**Mission in Christ's Way** Lesslie Newbigin, 1987-01-01

**The Mission of Preaching** Patrick W. T. Johnson, 2015-02-25

We hear plenty of discussion about missional theology missional leadership and missional church planting But what about missional preaching In this groundbreaking work Patrick W T Johnson develops a new missional homiletic to aid preachers in their witness to the gospel of Jesus Christ in this post Christendom world

**Called to Witness** Darrell L. Guder, 2015-09-06

Distillation of crucial issues for the church by one of the leading voices in missional theology Since the publication of the groundbreaking volume *Missional Church* in 1998 there has been wide ranging engagement with the theme of the missional church One of the leading voices in the missional church conversation Darrell Guder here lays out basic theological issues that must be addressed for the church to serve God faithfully as Christ s witnessing people Guder argues that there are major consequences for every classical theological locus if the fundamental claims of the missional church discussion are acknowledged In *Called to Witness* he delves into these consequences saying that we need to keep doing missional theology until it is possible to leave off the missional scaffolding because after all mission defines the very essence and calling of the church

*Mission in Marginal Places: The Praxis* Michael Pears, Paul Cloke, 2016-09-01 The second book in the series focuses on participation and practice and discusses a range of ways in which Kingdom centred mission can be embedded in the actually existing realms of activity and need in marginal places The book explores five different realms of practice each presenting opportunities for innovative expressions of incarnational attentiveness to marginalized communities and people It seeks to inspire prayerful and discerning activity that tunes into what Jesus is doing in local places rather than providing any kind of off the shelf checklist of prefigured mission tactics It challenges readers to take their faith praxis beyond orthodox congregational settings and out into the everyday realms of life in marginal places

*John Oman* Adam Hood, 2014-07-08 A volume of significant contributions to our understanding of John Oman With an impressive list of contributors Adam Hood Alan Sell Fleur Houston David Thompson Eric McKimmon Stephan Bevans John Hick John Nightingale and Ashok Chaudari the volume is unique in a number of ways It provides a more detailed historical account of Omans life and work than that offered before often drawing on primary sources

*The Bond of Peace* Graham Tomlin, Nathan Eddy, 2021-08-19 Churches vary a great deal but can we see past all their differences to what underlies them Generous orthodoxy is a phrase that describes a Christianity both broad and deep rooted in the historic creeds and embracing different expressions of Christian faith *The Bond of Peace* is a ground breaking creative and practical exploration of what generous orthodoxy really means and how expressing it might bring about a sense of unity in the church that is badly needed in our fractured and polarised world Drawing together leading theologians from the UK and the USA including David Ford Katherine Sonderegger Willie Jennings Tom Greggs JKA Smith and Jane Williams *The Bond of Peace* offers reflections on how generous orthodoxy can be expressed through everything from worship and preaching to biblical theology the arts and more Based around a series of lectures held

at St Mellitus College and sponsored by the McDonald Agape Foundation this timely book is essential reading for anyone interested in how the Christian Church can bridge the gap between denominations to negotiate the challenges of our 21st century world in a united manner It will leave you not only with a deeper understanding of generous orthodoxy but the practical confidence to celebrate and embrace the differences in Christian denominations so we can all live together more joyfully through the transforming and renewing work of the Holy Spirit *The Incarnation and the Church's Witness* Darrell L. Guder, 2005-09-28 For several years argues Guder contemporary Christian churches have often thought of their mission efforts as simply one more program of the church In addition outsiders have rightly criticized Christian mission efforts as exercises in cultural imperialism In this provocative book Guder argues that the incarnation of God in Jesus provides the foundational model for the practice of Christian missions in the world today The incarnation is the culmination of God's activity and presence in the world says Guder for in this event God initiates the healing of a broken world Using literary historical and social approaches to scripture Guder claims the contemporary church should return to an incarnational mission in which the practice of Christian witness is shaped by the life ministry suffering death and resurrection of Jesus

**Theological Ethics** W. Ross Hastings, 2021-02-02 Be Prepared to Think Theologically through Today's Most Pressing Ethical and Moral Issues In *Theological Ethics* theologian pastor and ethicist W Ross Hastings gives pastors ministry leaders and students a guide designed to equip them to think deeply and theologically about the moral formation of persons in our communities about ethical inquiry and action and about the tone and content of our engagement in the public square The book presents a biblical perspective and a gospel centered framework for thinking about complex contemporary issues in ways that are life giving and that will lead readers into greater flourishing as human persons in community This book is distinctive in presenting A framework for theological ethics that is robustly theological and Trinitarian Ethics isolated from the gospel and theology becomes bad news but when it is informed by and empowered by participation in the triune God of grace it is part of the good news of the gospel An approach to theology and theological ethics that makes the Word of God the ultimate authority and it is therefore grounded in the biblical narrative and texts An understanding that theological ethics are inherently missional The church as the image of the triune God makes it the home of ethics but in light of its missional identity it will reverberate outwards to engage the world in ways that are humble and not power mongering that are gospel based and shalom evoking *Theological Ethics* is for those who lead churches or ministries or someday will and who urgently need deep theological grounding as they daily encounter ethical and moral issues where they need to provide a gracious truthful and gospel directed response X **Jesus Christ Today** Stuart G. Hall, 2009-02-26 Jesus of Nazareth is a perennial subject of interest and one of the most influential people that ever lived The religious movement which flowed from him produced the Christian Church in all its various manifestations Christian believers have in common a regard for Jesus as Lord and God in some way a bodily appearance revealing the Father of the universe Christian thinkers down the centuries have

continually tried to define and explain who Jesus was and is This book draws together some of the best modern thinking about the biblical evidence the beliefs of the first few centuries when orthodoxy was being defined the past two centuries when churchmen have responded to the challenge of modern rationalism and some of the reactions to Jesus in the world wide spread of modern Christianity and in Islam It concludes with an attempt at a simple formula which might provoke and sustain faith in Jesus Christ in the most recent intellectual environment **Galloway of Buraan** E. M. Clifford,2022-01-27

The Reverend David Simcox Galloway an American Presbyterian educator and clergyman is seeking to establish a secondary school for boys in what is now southeastern Turkey at the border with Syria This is the story of two eventful weeks one in March 1910 and the other in September 1925 In 1910 he is struggling just to prepare a proposal to create the school In 1925 the new campus is ready and about to open Diligent quiet well intentioned and idealistic Galloway often feels overwhelmed by the challenges of life and work on the mission field He encounters violence cultural friction illness isolation and loss and sometimes unexpected satisfaction and joy This narrative represents post colonial critiques of mission while also embodying the way Christians of the time lived their faith expressed themselves and observed the norms of their social context The novel tells a compelling personal story while digging into issues of intercultural encounter indigenous agency vernacularization interfaith relations gender roles in mission the advent of modernity mission philanthropy in that era and the effects of imperialism in the Middle East David Galloway reconsiders many of his assumptions over the time span of this story **One**
