The Miracle of the Jews Robert H. Schram, 2022-09-01 A Jew who does not believe in miracles is not a realist David Ben Gurion All things are mortal but the Jew All other forces pass but he remains What is the secret of his immortality Mark Twain The Jew is the emblem of eternity He who neither slaughter nor torture of thousands of years could destroy he who neither fire nor sword nor Inquisition was able to wipe off the face of the earth He who was the first to produce the Oracles of God He who has been for so long the Guardian of Prophecy and has transmitted it to the rest of the world Such a nation cannot be destroyed The Jew is as everlasting as Eternity itself Leo Nikolaivitch Tolstoy As civilization extended they by one means or another became most wonderfully dispersed through all countries and at this day they are almost literally everywhere the most conspicuous and in the eye of reason and religion the most respectable nation on the face of the earth Joseph Priestly The Hebrews have done more to civilize men than any other nation President John Adams

Jewish Curriculum and Resource Guide for the Armed Forces: Resource guide update (1984) ,1985 *The Gospel Sounds Like the Witch's Spell* Kiyoshi Umeya,2022-02-10 The Gospel Sounds Like the Witch s Spell is a highly detailed ethnography about how the Jopadhola in eastern Uganda talk about interpret and cope with death illness and other misfortunes The book presents a provocative discussion that critiques the idea of the revival of witchcraft in the neo liberalised contemporary world as represented by the modernity model of witchcraft and attempts to formulate a spiderweb model that connects witchcraft to contemporary society in a more complex manner The book is a unique ethnography of the collective memory of indigenous knowledge and local historicity The author moves the reader from curse to misfortune to fortune as he plots the notion of curse as deeply embedded in the Adhola way of life He weaves between culture religion state and modernity with lived experience Did the concept of witchcraft unwittingly endear the Adhola to the Christian way of life because of the presence of the notion of curse in the Bible or make them less susceptible to the vagaries of modernity compared to their neighbours These are some of the questions that the author puts on the table in a deeply reflective manner The phenomenon of witchcraft is given an intriguing angle that invites the reader to reexamine earlier anthropological writings on the subject among African peoples Can a Nation Be Born in a Day? Tan Nget Hong, Before she goes into labour she gives birth before the pains come upon her she delivers a son Who has ever heard of such things Who has ever seen things like this Can a nation be born in a day or a nation be brought forth in a moment Yet no sooner is Zion in labour than she gives birth to her children Isaiah 66 7 8 Can a nation really be born in a day For almost two thousand years Christians struggled to know how to interpret the numerous references to the restoration of Israel in the prophetic books of Isaiah Jeremiah and Ezekiel including this passage from Isaiah 66 For hundreds and hundreds of years since the destruction of Jerusalem by the Romans the Jewish people were scattered all over the world and with every passing century it seemed less and less likely that the nation of Israel would be restored In order to make sense of those promises to the nation of Israel that seemed to have disappeared for good theologians began to suggest that all the references and promises of restoration of Israel should be transferred to the church and Isaiah 66 7 8 has been interpreted as the rapid spread of the gospel and the

birth of the Church after Pentecost in the time of the apostles But on May 14th 1948 a great miracle happened Just as the Jewish people were still reeling from the horror of the Holocaust where two thirds of European Jewry had been gassed or gunned down en masse the Jews who returned to the Land of Israel were able to declare the establishment of Israel as a sovereign nation 2600 years after the destruction of the Kingdom of Judah On the same day the United States government recognized Israel s sovereignty Only hours beforehand the British control of the land ceased formerly modern Israel was literally born in a single day fulfilling the prophecy of Isaiah 66 7 8 The restoration of Israel is also the fulfilment of the prophecies in Ezekiel 37 In a vision Ezekiel was brought by the Spirit of the Lord in the middle of a valley full of dry bones The Lord asked Ezekiel Son of man can these bones live Ezekiel said Sovereign Lord you alone know And then the Lord told Ezekiel to prophesy to the bones that the Lord would make His breath enter the bones and the bones will come to life And as Ezekiel was prophesying he saw the bones came together and then tendons and flesh appeared on them and skin covered them Then the Lord spoke to Ezekiel again to prophesy to the breath to come into those slain and as Ezekiel prophesied as the Lord commanded him breath entered them and they came to life and stood up on their feet And then the Lord said These bones are the people of Israel They say Our bones are dried up and our hope is gone we are cut off But the Sovereign Lord says My people I am going to open the graves and bring you up from them I will bring you back to the land of Israel Then you my people will know that I am the Lord when I open your graves and bring you up from them I will put my Spirit in you and you will live and I will settle you in your own land The modern day restoration of Israel is indeed like the reviving of the dry bones Humanly speaking it is impossible Yet the restoration of the nation of Israel and the return of the Jews to the land of Israel as prophesied in this passage really came to pass in our generation To understand the significance of the miraculous restoration of Israel we need to know the entire background of the fall of ancient Israel The fall of ancient Kingdom of Israel and the restoration of Israel as a sovereign nation 3 500 years ago the Prophet Moses led the Israelites out of Egypt and then entered the promised land of Canaan today s Land of Israel to establish the nation of Israel During the reign of King David in 10th century BC Israel was the most powerful country in the Middle East But after King David s death the Israelites began to turn away from God After the death King Solomon the successor of King David Israel was further divided into the Northern Kingdom of Israel and the Southern Kingdom of Judah The Northern Kingdom was destroyed by the Assyrian in 721 BC and the Southern Kingdom by the Babylonian in 586 BC With the fall of the Kingdom of Judah Jerusalem was burned to the ground and the survived Jews were exiled to Babylon this was the first exile of the Jews After 70 years of Babylonian captivity God moved the heart of the Persian King that ruled Babylon and allowed the exiled Jews to return to the Land of Israel to rebuild their homeland But apart from a brief period during which the Jews managed to establish their own Hasmonean Kingdom the land of Israel were mostly ruled by foreigner conquerors In Jesus day the Land of Israel was a province of the Roman Empire In AD 66 the Jews rebelled against the Roman authority but the insurrection was quickly and bloodily

suppressed by the Roman Legions In AD 70 the Romans captured Jerusalem the Jews were slaughtered and the city of Jerusalem including its magnificent temple was once again razed to the ground In this Jewish Roman wars more than a million Jews were killed and a hundred thousand were taken into slavery and the rest were scattered to every corners of the world This was the second exile of the Jews And for the past two thousand years very few Jews remained in the Land of Israel the bulk of the Jewry were in exile and in most countries they were oppressed persecuted and discriminated against After the 7th century the Land of Israel was ruled by the Arab Muslim regime and then by the Ottoman Turks until the First World War Throughout this period the Jews were not welcomed to settle in the land of the ancestors By 19th century there were less than 30 000 Jews in the land living among hundreds of thousands of Arabs By this time the nation of Israel was like dry bones without any hope Ezekiel 37 11 Yet according to Biblical prophesies one day Israel will be restored and will play an important role in God s plan for the last days For example the prophet Micah prophesied The day for building your walls will come the day for extending your boundaries In that day people will come to you from Assyria and the cities of Egypt even from Egypt to the Euphrates and from sea to sea and from mountain to mountain The earth will become desolate because of its inhabitants as the result of their deeds Shepherd your people with your staff the flock of your inheritance which lives by itself in a forest in fertile pasturelands Let them feed in Bashan and Gilead as in days long ago As in the days when you came out of Egypt I will show them my wonders Nations will see and be ashamed deprived of all their power They will put their hands over their mouths and their ears will become deaf They will lick dust like a snake like creatures that crawl on the ground They will come trembling out of their dens they will turn in fear to the Lord our God and will be afraid of you Micah 7 11 16 On May 14th 1948 this prophetic words were fulfilled With the ending of the British Mandatory rule over Palestine and as the British troops completed their withdrawal from the land the leader of Jewish Agency David Ben Gurion declared the establishment of the sovereign state of Israel in Tel Aviv However at that time few in the world believed Israel could survive in the ensuing Israel Arab war Could 600 000 Jews with 30 000 lightly armed soldiers survived the attack of the well equipped armed forces from the surrounding seven Arab nations The Arab coalition was very confident of a quick victory They urged the Arabs in Palestine to quickly leave the war zone and promised that in two weeks or so you will be able to return to your home and by then there would be not even one living Jews in Palestine They promised a massacre of the Palestinian Jews Not only did the Arabs think so but the British and American military experts at the time also shared the same view They all believed that the lightly armed Israel army was no match for the Arab armies equipped with heavy artillery tanks and aircraft In fact on the eve of Israel s independence the U S Secretary of State General Marshall warned the Jewish representatives in the United States that in the coming military conflict with the Arabs the Israelis would surely be defeated and if the Jews insists on declaring independence they should not expect military assistance of the U S Marshal Montgomery the famous British general in World War II believed that the Jews would suffer a terrible defeat this time

General Gordon McMillan the Commander in chief of the British Forces in Palestine also said that the Arab coalition would be able to destroy the Jewish forces effortlessly However the fact is although the Jews paid a great price in the war of Independence of Israel the Arab coalition forces besieging Israel were eventually routed Instead of being destroyed the newly formed State of Israel expanded its territory in the war and in the years that followed hundreds of thousands of Jews poured into the new nation from all directions The prophecy of the prophet Micah more than two thousand years ago was fulfilled Nations will see and be ashamed deprived of all their power They will put their hands over their mouths and their ears will become deaf Not only the military and political leaders of the Arab League were frightened and humiliated the British and American generals had literally put their hands over their mouths as they saw with the own eyes the total defeat of the supposedly much more powerful Arab armies To be fair from the perspective of military strength and strategic analysis the opinions of these military experts were correct It is just that this war of independence of Israel was not just the war between the Jews and the Arabs The Arabs were not only fighting the Jews but their real opponent was the God of Israel the God who created the heavens and the earth The theme of this book entitled *Can a Nation be born in a Day* is about how God restored the nation of Israel in the last days and the roles that Israel will play in God's plan for the end times This book was written originally in Chinese with the title *The Iron Tree Has Bloomed* The iron tree blooms is a Chinese idiom used to describe a highly improbable occurrence Indeed a careful study of the history of the restoration of the nation of Israel which is the main subject of this book shows that the establishment of the modern state of Israel is essentially impossible without the interventions of the Living God And this book challenges you to think how are you going to respond to the fulfilment of God's prophecies in our generation in this last day

The Tapestry of Israel Neil W. Taylor, 2013-04 Israel is not just another nation The history of Israel is not merely a collection of coincidences God is not finished with the Jews This tiny nation that is perpetually ensnared in conflict and persecution still holds a key place in God's purpose for mankind and has not been replaced by the Christian Church The *Tapestry of Israel* explores a number of trends or threads that make up the history of this ancient nation These threads prove Israel's modern relevance and demand a response to the Jews increasing need for support as the pressure mounts to exchange the Holy Land for the illusion of peace Christians will learn that the Jews are still God's chosen people even today and that heavenly intervention and miracles are common occurrences in modern day Israel Corrupt theology and deceptive theories are exposed Discover how Satan seeks to rob Israel of her covenant with God and bring the destruction of Israel through anti Zionism and anti Semitism Learn what the Christian Church's responsibility is in its support of Israel and what the supportive Christian should pray on behalf of Israel

The Jewish War Tova Reich, 2012-10-24 It is sometime in the near future and the Israeli Army is about to descend upon a band of militant settlers who have proclaimed the secessionist Kingdom of Judea and Samaria So begins this timely and brilliantly satiric novel an all too real story of a modern day Masada The Jewish War is most particularly the story of Yehudi HaGoel formerly Jerry Goldberg of the Bronx the fiery and charismatic king of an extreme Zionist sect His divine mission to hasten the coming of the Messiah and bring about the redemption As we follow him from his youth in New York City and the Catskills to his hilarious illicit passage to Israel during the Six Day War and through his campaign to claim the sacred city of Hebron the burial place of the Jewish Patriarchs and Matriarchs we enter into a complex and troubled world rife with ancient passions It is a world peopled with irreconcilables religious Zionists ultra Orthodox anti Zionists Christian fundamentalists Arab nationalists secular Israelis American supporters and implacable military officers Among these last is General Uri Lapidot whose career is uncannily linked to HaGoel's and who is charged with the grim and unwanted task of leading the Israeli army against the secessionist kingdom in the final showdown By turns comic and tragic The Jewish War is a stunning account of the struggle between political realities and historical vision between the hope for peace and a fierce commitment to sacred eternal truth Written with deep authority and intense power it brings to life haunting and universally resonant
