

MOBILIZING RESENTMENT

The authors examine the role of resentment in the mobilization of political resources and the formation of political attitudes. They argue that resentment is a powerful emotion that can be mobilized by political actors to influence public opinion and political behavior. The authors provide a theoretical framework for understanding the role of resentment in politics and offer empirical evidence to support their claims. They conclude that resentment is a significant factor in the mobilization of political resources and the formation of political attitudes, and that it can be used by political actors to influence public opinion and political behavior.

Mobilizing Resentment Conservative Resurgence From The John Birch Society To The Promise Keepers

Jean Hardisty

Mobilizing Resentment Conservative Resurgence From The John Birch Society To The Promise Keepers:

Mobilizing Resentment Jean Hardisty, 2000-09-15 *Mobilizing Resentment* provides a wealth of information for anyone interested in how to refocus the energy and idealism of the progressive movement on the building of institutions that are relevant to the lives of most Americans Wilma Mankiller from the Foreword Jean Hardisty draws a map of the political battles now being fought in America and offers lessons for progressives confronting combating and constructively engaging the Right in more productive ways In this provocative book Jean Hardisty details the formation of right wing movements in opposition to the struggle for expansion of rights for women people of color and lesbians and gays Her own experiences spanning three decades as both an activist and observer undergird her analysis in riveting ways We see her in a stadium filled with Promise Keepers watching thousands of men pledge in unison to take control of their families with a mixture of awe fear and a lucid understanding of what draws people to such charismatic events The Promise Keepers John P. Bartkowski, 2004 Remember the Promise Keepers queries a recent media story on the evangelical men's movement that captured America's imagination and generated intense controversy during much of the 1990s John P Bartkowski has written the first account scrutinizing the turbulent forces that contributed to the group's wild popularity declining fortunes and current efforts to reinvent itself The World of the John Birch Society D. Mulloy, 2014-06-27 As far as members of the hugely controversial John Birch Society were concerned the Cold War revealed in stark clarity the loyalties and disloyalties of numerous important Americans including Dwight Eisenhower John Kennedy and Earl Warren Founded in 1958 as a force for conservative political advocacy the Society espoused the dangers of enemies foreign and domestic including the Soviet Union organizers of the US civil rights movement and government officials who were deemed soft on communism in both the Republican and Democratic parties Sound familiar In *The World of the John Birch Society* author D J Mulloy reveals the tactics of the Society in a way they've never been understood before allowing the reader to make the connections to contemporary American politics up to and including the Tea Party These tactics included organized dissemination of broad based accusations and innuendo political brinksmanship within the Republican Party and frequent doomsday predictions regarding world events At the heart of the organization was Robert Welch a charismatic writer and organizer who is revealed to have been the lifeblood of the Society's efforts The Society has seen its influence recede from the high water mark of 1970s but the organization still exists today Throughout *The World of the John Birch Society* the reader sees the very tenets and practices in play that make the contemporary Tea Party so effective on a local level Indeed without the John Birch Society paving the way the Tea Party may have encountered a dramatically different political terrain on its path to power Culture Wars Roger Chapman, 2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades This new edition provides an enlightening and comprehensive A to Z ready reference now with supporting primary documents on major topics of contemporary importance for students

teachers and the general reader It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today [A Promise And A Way Of Life](#) Becky Thompson,2001-08-07 The first in depth look at white people s activism in fighting racism during the past fifty years Not since the Civil Rights Movement of the 1950s and 1960s when many white college students went south to fight against Jim Crow laws has white antiracist activity held the public s attention Yet there have always been white people involved in fighting racism In this passionate work Becky Thompson looks at white Americans who have struggled against racism offering examples of both successes and failures inspirations practical philosophies and a way ahead [A Promise and a Way of Life](#) weaves an account of the past half century based on the life histories of thirty nine people who have placed antiracist activism at the center of their lives Through a rich and fascinating narrative that links individual experiences with social and political history Thompson shows the ways both public and personal in which whites have opposed racism during several social movements the Civil Rights and Black Power movements multiracial feminism the Central American peace movement the struggle for antiracist education and activism against the prison industry Beginning with the diverse catalysts that started these activists on their journeys this book demonstrates the contributions and limitations of white antiracism in key social justice movements Through these stories crucial questions are raised Does antiracist work require a repudiation of one s whiteness or can that identity be transformed through political commitment and alliances What do white people need to do to undermine white privilege What would it take to build a multiracial movement in which white people are responsible for creating antiracist alliances while not co-opting people of color Unique in its depth and thoroughness [A Promise and a Way of Life](#) is essential for anyone currently fighting racism or wondering how to do so Through its demonstration of the extraordinary personal and social transformations ordinary people can make it provides a new paradigm for movement activity one that will help to incite and guide future antiracist activism [Media, Movements, and Political Change](#) Jennifer S. Earl,Deana A. Rohlinger,2012-05-18 This volume explores the relationship between media movements and political change through analyses of how actors use print media and the Internet to achieve their goals The chapters examine the role of media in the Anti Abortion Globalization Labor Townsend and White Power movements as well as Barack Obama s 2008 campaign **Who Speaks for America's Children?** Carol J. De Vita,Rachel Mosher-Williams,2001 Because nonprofit and voluntary organizations are primary vehicles of citizen action and participation they serve as important mechanisms to understand how the needs of children can be heard in the policymaking process and how the quality of children s lives can be improved In [Who Speaks for America's Children](#) leading experts in children s health policy education policy community organizing and sociology focus on the ways nonprofit organizations and community groups influence policymaking on children s issues Seven chapters frame the issues raise

critical questions and explore opportunities for further study *Talk about Sex* Janice Irvine, 2023-03-24 A rich social history of how the American right wing used sex education as one of its first battlegrounds on which to build a political movement and regulate sexual morality by controlling sexual speech *Seeking the Straight and Narrow* Lynne Gerber, 2012-08-01 Losing weight and changing your sexual orientation are both notoriously difficult to do successfully Yet many faithful evangelical Christians believe that thinness and heterosexuality are godly ideals and that God will provide reliable paths toward them for those who fall short *Seeking the Straight and Narrow* is a fascinating account of the world of evangelical efforts to alter our strongest bodily desires Drawing on fieldwork at First Place a popular Christian weight loss program and Exodus International a network of ex gay ministries Lynne Gerber explores why some Christians feel that being fat or gay offends God what exactly they do to lose weight or go straight and how they make sense of the program s results or frequently their lack Gerber notes the differences and striking parallels between the two programs and more broadly she traces the ways that other social institutions have attempted to contain the excesses associated with fatness and homosexuality Challenging narratives that place evangelicals in constant opposition to dominant American values Gerber shows that these programs reflect the often overlooked connection between American cultural obsessions and Christian ones

Onward, Christian Soldiers Deal W. Hudson, 2008-03-11 Like a mighty army moves the church of God Brothers we are treading where the saints have trod We are not divided all one body we One in hope and doctrine one in charity From the nineteenth century hymn *Onward Christian Soldiers* What keeps America a country of religious practice and traditional values How has the U S avoided succumbing to total secularism The answer to these provocative questions is found in the religious communities of America today In the past thirty years the religiously active voter has migrated to the Republican Party and the story behind this shift evidenced in the emergence of Evangelical dominance over mainstream Protestantism and the defeat of liberal Catholicism is at the heart of this fascinating cultural history In *Onward Christian Soldiers* the Washington insider who was at the vanguard of the sea change in religious and political history that propelled George W Bush into the White House offers an intimate perspective on those remarkable years and their influence over the ones to come Deal W Hudson analyzes how steadily overcoming age old misjudgments and misunderstandings that separated them conservative Catholics and Evangelical Christians drew together because of what they viewed as profound assaults on shared core beliefs They became allies to battle the forces of secularization relativism and atheism And together they forged a grassroots movement across America that astonished political activists and surprised commentators as well as members of traditional religious organizations How exactly was this coalition achieved and who were its movers and shakers What enabled them to deepen enrich and activate the resurgence of traditional values in society to make America radically different from the secularized Europe that was so widely believed to be on the verge of becoming the model for the United States Deal W Hudson details this phenomenon by examining the leading figures and institutions on both sides of the debate

exposing the dramatic encounters between those espousing fundamental Judeo Christian beliefs and those heralding the death of God and the new age of secular humanism Dealing with today s hot button issues Onward Christian Soldiers provides an unprecedented look at the confrontation of the religious right with secularists in America a confrontation that is not only timely but also timeless in its impact *A Thorn in the Flesh* Caroline J. Addington Hall,2013-03-22 With the vote to bless same sex marriages the Episcopal Church becomes the largest U S denomination to officially sanction same sex relationships Homosexuality has become a flashpoint at the intersection of religion family and politics A Thorn in the Flesh How Gay Sexuality is Changing the Episcopal Church tells the story of how homosexuality has been used to further conservative political agendas both here and abroad It describes how African and Asian churches have been drawn into a conflict that began in the United States in the Episcopal Church and raises vital questions of whether people with different understandings of authority and truth can live in harmony This provocative book is not a history of the movement for gay inclusion nor a history of the movement for a new conservative Anglican church in the Americas Instead it is a comparison of the conservative and the liberal parts of the church There are those such as the Church of England who have conservative theological orientation and are most likely to oppose fully including gays and lesbians in the church Hall also explores the rapid changes that have happened in Western society in the past fifty years that have led to the acceptance of same sex marriage and homosexuality This change has not come easily and even after nearly four decades gay marriage remains a politically divisive issue in the United States and England **Vulnerability Politics** Katie Oliviero,2018-08-10 A new understanding of vulnerability in contemporary political culture Progressive thinkers have argued that placing the concept of vulnerability at the center of discussions about social justice would lead governments to more equitably distribute resources and create opportunities for precarious groups especially women children people of color queers immigrants and the poor At the same time conservatives claim that their values and communities are vulnerable to attack often by these same groups In turn they craft antidemocratic representations of vulnerability that significantly influence the political landscape restricting human and legal rights for many in order to expand them for a historically privileged few Vulnerability Politics examines how twenty first century political struggles over immigration LGBTQ rights reproductive justice and police violence have created a sense of vulnerability that has an impact on culture and the law By researching organizations like the Minutemen civilians who monitor the US Mexico border the Protect Marriage Coalition a campaign to ban same sex marriage in California and the Center for Bio Ethical Reform an anti abortion movement Katie Oliviero shows how conservative movements use the rhetoric of risk to oppose liberal policies by claiming that the nation family and morality are imperiled and in need of government protection The author argues that this sensationalism has shifted the focus away from the everyday and institutional precarities experienced by marginalized communities and instead reinforces the idea that groups only deserve social justice protections when their beliefs reflect the dominant nationalist racial and sexual ideals **White Flight** Kevin

M. Kruse, 2013-07-11 During the civil rights era Atlanta thought of itself as The City Too Busy to Hate a rare place in the South where the races lived and thrived together Over the course of the 1960s and 1970s however so many whites fled the city for the suburbs that Atlanta earned a new nickname The City Too Busy Moving to Hate In this reappraisal of racial politics in modern America Kevin Kruse explains the causes and consequences of white flight in Atlanta and elsewhere Seeking to understand segregationists on their own terms White Flight moves past simple stereotypes to explore the meaning of white resistance In the end Kruse finds that segregationist resistance which failed to stop the civil rights movement nevertheless managed to preserve the world of segregation and even perfect it in subtler and stronger forms Challenging the conventional wisdom that white flight meant nothing more than a literal movement of whites to the suburbs this book argues that it represented a more important transformation in the political ideology of those involved In a provocative revision of postwar American history Kruse demonstrates that traditional elements of modern conservatism such as hostility to the federal government and faith in free enterprise underwent important transformations during the postwar struggle over segregation Likewise white resistance gave birth to several new conservative causes like the tax revolt tuition vouchers and privatization of public services Tracing the journey of southern conservatives from white supremacy to white suburbia Kruse locates the origins of modern American politics Some images inside the book are unavailable due to digital copyright restrictions

A Treasure Chest of Hidden History Rusty Glover, 2013-09-16 As a high school history teacher for the past 25 years I have collected and read hundreds of books pertaining to my subjects taught On the completion of each book I would carefully take notes on the most interesting events quotes or interpretations that I felt would enhance instruction for my students After filling numerous notepads of information on over 800 books I contemplated a project of sharing my most interesting findings The result of this twenty plus year project is this book This book is divided into 16 chapters based on the various topics presented Some chapters contain a small amount of entries such as Nicknames Espionage or Labor while chapters on the Presidents or quotes will fill over thirty pages The first chapter puts emphasis on the role my home state of Alabama has played on the national scene One chapter is entitled Miscellaneous Odds and Ends due to the subject matter not fitting into any other classification

Religion, Class Coalitions, and Welfare States Kees van Kersbergen, Philip Manow, 2009-04-06 This book radically revises established knowledge in comparative welfare state studies and introduces a new perspective on how religion shaped modern social protection systems The interplay of societal cleavage structures and electoral rules produced the different political class coalitions sustaining the three welfare regimes of the Western world In countries with proportional electoral systems the absence or presence of state church conflicts decided whether class remained the dominant source of coalition building or whether a political logic not exclusively based on socio economic interests e g religion was introduced into politics particularly social policy The political class coalitions in countries with majoritarian systems on the other hand allowed only for the residual liberal welfare state to emerge as in the US or the

UK This book also reconsiders the role of Protestantism Reformed Protestantism substantially delayed and restricted modern social policy The Lutheran state churches positively contributed to the introduction of social protection programs

American Psychosis David Corn, 2022-09-13 1 New York Times bestselling author and investigative reporter David Corn tells the wild and harrowing story of the Republican Party's decades long relationship with far right extremism bigotry and paranoia A fast paced rollicking behind the scenes account of how the GOP since the 1950s has encouraged and exploited extremism bigotry and paranoia to gain power American Psychosis offers readers a brisk can you believe it journey through the netherworld of far right irrationality and the Republican Party's interactions with the darkest forces in America In a compelling and thoroughly researched narrative Corn reveals the hidden history of how the Party of Lincoln forged alliances with extremists kooks racists and conspiracy mongers and fostered fear anger and resentment to win elections and how this led to Donald Trump's triumph and the transformation of the GOP into a Trump personality cult that foments and bolsters the crazy and dangerous excesses of the right The Trump incited insurrectionist attack on the US Capitol on January 6 2021 was no aberration American Psychosis shows it was a continuation of the long and deep rooted Republican practice of boosting and weaponizing the rage and derangement of the right The gripping tale in American Psychosis covers the last seven decades From McCarthyism to the John Birch Society to segregationists to the New Right to the religious right to Rush Limbaugh to Newt Gingrich to the militia movement to Fox News to Sarah Palin to the Tea Party to Trumpism the Republican Party has deliberately nurtured and exploited rightwing fear and loathing fueled by paranoia grievance and tribalism This powerful and important account explains how one political party has harnessed the worst elements in politics to poison the nation's discourse and threaten American democracy Corn is a great journalist I love the way he thinks I love the way he writes I'm so glad he's done a super readable modern history of the right We just need smart digestible history about this stuff right now American Psychosis is perfectly timed Relevant history for where we are right now Rachel Maddow host The Rachel Maddow Show With American Psychosis David Corn did the full homework to take us all the way back to where it really begins Lawrence O'Donnell host The Last Word **When the Center Is on Fire** Diane Sue Harriord, Becky W.

Thompson, 2021 In this lively and provocative book two feminist public sociologists turn to classical social thinkers W E B Du Bois Max Weber Karl Marx and mile Durkheim to understand a series of twenty first century social traumas including the massacre at Columbine High School the 9 11 attacks the torture at Abu Ghraib prison and Hurricane Katrina Each event was overwhelming in its own right while the relentless pace at which they occurred made it nearly impossible to absorb and interpret them in any but the most superficial ways Yet each uncovered social problems that cry out for our understanding and remediation In When the Center Is on Fire Becky Thompson and Diane Harriord assert that classical social theorists grappled with the human condition in ways that remain profoundly relevant They show for example that the loss of double consciousness that Du Bois identified in African Americans enabled political elites to turn a blind eye to the poverty and

vulnerability of many of New Orleans's citizens The authors compelling sometimes irreverent often searing interpretations make this book essential reading for students activists generations X Y and Z and everybody bored by the 6 o'clock news

Race in the Age of Obama Donald Cunnigen, Marino A. Bruce, 2010-12-17 Looks at the impact of the key sociological issues faced by the new Obama Administration and explores conventional topics on race and ethnic relations as well as delving into fresh areas of intellectual inquiry regarding the changing scope of race relations in a global context This title examines the 2008 Presidential Election

Fundamentalisms and the Media Stewart M. Hoover, Nadia Kaneva, 2009-06-09 The turn of the twenty first century has seen an ever increasing profile for religion contrary to long standing predictions of its decline Instead the West has experienced what some call a realignment of religion where it persists in conjunction with other institutions and structures Outside the West religion is an ever more prominent force in social and political movements of both reform and retrenchment Across these contexts no issue in religion is of as much concern as fundamentalism or rather the fundamentalisms within various traditions which are seen to be fomenting religious social ethnic and political tension and conflict The contributions to this volume represent the first effort to look at fundamentalisms and the media together and address the resulting relations and interactions from critical perspectives of history technology geography and practice The result lays important groundwork for scholarship on these new and increasingly important phenomena

Gay Marriage and Democracy Claire R. Snyder, 2006-02-09 This book discusses the context for and arguments in favor of same sex marriage in the United States

Mobilizing Resentment Conservative Resurgence From The John Birch Society To The Promise Keepers

Introduction

In the digital age, access to information has become easier than ever before. The ability to download Mobilizing Resentment Conservative Resurgence From The John Birch Society To The Promise Keepers has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Mobilizing Resentment Conservative Resurgence From The John Birch Society To The Promise Keepers has opened up a world of possibilities. Downloading Mobilizing Resentment Conservative Resurgence From The John Birch Society To The Promise Keepers provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Mobilizing Resentment Conservative Resurgence From The John Birch Society To The Promise Keepers has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Mobilizing Resentment Conservative Resurgence From The John Birch Society To The Promise Keepers. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Mobilizing Resentment Conservative Resurgence From The John Birch Society To The Promise Keepers. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to

utilize reputable websites that prioritize the legal distribution of content. When downloading Mobilizing Resentment Conservative Resurgence From The John Birch Society To The Promise Keepers, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Mobilizing Resentment Conservative Resurgence From The John Birch Society To The Promise Keepers has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Mobilizing Resentment Conservative Resurgence From The John Birch Society To The Promise Keepers Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Mobilizing Resentment Conservative Resurgence From The John Birch Society To The Promise Keepers is one of the best book in our library for free trial.
