Missing from Action Weldon M. Hardenbrook, 1987 Whether Dad's absence stems from divorce passive withdrawal or his never having been a permanent part of the household fatherless families number in the millions The result imbalanced family lives and children especially boys who may grow up with the same devil may care attitudes because of the lack of a male role model Weldon Hardenbrook claims that men have lost their way to true manhood and thrown responsibility to the wind Thus women have had to take over as disciplinarians and breadwinners and serve as both mother and father to their children When this happens warns Hardenbrook it threatens the stability of an entire society Dad's disappearance is exacting a disastrous toll on those around him What can today's family do How can men regain their roles as leaders in home church and society Hasn't Dad been missing long enough Hardenbrook gives answers in *Missing from Action* Jacket flap

Recovering Biblical Manhood and Womanhood (Revised Edition) John Piper, Wayne Grudem, 2021-01-11 A Guide to Navigate Evangelical Feminism In a society where gender roles are a hot button topic the church is not immune to the controversy In fact the church has wrestled with varying degrees of evangelical feminism for decades As evangelical feminism has crept into the church time trusted resources like *Recovering Biblical Manhood and Womanhood* help remind Christians of what the Bible has to say In this edition of the award winning best seller more than 20 influential men and women such as John Piper Wayne Grudem D A Carson and Elisabeth Elliot offer thought provoking essays responding to the challenge egalitarianism poses to life in the church and in the home Covering topics like role distinctions in the church how biblical manhood and womanhood should work out in practice and women in the history of the church this helpful resource will help readers learn to orient their beliefs with God's unchanging word in an ever changing culture *Running on Empty* Arron Chambers, 2005 For anyone who needs a fill up this book outlines 21 qualities for living life to the fullest based on the Gospel of John **Tender Warrior** Stu Weber, 2009-05-20 A revised and updated edition of Stu Weber's bestseller that paints a dramatic and compelling picture of balanced manhood according to God's vision The definition of manhood itself is obscured by a culture in moral free fall But this book cuts through the fog and defines a powerful blueprint for being the man the Tender Warrior that God desires for you and your family Written in a warm personal style Weber presents the characteristics of tender warriors including learning to speak the language of women watching out for what lies ahead and keeping commitments in an upfront straightforward style that challenges readers to realize God's plan for men Stu Weber's now classic teaching on a man's vigilance staying power and consideration for the women in his life will move you to pursue the man you were created to be Countering the Claims of Evangelical Feminism Wayne Grudem, 2010-05-19 This is the most thorough balanced and biblically accurate treatment of feminism and the Bible I have seen Stu Weber Evangelical feminists boldly assert that male and female roles in the church are interchangeable Society reflects the argument But what does the Bible have to say Wayne Grudem offers more than forty biblical responses to the most crucial questions on this topic

showing God's equal value in men and women and why their roles in the church are complementary not interchangeable This to the point handbook is a valuable resource enabling every Christian to grasp the issues including What the Bible says about the roles of men and women in marriage Women in the church and in church leadership Theology and the concepts of equality fairness and justice Claims that a complementarian view is harmful No one will be able to deny the cumulative strength of the case this author makes J I Packer After the Bible I cannot imagine a more useful book for finding reliable help in understanding God's will for manhood and womanhood in the church and the home John Piper *Christianity in America* G. Wright Doyle, 2013-07-17 Was America founded as a Christian nation What role has the Christian faith of many of its leaders played in the course of its history How has Christianity affected American culture and society This trenchant critique of the role of Christianity in American history highlights both the ways in which Christians have made many valuable contributions as salt and light and how they have caused a great deal of damage by trying to be savior and lord Believers in Christ have built one of the most Christianized countries in the world with benefits for millions They have also nurtured messianic aspirations that have spawned disasters for themselves and other countries Generous in praise for dedicated believers who have reflected the character of Christ the book is also unsparing in criticism of Christians who have sometimes with the best intentions failed to act wisely In short the reader will be encouraged by the many triumphs of Christianity in America and sobered by its tragedy *Together Again* Betty Steele, 1991-03-03 In this lively book Betty Steele argues that feminism has had its day that men and women once again are drawing towards one another seeking new understanding and reconciliation She writes that men and women today are admitting that they are looking for love and sex that spring from friendship a slow growth of trust and an affinity of the spirit which together can lead to a lifetime commitment Meanwhile mothers are realizing that motherhood on the run is a shabby excuse for the real thing that one hour or so a day of quality time with their children is not enough and is shortchanging the next generation Beyond its incisive analysis and documentation *Together Again* offers hope that bridges can be built between the sexes towards a happier healthier society in the 1990s **The Theory of Christian Psychology** Eva Klostreich, 2008-07-17 The Theory of Christian Psychology comes from the worldview that sees humanity as the object of a love relationship with Jesus Christ Parallel to Buddhist forms of Psychology The Theory of Christian Psychology meets the worldwide Christian population need for its own Psychology The Theory of Christian Psychology presents a flexible foundation addressing personality with full humanity dimension integrating principles of clinical psychology found in Psychoanalytic Psychodynamic Psychology Soundly Biblical and non denominational it focuses on key precepts that bind Christianity together The Theory of Christian Psychology bridges clinical psychology and theology in an intersection of power accessibility Psychology has been culture alien to Christianity I have been asked to leave churches who only need God when they discovered I was a psychologist and criticized by others who only need psychology Sound psychological principles are inherent throughout the Bible There is no dichotomy necessary We just

need to speak the same language to clearly see the intersection Issues addressed in The Theory of Christian Psychology carry relevancy for law and education Her first book Dr Klostreich plans to continue to write and speak She is initiating The Institute for Christian Psychology to offer seminars training certification and ongoing research Kingdom Leadership Institute Manual Rusty Lee Thomas,2009-09 Life is not a playground It is a war zone a clash of worldviews competing for the souls of men and the destiny of nations Fundamentally the crisis of our time is one of leadership The KLI Manual Raising Up Leaders a Time Like This Demands is a spiritual field manual designed to train Christian leaders who will not shrink back in the day of battle Are you concerned for this generation adrift on a sea of turmoil with no purpose vision or sense of destiny Do you yearn for God to replace their apathy lethargy and indifference with courage vision and a clarion call to vital service for King Jesus The KLI Manual Raising Up Leaders a Time Like This Demands will give you hope for a godly future Rusty Thomas's passionate voice cries in the wilderness of America His message carries a clarion call that challenges our young to advance the Christian faith and the liberty it secures for our nation William J Federer American Minute Bestselling Author America's God and Country Encyclopedia of Quotations **God at Center** Joe LoMusio,2021-08-27 Frustrated and fed up at trying to live your life by the list You know it is that corporate world model of priority keeping which is so ingrained in our culture something first then something second and then something else third and so on God at Center provides the challenge to embrace a biblical paradigm for priority keeping which does not follow the world but the word Is there really an alternative to putting God first in our lives Yes there is And it is a more biblical paradigm one that has God at the center of our lives With God in his rightful place in your life and applying a fuller understanding of the Great Commandment which is in and of itself a priority keeping passage you will embrace a lifestyle of seeking to love God with all your heart soul and strength and to love your neighbor as yourself You will finally make sense of who you are what God wants you to know and what you can do about it **The Pauline Doctrine of Male Headship** James E. Bordwine,2009-05-01 I am not aware of a comprehensive volume on the Pauline Doctrine of Male Headship authored by an active pastor who must live with the practical applications of that ancient and ever valid teaching Dr Bordwine an active pastor thus serves the Christian community by providing a book which both interacts so well and widely with differing opinions and which also clearly states the meaning of the biblical text and its significance for the church of this age and the days that follow I am therefore very thankful for its publication and heartily commend it George W Knight III President The Council on Biblical Manhood and Womanhood *Point Man, Revised and Updated* Steve Farrar,2022-04-26 The bestselling guide for Christian men who want to lead their families well is now revised and updated to help fathers and husbands navigate the complexities of today's challenges Most men want to be strong spiritual leaders of their families They just don't know how because they've never seen it modeled That's why Steve Farrar wrote Point Man thirty years ago With more than half a million copies sold it's the go to resource for how to faithfully lead and love your family walk boldly through challenging seasons of marriage and

A Molinist-Anabaptist Systematic Theology Kirk R. MacGregor, 2007 As the first systematic theology of its kind the ecumenical construction synthesizes the strengths of what are typically considered two disparate branches of Christianity namely Roman Catholicism and Anabaptism Focusing on the celebrated Jesuit neo Scholastic theologian Luis de Molina 1535-1600 and the evangelical peace communities from the early modern period onward this system integrates the best in Catholic philosophical theology with the best historical implementations of the Free Church ecclesiological tradition In doing so this progressive doctrinal edifice furnishes provocative new answers to perennial quandaries Included in this discussion are the polarity between sovereign predestination and libertarian freedom the interaction between omniscience and God's changing his mind and the existence of gratuitous evil This system breaks ground in the realm of practical theology by proposing an antithetical relationship between church discipline and the sacraments While avoiding the either/or debate between egalitarianism and complementarianism this theology demonstrates exegetically that women should not be restricted from holding any leadership position within the church Drawing together these dialectical and Scriptural threads this book advocates a social ethic that exhorts Christians to display extreme reluctance on matters of war and to exercise discernment toward political agendas by measuring them against the Sermon on the Mount

The Church Impotent Leon J. Podles, 1999 The current preoccupation with the role of women in the church obscures the more serious problem of the perennial absence of men This provocative book argues that Western churches have become women's clubs that the emasculation of Christianity is dangerous for the church and society and that a masculine presence can and must be restored After documenting the highly feminized state of Western Christianity Dr Podles identifies the masculine traits that once

characterized the Christian life but are now commonly considered incompatible with it. He contends that though masculinity has been marginalized within Christianity it cannot be expunged from human society. If detached from Christianity it reappears as a substitute religion with unwholesome and even horrific consequences. The church too is diminished by its emasculation. Dr. Podles concludes by considering how Christianity's virility might be restored. In the otherwise stale and overworked field of gender studies, *The Church Impotent* is the only book to confront the lopsidedly feminine cast of modern Christianity with a profound analysis of its historical and sociological roots.
