Holman, 2014-02-03 Robert Holman is the quiet man among modern British dramatists But his new play is an outstanding work that sings with truth Michael Billington Guardian Rafts and Dreams While digging up the roots of a tree in the garden Neil Leo and Hetty uncover a vast underground lake which floods away the world With Leo at the tiller of his sawn away

Boll, 2013-10-18 How can war be represented on stage How does the theatre examine the structures leading to violence and war and explore their transformation of societies Springing from the discussion about New Wars in the age of globalisation this interdisciplinary study demonstrates how these New Wars bring forth new plays about war *The North East of England on Film and Television* James Leggott, 2021-06-28 This book analyses the representation of North East England in film and television It is a response to the way a number of important British films and programmes for example Get Carter 1971 Whatever Happened to the Likely Lads 1973 74 Our Friends in the North 1996 and Billy Elliot 2000 have used this particular setting to explore questions of class identity and history It argues for the significance and coherence of a North East corpus of film and television through a series of case studies relating to specific eras or types of representation These include regional writers working for television in the 1970s the achievements of the workshop movement in the 1980s and works produced within the genres of documentary crime drama comedy period drama and reality television The book discusses how the communities and landscapes of the region have been used to explore processes of cultural change and legacies of de industrialisation Whitaker's Shorts 2014: The Year in Review Bloomsbury Publishing, 2013-11-07 Now in its 146th edition Whitaker's Almanack is the definitive reference guide containing a comprehensive overview of every aspect of UK infrastructure and an excellent introduction to world politics Available only as ebooks Whitaker's Shorts are selected themed sections from Whitaker's Almanack 2014 portable and perfect for those with specific interests within the print edition Whitaker's Shorts 2014 The Year in Review includes a digest of the 2012 13 year's events in the UK and abroad and articles covering subjects as diverse as Archaeology Conservation Business and Finance Opera Dance Film and Weather There is also an A Z listing of all the results for the major sporting events from Alpine Skiing through to Fencing Football Horse Racing Polo and Tennis *Under The Blue Sky* David Eldridge, 2014-04-25 Sad single teachers get together Drink tequila get very pissed and reveal secrets and then stagger home at four in the morning with some dim light in your brain saying Shit Year seven first lesson David Eldridge's Under the Blue Sky premiered at the Royal Court Jerwood Theatre Upstairs London in September 2000 Methuen's Royal Court Writers Series was launched in 1981 to celebrate 25 years of the English Stage Company and 21 years since the publication of the first Methuen Modern Play Published to coincide with specific productions in the Jerwood Theatre Downstairs and the Jerwood Theatre Upstairs the series fulfils the dual role of programme and playscript *The Duchess (of Malfi)* Zinnie Harris, 2019-06-13 You should know I sing at parties I wear colourful dresses I am headstrong I won't wear my hair up because you say I should or do this because you prefer it in fact I might do the other

just to be contrary but I am utterly and always myself The Duchess is a young widow Her husband is dead she is free But her financial position sexual freedom and youth mean that she could be dangerous she could get to determine her own life That is if she isn't stopped first Terrified by her sudden power and its implications her brothers Ferdinand and The Cardinal seek to block The Duchess desire to re marry repress her agency and dismantle both her authority and spirit through any means necessary with horrifying results and bloody vengeance from the most unexpected of sources The Duchess of Malfi

premiered at the Royal Lyceum Theatre Edinburgh in May 2019 **A Thousand Stars Explode in the Sky** David Eldridge, Robert Holman, Simon Stephens, 2013-10-21 On a farm in the North East of England a family gathers Five brothers and four generations feature in an epic play about hope love fear and the very end of time A Thousand Stars Explode in the Sky is a refreshingly subtle and compassionate vision of the world on the edge of apocalypse Within a cosmological context the focus is on a single family their relations with each other and their unreconciled regrets soon to become permanent With an ensemble of strong engaging characters there are knotty realistic family dynamics and a palimpsest of recent family history The characters and dialogue are naturalistic but the serious themes are elucidated and alleviated with humour and quirky surreal touches The play represents a unique collaboration between three of the UK's pre eminent stage writers The ambition of the partnership is matched by the ambition of the play's sweeping scope Whilst the three voices collide they also ring out individually without sacrificing the piece's coherent wholeness and the play represents a rare fascinating study in stage collaboration *Voice Science, Acoustics, and Recording* David M.
