robert Laxalt by established and emerging writers from all parts of the state and by some nonresident authors whose work illuminates important facets of the Nevada experience The book includes cowboy poetry travel writing accounts of nuclear Nevada narratives about rural life and urban life in Las Vegas and Reno poetry and fiction from the state s best contemporary writers and accounts of the special beauty of wild Nevada s mountains and deserts Editor Cheryll Glotfelty provides insightful introductions to each section and author The book also includes a photo gallery of selected Nevada writers and a generous list of suggested further readings Nevada has inspired an exceptionally rich panorama of fine writing and a dazzling array of literary voices The selections in Literary Nevada will engage and delight readers while revealing the complex and exciting diversity of the state s history people and life [The Advocate](#) ,2000-06-06

Regionalism and the Humanities Timothy R. Mahoney,Wendy J.
