K. Grint

Mobilizing America Robert P Patterson And The War Effort 1940 1945:

Mobilizing America Keith E. Eiler, 1997 In this comprehensive study Keith E Eiler documents Judge Patterson's extraordinary and largely unrecognized contributions to the defense and war efforts He also offers a provocative count of the manner in which the national government managed to transform itself for war and convert a vast market oriented economy into an effective war machine At the same time the author sheds revealing new light on numerous issues of war policy and on the evolution of civil military relations during the emergency

The Library of Congress World War II Companion David M. Kennedy, 2007-10-02 An indispensable reference on World War II produced by the Library of Congress and edited by Pulitzer Prize winning historian David M Kennedy With hundreds of illustrations and quotations from contemporary documents this will be the most authoritative popular reference on World War II The noted historian John Keegan called World War II the largest single event in human history More than sixty years after it ended that war continues to shape our world Going far beyond accounts of the major battles The Library of Congress World War II Companion examines in a unique and engaging manner this devastating conflict its causes conduct and aftermath It considers the politics that shaped the involvement of the major combatants military leadership and the characteristics of major Allied and Axis armed services the weaponry that resulted in the war's unprecedented destruction as well as debates over the use of these weapons the roles of resistance groups and underground fighters war crimes daily life during wartime the uses of propaganda and much more Drawn from the unparalleled collections of the institution that has been called America's Memory The Library of Congress World War II Companion includes excerpts from contemporary letters journals pamphlets and other documents as well as first person accounts recorded by the Library of Congress Veterans History Project The text is complemented by more than 150 illustrations Organized into topical chapters such as The Media War War Crimes and the Holocaust and two chapters on Military Operations that cover the important battles the book also includes readers to navigate through the rich store of information in these pages Filled with facts and figures information about unusual aspects of the war and moving personal accounts this remarkable volume will be indispensable to anyone who wishes to understand the World War II era and its continuing reverberations

The Marketing of World War II in the US, 1939-1946 Albert N. Greco, 2020-06-10 From the late 1930s until December 7 1941 isolationism and an antipathy toward war in Europe were strong political currents in the US However once the US entered World War II the entire apparatus of the US government was mobilized to market the war to Americans who were incredulous and horrified about the attack at Pearl Harbor Americans wanted immediate and detailed information from the US government and the nation's media and entertainment companies about the recent military disasters This book analyzes the complex relationships between the US government and the entire media and entertainment industries between 1939 and 1946 The US government realized in early 1942 that it needed to forge an alliance with the media and entertainment industries to create and maintain support for the war The Office of War Information OWI was the

US government agency acting as the liaison between Washington and the diverse media and entertainment industries and all of them confronted a series of major issues and concerns to convince Americans to support the war effort This book offers business historians an examination of the complex and sometimes tense relationships between the OWI and the radio magazine newspaper and motion picture industries

World War Two Jeremy Black,2004-11-23 Cutting through over half a century of historical build up this new and convincing account of World War II uses a global perspective to explain the complicated course in military terms Black a distinguished military historian bucks the current trend to demilitarise and gives due weight to the campaigns and battles that made up the war In doing so he challenges common interpretations and includes new insights to make this one of the most exciting new histories of the Second World War Covering all the main areas of conflict the chronological approach includes analysis of attacks at land air and sea and a comparison of military resources The focus is always operational but social cultural and political aspects are also included Providing a crucial counterweight to previous histories Jeremy Black s *World War Two* offers fresh insights into operations at the Eastern Front and during the war against Japan

Leadership, Management and Command K. Grint,2007-11-16 The author argues that the successes and failures of D Day on both sides cannot be explained by comparing the competing strategies of each side Instead he provides an account of the battle through the overarching nature of the relationship between the leaders and their followers

The Myth of the Good War Jacques R. Pauwels,2015-03-06 In the spirit of historians Howard Zinn Gwynne Dyer and Noam Chomsky Jacques Pauwels focuses on the big picture Like them he seeks to find the real reasons for the actions of great powers and great leaders Familiar Second World War figures from Adolf Hitler to Franklin D Roosevelt and Joseph Stalin are portrayed in a new light in this book The decisions of Hitler and his Nazi government to go to war were not those of madmen Britain and the US were not allies fighting shoulder to shoulder with no motive except ridding the world of the evils of Nazism In Pauwels account the actions of the United States during the war years were heavily influenced by American corporations IBM GM Ford ITT and Standard Oil of New Jersey now called Exxon who were having a very profitable war selling oil armaments and equipment to both sides with money gushing everywhere Rather than analyzing Pearl Harbor as an unprovoked attack Pauwels notes that US generals boasted of their success in goading Japan into a war the Americans badly wanted One chilling account describes why President Truman insisted on using nuclear bombs against Japan when there was no military need to do so Another reveals that Churchill instructed his bombers to flatten Dresden and kill thousands when the war was already won to demonstrate British American strength to Stalin Leaders usually cast in a heroic mould in other books about this war look quite different here Nations that claimed a higher purpose in going to war are shown to have had far less idealistic motives The Second World War as Jacques Pauwels tells it was a good war only in myth The reality is far messier and far more revealing of the evils that come from conflicts between great powers and great leaders seeking to enrich their countries and dominate the world

Every Citizen a Soldier William A. Taylor,2014-07-02

Beginning in 1943 US Army leaders such as John M Palmer Walter L Weible George C Marshall and John J McCloy mounted a sustained and vigorous campaign to establish a system of universal military training UMT in America Fearful of repeating the rapid demobilization and severe budget cuts that had accompanied peace following World War I these leaders saw UMT as the basis for their postwar plans As a result they promoted UMT extensively and aggressively In Every Citizen a Soldier The Campaign for Universal Military Training after World War II William A Taylor illustrates how army leaders failed to adapt their strategy to the political realities of the day and underscores the delicate balance in American democracy between civilian and military control of strategy This story is vital because of the ultimate outcome of the failure of the UMT initiative the birth of the Cold War draft

Arn's War Edward C. Arn, 2006 Arn writes in a straightforward and engaging manner that avoids false sentimentality or romanticism Instead he gives readers keen insights into the daily life of soldiers locked in gruesome events far beyond their experience and describes how it feels to be under fire to suffer a wound to agonize over the deaths of friends to endure true suffering to sacrifice and to survive Edited and annotated by Jerome Mushkat this memoir is an account of a citizen soldier who survived his baptism by fire during World War II

BOOK JACKET Hoover vs. Roosevelt Hal Elliott Wert, 2023-01-01 Herbert Hoover out of office since his defeat in 1932 by Franklin Roosevelt maintained a strong international reputation due to his achievements as an engineer and his success during World War I and beyond in organizing aid for the starving millions of Europe And yet in nearly all accounts of the ferocious debate over American aid to Europe before the United States entered World War II Hoover's role has been overlooked Hoover vs Roosevelt tells the story of American efforts to stay out of war following the German invasion of Poland Historian Arthur Schlesinger Jr called it the most savage political debate of my lifetime Both men fiercely disagreed on how to respond but the heart of their disagreement was over aid for the huge numbers of Polish refugees flooding into neighboring countries and those that were left behind Hoover found Roosevelt's policy of limited emergency aid unacceptable countering by rapidly assembling teams comprised of talented people who had served in prior Hoover relief organizations Here for the first time are the courageous stories of those that achieved that success in Romania Hungary and Lithuania When the Soviets invaded Finland on November 30 Hoover assisted the Finns by conducting a Hollywood star studded campaign spearheading nationwide support for this small country But Hoover's relief efforts were complicated by his burning ambition to obtain the Republican presidential nomination a second opportunity to defeat Roosevelt For Roosevelt Hoover's relief successes threatened to derail his limited aid policy which aimed to conserve resources to assist Britain and France and could also cost the president votes Politics aside Hoover wars in the first year of the war succeeded in forcing Roosevelt to provide far more aid than intended Hoover's victory the only one achieved in his battles with Roosevelt accomplished relief for hundreds of thousands in need Widely and deeply researched in an array of rarely used secondary and primary sources both domestic and international Hoover vs Roosevelt reveals the story of the two contenders battles over feeding Europe and going to war

In a Time of Total War Joshua E. Kastenberg, Eric Merriam, 2016-03-17 This book is a judicial military and political history of the period 1941 to 1954 As such it is also a United States legal history of both World War II and the early Cold War Civil liberties mass conscription expanded military jurisdiction property rights labor relations and war crimes arising from the conflict were all issues to come before the federal judiciary during this period and well beyond since the Supreme Court and the lower courts heard appeals from the government s wartime decisions well into the 1970s A detailed study of the judiciary during World War II evidences that while the majority of the justices and judges determined appeals partly on the basis of enabling a large disciplined and reliable military to either deter or fight a third world war there was a recognition of the existence of a tension between civil rights and liberties on the one side and military necessity on the other While the majority of the judiciary tilted toward national security and deference to the military establishment the judiciary s recognition of this tension created a foundation for persons to challenge governmental narrowing of civil and individual rights after 1954 Kastenberg and Merriam present a clearer picture as to why the Court and the lower courts determined the issues before them in terms of external influences from both national and world wide events This book is also a study of civil military relations in wartime so whilst legal scholars will find this study captivating so will military and political historians as well as political scientists and national security policy makers

Cry Havoc Joseph Maiolo, 2010-09-28 Did the arms race of the 1930s cause the Second World War In Cry Havoc historian Joseph Maiolo shows in rich and fascinating detail how the deadly game of the arms race was played out in the decade prior to the outbreak of the Second World War In this exhaustively researched account he explores how nations reacted to the moves of their rivals revealing the thinking of those making the key decisions Hitler Mussolini Chamberlain Stalin Roosevelt and the dilemmas of democratic leaders who seemed to be faced with a choice between defending their nations and preserving their democratic way of life An unparalleled account of an era of extreme political tension Cry Havoc shows how the interwar arms race shaped the outcome of World War II before the shooting even began

Historical Dictionary of the 1940s James Gilbert Ryan, Leonard C Schlup, 2015-03-26 The only available historical dictionary devoted exclusively to the 1940s this book offers readers a ready reference portrait of one of the twentieth century s most tumultuous decades In nearly 600 concise entries the volume quickly defines a historical figure institution or event and then points readers to three sources that treat the subject in depth In selecting topics for inclusion the editors and authors offer a representative slice of life as contemporaneous Americans saw it with coverage of people movements court cases and economic social cultural political military and technological changes The book focuses chiefly on the United States but places American lives and events firmly within a global context

The Bad City in the Good War Roger W. Lotchin, 2003-03-03 How the diverse populations of urban California joined hands to defeat totalitarianism during World War II

Warfare in the Western World, 1882-1975 Jeremy Black, 2014-12-18 In this companion volume to *Western Warfare 1775-1882* Jeremy Black takes his analysis of modern warfare into the twentieth century As before a distinctive

feature of the author's approach is the coverage of both land and naval warfare as well as conflict within the West and between Western and non Western powers Beginning with the British conquest of Egypt in 1882 this book goes on to examine the Spanish American War of 1898 the Boer War and the Balkan conflicts leading to world war in 1914 A revisionist account of the First World War is followed by a discussion of Western expansionism in the period to 1936 Chapters on the interwar years and the Second World War lead on to a discussion of the retreat from empire and the advent of Cold War The narrative closes with the end of the Vietnam War in 1975 and a discussion of the limitations of Western military technique doctrine and technology Throughout the themes of military change and modernization are brought into sharp focus and the revolutionary characteristics of the machination of war in this period are questioned Jeremy Black offers a new and challenging interpretation of modern warfare that will be required reading not only for students of military history but for all those interested in the impact of war in the making of the modern world

Post-War Business Planners in the United States, 1939-48 Charlie Whitham, 2016-10-20 During the Second World War several independent business organizations in the US devoted considerable energy to formulating and advocating social and economic policy options for the US government for implementation after the war This planning community of far sighted businessmen joined with academics and government officials in a nationwide endeavor to ensure that the colossal levels of productivity achieved by the US during wartime continued into the peace At its core this effort was part of a wider struggle between liberals moderates and conservatives over determining the economic and social responsibilities of government in the new post war order In this book Charlie Whitham draws on an abundance of unpublished primary material from private and public archives that includes the minutes memoranda policy statements and research studies of the major post war business planning organisations on a wide range of topics including monetary policy demobilization labor policy international trade and foreign affairs This is the untold story of how the post war business planners of all hues helped shape the moderate consensus which prevailed after 1945 over a permanent but limited government responsibility for fiscal welfare and labor affairs advanced American interests overseas and established

The Forge Eric Hammel, 2020-12-23 The Forge The Decline and Rebirth of the American Military November 12 1918 to December 6 1941 Eric Hammel Because the United States military undertook its first World War II offensive operations in the Pacific within only eight months of Pearl Harbor most historians and readers of the war's history depict and perceive the quick transition in 1942 from defensive war to offensive war as a miracle In the miraculous narrative Americans have written for themselves the peace loving and ill prepared sleeping giant the United States is suddenly struck by enemies who use her peace loving ways against her while a mere sprinkling of gallant dedicated soldiers sailors and airmen fight overwhelming odds to barely hold the line against an unremitting backdrop of tearful defeats Meanwhile U S industry suddenly instantly becomes a magical Arsenal of Democracy that produces uncountable tanks and ships and guns not to mention trained soldiers sailors and airmen in their legions fleets and air armadas that will smash the wildest and most

powerful enemies ever before confronted The appearance of all that materiel and all those battle ready young men so soon after the Pearl Harbor attack looks exactly like a miracle There was no miracle Celebrated military historian Eric Hammel s cool appraisal of the facts reveals that America s stunning and overwhelming moral response to German and Japanese aggression in the mid and late 1930s a response that eventually brought a huge portion of the globe within its embrace was far less a miracle than an inexorable force of nature America was a sleeping giant But the decision to turn the entire force and will of a hard working innovative nation to arming for war was not made in the wake of Pearl Harbor By Pearl Harbor an alliance of the American government American industry and the American military community was already close to complete preparedness The real story of America s preparations for World War II had begun in mid November 1938 The Forge was previously published as How America Saved the World ERIC HAMMEL is a critically acclaimed military historian and author of nearly forty narrative and pictorial histories including Chosin Heroic Ordeal of the Korean War Fire in the Streets The Battle for Hue and Six Days in June He has also written many titles on U S military operations in World War II such as Guadalcanal Starvation Island Guadalcanal Decision at Sea 76 Hours The Invasion of Tarawa and The Road to Big Week Reviewed by Book News Hammel a noted military historian and author analyzes the military build up in the United States just prior to World War II and notes how this strategy was deliberate orderly and integrated Written for history buffs and general readers this volume characterizes the U S as a sleeping giant after the end of World War I as a new shift toward an expanded military industrial complex was implemented creating an Arsenal of Democracy that would ultimately decide the outcome of World War II Appendices include a list of the armies corps regiments and divisions in the Army and Navy as well as a list of major naval and aircraft hardware Reviewed by Bookviews The Forge by Eric Hammel tells how preparation for war was the reason that following the Japanese attack on Pearl Harbor in 1941 the nation was able to transition quickly to an offensive war This excellent book tells why America was able to transform itself into what FDR called the arsenal of democracy fielding armies in both the Asian and European theatres while providing them with countless tanks and ships and guns America may have been a sleeping giant when it came to the political events unfolding but the decision to turn the entire force of American industry toward the task of winning World War II had been made long before the initial attack on the homeland It had in fact begun in 1938 as the war clouds threatened Those who criticize America s current superpower status would do well to read this book and then wonder if preparing for war isn t the best way to maintain the peace Reviewed by Tom Ricks on his blog The Best Defense Readers of this blog will know that I am a fan of military historian Eric Hammel I ve been reading his new book The Forge about the quiet fight at the end of the 1930s to prepare the U S military for World War II This is not only an important story but also a good read with a strong grasp of significance By the end of November 1941 the British army in North Africa on its only active front against European fascism was utterly stalemated in a battle of attrition it was bound to eventually lose The subsequent counterattack at el Alamein was undertaken he notes with

the aid of weapons and equipment made in America not to mention American manned combat aircraft Reviewed by BookLoons Perhaps not everyone will agree with the opinions set forth in The Forge but Eric Hammel provides some strong arguments that the country was far better prepared for the Second World War than most people believe Those interested in U S history especially military matters will find this a captivating read and one that may alter a few misconceptions about U S preparedness between the world wars **The Liberation Trilogy Box Set** Rick Atkinson,2013-10-22 The definitive chronicle of the Allied triumph in Europe during World War II Rick Atkinson s Liberation Trilogy is now together in one ebook bundle From the War in North Africa to the Invasion of Normandy the Liberation Trilogy recounts the hard fought battles that led to Allied victory in World War II Pulitzer Prize winning and New York Times bestselling author Rick Atkinson brings great drama and exquisite detail to the retelling of these battles and gives life to a cast of characters from the Allied leaders to rifleman in combat His accomplishment is monumental the Liberation Trilogy is the most vividly told brilliantly researched World War II narrative to date WINNER OF THE PULITZER PRIZE AND NEW YORK TIMES BESTSELLER

The Partnership Edward Farley Aldrich,2022-04-15 On September 1 1939 the day World War II broke out in Europe Gen George Marshall was sworn in as chief of staff of the U S Army Ten months later Roosevelt appointed Henry Stimson secretary of war For the next five years from adjoining offices in the Pentagon Marshall and Stimson headed the army machine that ground down the Axis Theirs was one of the most consequential collaborations of the twentieth century A dual biography of these two remarkable Americans The Partnership tells the story of how they worked together to win World War II and reshape not only the United States but the world The general and the secretary traveled very different paths to power Educated at Yale where he was Skull and Bones and at Harvard Law Henry Stimson joined the Wall Street law firm of Elihu Root future secretary of war and state himself and married the descendant of a Founding Father He went on to serve as secretary of war under Taft governor general of the Philippines and secretary of state under Hoover An internationalist Republican with a track record Stimson ticked the boxes for FDR who was in the middle of a reelection campaign at the time Thirteen years younger George Marshall graduated in the middle of his class from the Virginia Military Institute not West Point then began the standard and very slow climb up the army ranks During World War I he performed brilliant staff work for General Pershing After a string of postings Marshall ended up in Washington in the 1930s and impressed FDR with his honesty securing his appointment as chief of staff Marshall and Stimson were two very different men who combined with a dazzling synergy to lead the American military effort in World War II in roles that blended politics diplomacy and bureaucracy in addition to warfighting They transformed an outdated poorly equipped army into a modern fighting force of millions of men capable of fighting around the globe They and Marshall in particular identified the soldiers from Patton and Eisenhower to Bradley and McNair best suited for high command They helped develop worldwide strategy and logistics for battles like D Day and the Bulge They collaborated with Allies like Winston Churchill They worked well with their cagey

commander in chief They planned for the postwar world They made decisions from the atomic bombs to the division of Europe that would echo for decades There were mistakes and disagreements but the partnership of Marshall and Stimson was all in all a bravura performance a master class in leadership and teamwork In the tradition of group biographies like the classic *The Wise Men* The Partnership shines a spotlight on two giants telling the fascinating stories of each man the dramatic story of their collaboration and the epic story of the United States in World War II *Air University Library Index to Military Periodicals* ,1999 **United States Army Logistics** Steve R. Waddell,2009-12-22 You can train men to fight You can plan for the invasion But you can t have success on the battlefield if you cannot move the men and material into position Success is not possible without logistical support and capabilities The U S Army s logistics system began with practically nothing and through numerous conflicts and periods of peace has developed into a first rate supply system capable of supporting the global military commitments of the present day This work presents the history of U S Army logistics as one of evolution trial and error and occasionally revolutionary change over a period of two hundred plus years It is important that logisticians and combat leaders alike understand how the United States Army logistical system developed the challenges that had to be overcome and the successes and failures encountered along the way Creating the U S Army in 1775 proved to be easy compared to the task of keeping the army adequately supplied over the short and long term The availability of resources industrial capacity size of the army geographic scope of operations organization of the logistics system competent leadership congressional support funding and new technology have and continue to impact the logistical system on a daily basis Each new period of peace or war has brought new challenges and requirements This work is broken into two key parts First to inform the reader on the basic history of U S Army Logistics Second to identify the key factors that influenced the development of the logistical system

Mobilizing America Robert P Patterson And The War Effort 1940 1945 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Mobilizing America Robert P Patterson And The War Effort 1940 1945 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Mobilizing America Robert P Patterson And The War Effort 1940 1945 has opened up a world of possibilities. Downloading Mobilizing America Robert P Patterson And The War Effort 1940 1945 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Mobilizing America Robert P Patterson And The War Effort 1940 1945 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Mobilizing America Robert P Patterson And The War Effort 1940 1945. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Mobilizing America Robert P Patterson And The War Effort 1940 1945. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Mobilizing America Robert P Patterson And The War Effort 1940 1945, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Mobilizing America Robert P Patterson And The War Effort 1940 1945 has transformed the way we access information. With

the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Mobilizing America Robert P Patterson And The War Effort 1940 1945 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Mobilizing America Robert P Patterson And The War Effort 1940 1945 is one of the best book in our library for free trial. We provide copy of Mobilizing America Robert P Patterson And The War Effort 1940 1945 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Mobilizing America Robert P Patterson And The War Effort 1940 1945. Where to download Mobilizing America Robert P Patterson And The War Effort 1940 1945 online for free? Are you looking for Mobilizing America Robert P Patterson And The War Effort 1940 1945 PDF? This is definitely going to save you time and cash in something you should think about.
