Missed Connections 1-3 Jeffe Kennedy, 2018-02-01 The first three books of the Missed Connections romance series now combined into a single volume Last Dance It was five minutes His hand on the small of her back His eyes watching like there was no one else in the crowded club His body a breath away from hers A kiss full of heat and need and promise But then the stranger disappears And Charlotte Emory can't forget him Worse according to the dating Rules she and her four best friends swear by all she can do is post an ad online No names no numbers Just a missed connection and the hope he'll meet her and see where another dance leads Except Mr Mystery has his game too and he isn't playing for only one night He tempts Charley into a daring exploration of power lust and suspense where even the most innocent requests sound indecent and the indecent ones make her burn all night If she plays by the Rules they'll never get past teasing each other But rules were made to be broken With a Prince The guy on the train is just Marcia's type A face like an angel a scent like raw honey treats her like he has a white horse and suit of armor stowed in his messenger bag Perfect Too perfect No guy like that would be interested in prim awkward Marcia notorious goody goody and a twentysomething still clutching her v card She's been following rules her whole life but somewhere the game changed And left her behind So when she meets Damien with his rumbling motorbike gleaming piercings and wicked imagination she doesn't care that he's the exact opposite of her type Her type would never dare her into such shocking fiendishly inventive adventures and she can't wait to say yes Yes to whiskey in the middle of a workday Yes to letting her hands roam over his body from the back of his bike Yes to a fling full of wild abandon and absolutely no long term potential Except Damien's not just the straightforward bad boy she imagined And as they burn through Chicago's nights Marcia can't shake the fear that this happiness is just another fairy tale Since Last Christmas This Christmas Amy is getting what she wants Her career in fashion design is taking off Her boyfriend Brad is the dictionary definition of a catch Soon he'll buy the

massive diamond that makes it official she's nobody's hard luck case anymore Her old friend Jon ought to understand A decade ago he was the other scholarship kid with a crap family He got her quirks her insecurities her rules her passions Now he swears she's not really happy and she's forgotten something that proves it When Amy throws away everything she's worked for with one impulsive impossible word she's horrified she's proved Jon right and strangely secretly excited That he knows more than the past she wants to forget he knows what heats her up what makes her heart race But remembering what she's forgotten since last Christmas might mean breaking all the rules Missed Connections Elaine Ford,1984 Missed Connections Sophie Blackall,2011-09-22 In her first book for adults the artist Sophie Blackall creates a deeply felt poignant book about love a book that captures the mystery the yearning at times the cosmic humor behind the what if of a missed connection Like a message in a bottle a missed connection classified usually posted on a website is an attempt however far fetched by one stranger to reach another on the strength of a remembered glance smile or blue hat The anonymous messages are hopeful and hopeless funny and sad Ms Blackall award winning illustrator of Ruby's Wish and Big Red Lollipop has turned some of the most evocative or hilarious of them into exquisite paintings Missed Connections is a collection of illustrated love stories There's We Shared a Bear Suit If Not for Your Noisy Tambourine Hairy Bearded Swimmer Each is told in the shorthand of a missed connection and then illustrated in Chinese ink and watercolor The paintings are extraordinary delicate yet full of feeling each springing from one little detail of the post into a fully imagined world Each brings the voyeuristic pleasure of watching love at first sight and the pleasure of watching an artist discover a fresh new way to tell a story And not all the connections are missed Hidden in the book are three pieces that conjure up the magic of love found
