BOOK JACKET

Shared Mission Leonardo Franchi, 2024-05-17 This book is a contribution to scholarship in the field of religious education Its aim is simple to offer a critical perspective on the nature of religious education in the light of contemporary developments in Catholic thinking in catechesis and wider thinking in education The issues raised in the book will provide ample material for fruitful dialogue and constructive debate in the world of Catholic education Part One revolves around four historical contexts selected specifically to illuminate contemporary developments in the field While these historical periods have porous boundaries they offer a working structure in support of the core claims of the book Part Two explores the complex genealogy of the relationship between catechesis and Religious Education Key thematic frames of reference within which the relevant Magisterial documents and associated academic literature are set out and explored chronologically thus allowing for some

cross referencing across the themes unsurprisingly the range of the issues for debate resists a neat packaging within specific time frames but does provide a helpful working structure Part Three proposes that a Spirituality of Communion should underpin the Church's work in catechesis education and Religious Education Shared Mission seems to be a satisfactory articulation of the necessary dialogic relationship between both fields and offers a suitable space for both distinction and reciprocity The revised edition contains an appendix on the Global Compact on Education Sharing God with Others Sheila Seifert, Beth Naylor, 2007 God longs to share His love with everyone How can we help In Sharing God with Others kids study the lives and ministries of Bible time and modern day missionaries By getting to know these heroes of the faith as people who serve God kids learn that they too can be missionaries in their own neighborhoods Scripture based lesson topics include What Are Missionaries Missionaries are people who trust God and tell others about Him Learning the Hard Way Choosing to Press On Missionary Helpers On the Home Front Book jacket **Israel's Mission Discovery Guide** Zondervan, 2015-06-04 Explore how we are called to engaged with a sinful and broken culture that seeks to undermine God's desire for Shalom among all people In this thirteenth volume of the series That The World May Know take a tour through the land of the Bible to the places where God first gave his people their unique calling in the world and discover how God is still passionately seeking the lost sheep of his flock This discovery guide includes passages of Scripture explored in the DVD sold separately questions for discussion and personal reflection personal Bible studies to help you deepen your learning experience between sessions as well as sidebars maps photos and other study tools Abraham and Sarah and Three Strangers Israel at Sinai The Great Commission Jesus Renews His Mission Seeking the Lost The Lost Son In a Far Country The Seeking Father The Lost Son Returns Designed for use with the Israel's Mission Video Study sold separately _____ **THAT THE WORLD MAY KNOW** Join renowned teacher and historian Ray Vander Laan as he guides you through the land of the Bible In each lesson Vander Laan illuminates the historical geographical and cultural context of the sacred Scriptures Filmed on location in the Middle East and elsewhere the That the World May Know film series will transform your understanding of God and challenge you to be a true follower of Jesus **The Congregation as Hermeneutic of the Gospel** Shawn P. Behan, 2024-10-31 Lesslie Newbigin's concept of the congregation as hermeneutic of the gospel has been used for over thirty years to discuss the overlap of mission and ecclesiology This book provides the contextual background to the congregation as hermeneutic of the gospel then discusses the important components of this concept and how they connect with Newbigin's lifetime of writings on the nature and identity of the church Within this discussion there are three key elements to Newbigin's ecclesiology as it pertains to the congregation as hermeneutic of the gospel the relationship between the Holy Spirit and the local congregation the kingdom of God and the local congregation and the local congregation within itself These three components can be found throughout Newbigin's discussions about the nature of the church ranging from the 1940s until the 1990s Pulling all these components together and showing how they shed light on Newbigin's intended meaning by calling the

local congregation the hermeneutic of the gospel for their society provides a new interpretation of this concept that will both strengthen and challenge contemporary uses of this concept within the church today

Family in Mission Johannes Reimer, 2020-06-30 Innumerable books have been written about successful outreach and evangelism yet almost none address the centrality of the family as God s intended vehicle for experiencing life community and growth In this timely and powerful book Johannes Reimer urges us to rediscover the family as a primary agent for mission in the world Offering both a theological and practical foundation for understanding the role and significance of families in the vocation of the church this book also provides creative ideas for implementing a family centered praxis that offers preparation and support to families living out their calling to make Christ known To ignore the family Reimer warns is to ignore the church s greatest resource for transmitting

truth communicating love and embodying the gospel If we are to be effective in making disciples of all nations we must start in our own homes

Christianity Made Jesus' Mission as Taking People to Heaven, Instead of Bringing Heaven to the World Rodolfo Martin Vitangcol,2019-01-30 Jesus the Son of God came primarily for one Mission His mission is to do the will of God The will of God is not for Jesus to take the people of the world to the kingdom of heaven more than to bring the kingdom of heaven to the people of the world It is a kind of world where not a single soul ought to be found wanting in the enjoyment of the basic needs and rights to live with full human dignity as a child of God for such is the righteousness and justice of God And in order for the kingdom of God to happen in our world Jesus gave the world a command Love one another as I have loved you It is a kind of love where he who needs help must be helped and he who can help must help like one brother and sister in God Whoever shall follow Jesus in this Mission of Life of his shall be rewarded with fullness of life Amen

Mission as Integrated Witness Jae-Suk Lee,2021-05-25 This study aims to read Jesus s foot washing narrative missionally John 13 1 38 A missional reading is identical to a missional hermeneutics based on the literary theological interpretation of the text John uses sending language and formulae and the frame of as so throughout the whole Gospel which clarifies Jesus s and his disciples mission as integrated witness In this literary context the foot washing narrative signifies the integrated witness of Jesus and the disciples The narrative consists of two parts one Jesus s symbolic action for his death and the other for its interpretation for the disciple community Jesus s death as his unique mission results in purifying both his disciples and the world so that they might dwell in the holy union with the triune God The disciples are sent into the world Just as Jesus did so must they proclaim Jesus and his teachings Also they should bear witness to him by living Jesus s life pattern of self giving sacrificial love and humble service Their verbal proclamation as evangelism and life witness cannot be separated to testify to Jesus and their identity Finally today s Christians specifically Evangelicals are invited to participate in the Johannine mission as the integrated witness of evangelism and life witness
