Under the Sky We Make Kimberly Nicholas PhD, 2021-03-23 Los Angeles Times bestseller It's warming. It's us. We're sure it's bad. But we can fix it. After speaking to the international public for close to fifteen years about sustainability, climate scientist Dr. Nicholas realized that concerned people were getting the wrong message about the climate crisis. Yes, companies and governments are hugely responsible for the mess we're in. But individuals CAN effect real significant and lasting change to solve this problem. Nicholas explores finding purpose in a warming world, combining her scientific expertise and her lived personal experience in a way that seems fresh and deeply urgent. Agonizing over the climate costs of visiting loved ones overseas, how to find low carbon love on Tinder, and even exploring her complicated family legacy involving supermarket turkeys. In her astonishing bestselling book *Under the Sky We Make*, Nicholas does for climate science what Michael Pollan did more than a decade ago for the food on our plate, offering a hopeful, clear-eyed and somehow also hilarious guide to effecting real change starting in our own lives. Saving ourselves from climate apocalypse will require radical shifts within each of us to effect real change in our society and culture. But it can be done. It requires, Dr. Nicholas argues, belief in our own agency and value alongside a deep understanding that no one will ever hand us power; we're going to have to seize it for ourselves.

You're Gonna Make It Daniel Fusco, 2022-09-13 Discover the grit you need to persevere through life's hard times with the resilience, honesty, and unshakeable joy of Jesus with the popular pastor and host of Hillsong Channel's *Real with Daniel Fusco* and *Jesus Is Real Radio*. *You're Gonna Make It* will give you the kind of resilience that doesn't just help you survive hardship but helps you bounce back even stronger. Levi Lusko, lead pastor of Fresh Life Church and bestselling author, *Most of us are just trying to get through the next twenty-four hours, let alone being ready to deal with the stress, anxiety, and suffering that arise when least expected. But it's possible to move from fear and worry to the positive anticipation life should hold. See, there's a way to survive the maddening chaos of this world, but it is only found in Jesus.* Pastor and author Daniel Fusco discovered this the hard way. He's experienced his share of loss, including the death of loved ones. Through diving into the Bible and deep times of prayer and reflection, Daniel has found a new closeness to Jesus and uncovered a way of resilience, perseverance, and grit. Jesus never promised a life of ease. He promised to be with us through everything. God can create good from all things, leading us into His promise of abundant life. We can persevere in hope. Right here. Right now. You can persevere in God's promise. Because you're gonna make it.
