Conversations with May Sarton May Sarton,1991 With increasing candor and openness May Sarton s conversations have given an intimate view of her honest courageous inner life Best known to her many readers as a novelist and keeper of journals Sarton sees herself pre eminently as a poet In the interviews collected here she speaks forthrightly about herself her independence and her writing Although born in Belgium Sarton is quintessentially American in her choice of solitude on which her personal well being and writing depend She is a modernist who has defined herself as an artist with the occasionally painful recognition that all else must finally be subordinated to her writing Her journal *After the Stroke* makes clear that when she cannot write she stands on the edge of the abyss of nonbeing These interviews offer Sarton s readers the model of a woman who has supported herself as a writer of achievement who has made her way without the comforts of academic tenure grants or bestseller listings *Reviews* Young Adults Cooperative Book Review Group of Massachusetts,1966 **The Book Buyer's Guide** ,1966

Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
