Kauffman,1978 *The Ministry of Healing* Ellen White,2025-07-19 **The Ministry of Healing** A. J. Gordon,2020-02-18
Classic Christian author A J Gordon expresses curiosity about whether the healing miracles from the Middle Ages up to his day can be verified as a continuation of Christ s Spirit in the church Through deep study and inquiry of the established history Gordon concludes that the power to heal followers remains with the church there was no special era of miracle working God and His powers remain the same in the modern era as they have right through human history For Gordon God s intervention in the suffering and sickness of His followers is frequent the will of the Lord however is variable but He will not prolong the pain of someone whose illness is too great Throughout this text A J Gordon makes his argument from a biblical perspective citing passages in both the Old and New Testament that support the continuation of spiritual gifts Quoting testimonies of believers across the ages he offers a convincing argument that the church ministry is to this day one of healing

Sub-Committee on the Church's Ministry of Healing,1963 **The Ministry of Healing** JASPER. FOXX, Ellen White,2025-02-26 This is a FAITHFUL and MODERN translation of the book Ministry of Healing by Ellen G White into contemporary English language Features the health message proclaimed by Ellen White to the Seventh day Adventist church This book is a faithful translation perfect for studying and understanding one of Ellen White s most misunderstood and powerful works One day while sitting in a cold dining room at a church in Eastern Washington I was part of a study group focused on The Ministry of Healing We took turns reading through the main points of the book discussing how we could adapt its teachings into our lives The only problem was that the language of the book felt too archaic for many of us to fully grasp Despite having read it at least three times myself I wondered if others might benefit from a version that was easier to understand So I decided to take matters into my own hands I translated the book into more modern natural sounding language The Ministry of Healing was written in 1905 and since then language has evolved significantly It can be challenging and time consuming to engage with a book whose language feels foreign As a result the author s message can become lost or misunderstood Since The Ministry of

Healing was written before 1928 it now belongs to the public domain I realized that by translating this book I could make it more accessible to Adventists and others around the world And so that s what I ve done Modern science has advanced considerably since Ellen G White s time As part of this edition I ve included notes within the chapters to highlight how recent discoveries align with or sometimes challenge the ideas presented in the original text I believe this will serve as a valuable study guide for those who wish to explore one of Ellen G White s most influential and impactful works I hope you find it meaningful and insightful
