a settlement in the first place the kind of community that developed and the effect of the War on that community Apart from the normal problems connected with the establishment of any settlement the officials of the town of York were faced with the necessity of creating a worthy capital city for Upper Canada at a time when Kingston because of its pre eminence as the military and naval centre of the province and its commercial prosperity overshadowed all other settlements The book also illustrates the gradual integration into a corporate body of many diverse elements senior government officials discharged soldiers tradesmen labourers so that by 1815 the characteristics of modern Toronto were beginning to be evident in York This collection of documents and the editor s Introduction will provide the student of local history with a good deal of primary material and the general reader with an interesting account of the early years of the modern metropolis of Toronto Vol V Ontario Series Champlain Society **The Edinburgh Medical and Surgical Journal ...** ,1820 **Programs and Services** National Library of Medicine (U.S.),1981 Historic Fort York, 1793-1993 Carl Benn,1993-06-30 Fearing an American invasion John Graves Simcoe had Fort York built the first step in the founding of modern Toronto **Catalogue of the Library of the Royal Medical and Chirurgical Society of London ...** Royal Medical and Chirurgical Society of London.
