

A photograph of a dirt road winding through a forest. The trees on either side have autumn-colored foliage in shades of orange, yellow, and brown. The road is light-colored and leads into the distance. The overall mood is peaceful and serene.

When you make peace with
yourself, the world will mirror
back that same level of peace.

What Makes You Happy Bible Study Participant's Guide Andy Stanley,2017-01-24 Everybody wants to be happy Everybody is on a happiness quest For many happiness is measured in moments Experiences It's elusive Unsustainable What about you What makes you happy Something comes to mind for each of us In this six session video Bible study pastor Andy Stanley examines the ways in which we tend to define happiness and explains how that definition influences the way we pursue it He reveals that happiness is about who not what and that happy people are at peace with God with others and with themselves He also shows how sin undermines peace because it separates us from God others and ourselves by substituting pleasure for fulfillment things for people images for intimacy and self expression for self control We are often tempted to believe that happiness comes from acquiring things but happiness is

actually an outcome of what we sow in our lives We can't acquire, consume or exercise our way to happiness but we may be able to serve and volunteer our way there In the end we find that if we live as if it's all about us we will never be happy Sessions include Nothing Plan for It Peace with God Happy Money Shoes You're Not Enough Designed for use with the What Makes You Happy DVD sold separately
