Miss Marjoribanks Margaret Oliphant, 2016-12-18 Excerpt from Chapter I Miss Marjoribanks lost her mother when she was only fifteen and when to add to the misfortune she was absent at school and could not have it in her power to soothe her dear mamma's last moments as she herself said Words are sometimes very poor exponents of such an event but it happens now and then on the other hand that a plain intimation expresses too much and suggests emotion and suffering which in reality have but little if any existence Mrs Marjoribanks poor lady had been an invalid for many years she had grown a little peevish in her loneliness not feeling herself of much account in this world There are some rare natures that are content to acquiesce in the general neglect and forget themselves when they find themselves forgotten but it is unfortunately much more usual to take the plan adopted by Mrs Marjoribanks who devoted all her powers during the last ten years of her life to the solacement and care of that poor self which other people neglected The consequence was that when she disappeared from her sofa except for the mere physical fact that she was no longer there no one except her maid whose occupation was gone could have found out much difference Her husband it is true who had somewhere hidden deep in some secret corner of his physical organisation the remains of a heart experienced a certain sentiment of sadness when he re entered the house from which she had gone away for ever

Miss Marjoribanks Joseph Bristow, 2014 *Chronicles of Carlingford and Miss Marjoribanks* Margaret O. W. Oliphant, 2004-11-26 From the moment of her mother's death Lucilla Marjoriebanks knows her vocation a conviction based on the influence of morally uplifting novels and the sublime confidence in herself is the first necessity to a woman on a mission The usurping of Dr Marjoriebanks as master of his own table and the assuaging of Nancy his formidable housekeeper are but small steps in Lucilla's scheme for she intends nothing less than the transformation of Carlingford society Lucilla's evenings become the talk for this quiet country town not only are they an essential source of gossip and entertainment for old friends and neighbours of Grange Lane but they are also the setting for some of Lucilla's most startling accomplishments For it is on these occasions under the watchful eye and guidance of this magnificent young woman that reputations are made and lost and romances are pursued and undone
