Dogfish Memory Joseph A. Dane, 2012-07-18 The Maine dogfish are gone fished to the brink of extinction Gone too is Linda Jane and with her the love and the subjunctive Maine that they might have shared And what of that fabled Old Maine Is it gone for good Written as a sailing chronicle **Dogfish Memory** is the story of the search for an authentic Maine a Maine of the past whether historical or simply imagined and a Maine of the present one experienced by both permanent residents and seasonal ones summerfolk Joseph Dane is both He has worked on commercial fishing boats as a local and he has sailed the coast for years like those who are from away **Dogfish Memory** tells the story of how his often conflicting Maines are intertwined Authentic Maine is elusive stories and even photographs of a past Maine often contradict the memories of those who have lived through the changes they record **Dogfish Memory** is thus the story of loss the loss of a Maine recalled and imagined and the loss of the love with which Maine is irrevocably associated
