Mistress To A Bachelor:

Mistress to a Bachelor Thorpe, Kay, 2003 **Mistress to a Bachelor** Kay Thorpe, 2004 MISTRESS TO A BACHELOR by Kay Thorpe released on Oct 25 2004 is available now for purchase **A bachelor's establishment. The imaginary mistress** Honoré de Balzac, *The Sexual Question* Auguste Forel, 1908 **The Sexual Question** Auguste Forel, 2015-11-07 The sexual question is of fundamental importance for humanity whose happiness and well being depend largely on the best solution of this important problem In dealing with such a delicate subject I shall endeavor to avoid narrow mindedness and prejudice I shall avoid tiresome quotations and shall only employ technical terms when necessary as they rather interfere with the comprehension of the subject I shall take care to explain all those which appear to me indispensable My opinions on the sexual question are based on the one hand on my scientific study of the human brain and on the other hand on the long personal experience of an alienist who has devoted himself almost as much to normal mentality and questions of social hygiene as to pathological mentality I have however been obliged to rely on the fundamental work of Westermarck with regard to ethnology this subject being strange to me Concerning sexual psycho pathology I have followed the classification of Krafft Ebing The sexual question is extraordinarily complex and we cannot expect to find a simple solution for it as we can for the questions of alcoholism slavery torture etc The latter are 4 solved in one word suppression Suppression of slavery and torture suppression of the usage of alcoholic drinks We are concerned here with ulcers artificially produced and preserved in human society ulcers which must be simply extirpated Their suppression is nothing but beneficial since far from being connected with the normal conditions of human existence they place it in peril Sexual instinct and sentiment on the contrary have their roots in life itself they are intimately bound up with humanity and therefore require quite a different treatment But human society has guided them into false and pernicious ways It is important to turn them from these in order to tranquilize and regulate their course by damming them up and canalizing them The fundamental axiom of the sexual question is as follows With man as with all living beings the constant object of all sexual function and consequently of sexual love is the reproduction of the species It is therefore necessary to treat the question from the point of view of the natural sciences physiology psychology and sociology This has already been done more than once but usually in erudite treatises which only look upon one side of the question or on the other hand in a superficial and often frivolous manner To ensure happiness humanity should desire to reproduce itself in a manner which elevates progressively all the physical and mental faculties of man with regard to health and bodily strength as much as to sentiment intelligence will creative imagination love of work joy of living and the sentiment of social solidarity Every attempt made to solve the sexual question should therefore be directed toward the future and toward the happiness of our descendants *Mistress-keeping in Japan* Boye De Mente, 2009 Mistress keeping was traditional in Japan because virtually all marriages were arranged love was not involved and a nation wide legal prostitution system catered to men over and above the thousands of geisha Times

have changed but mistress keeping is still common Old Japan hand and internationally known author of books on Asia Boye Lafayette De Mente takes an insider s and often humorous look at mistress keeping in Japan then and now The book is illustrated with provocative kanji characters His insights into Japan s mizu shobai water business or the entertainment trades are invaluable for businessmen and tourists alike **A bachelor's establishment** Honoré de Balzac,1896 **El ingenioso**
