Mobs Daily Number Organized Crime And The Numbers Gambling Industry:

The Mob's Daily Number Don Liddick, 1999-02-18 The Mob's Daily Number provides an in depth historical and sociological examination of the numbers gambling industry that continues to generate significant income for organized criminals In addition this study uses the findings to assess the utility of the major theoretical perspectives in the study of organized crime The author begins with a description of the basic structure and functioning of the numbers game and a social and political history of illegal lotteries from the time of the colonial American British government to the present numbers game still prospering in many urban communities He then discusses and analyzes illegal markets and illegal firms before moving into the impact that organized crime generally and numbers gambling specifically have on community social processes coupled with a description of the social characteristics of numbers personnel and the significance of those issues in understanding illegal enterprises The author concludes with a thorough description of the of the major organized crime theories and the application of the presents findings to those broad theoretical paradigms encompassing the greater theoretical concerns in the realm of organized crime

Organized Crime Klaus von Lampe, 2015-07-16 2016 Outstanding Publication Award The International Association for the Study of Organized Crime Organized Crime Analyzing Illegal Activities Criminal Structures and Extra legal Governance provides a systematic overview of the processes and structures commonly labeled organized crime drawing on the pertinent empirical and theoretical literature primarily from North America Europe and Australia The main emphasis is placed on a comprehensive classificatory scheme that highlights underlying patterns and dynamics rather than particular historical manifestations of organized crime Esteemed author Klaus von Lampe strategically breaks the book down into three key dimensions 1 illegal activities 2 patterns of interpersonal relations that are directly or indirectly supporting these illegal activities and 3 overarching illegal power structures that regulate and control these illegal activities and also extend their influence into the legal spheres of society Within this framework numerous case studies and topical issues from a variety of countries illustrate meaningful application of the conceptual and theoretical discussion

Crime, Addiction and the Regulation of Gambling A. Spapens, Cyrille J.C.F. Fijnaut, Alan Littler, 2009-02-28 This is the third book to be produced by members of the Gambling Research Group associated with Tilburg University's Faculty of Law concerning issues closely connected with the debate on the gambling policies that the European Union and its Member States are pursuing The first book Alan Littler and Cyrille Fijnaut eds The Regulation of Gambling European and National Perspectives Leiden Martinus Nijhoff Publishers 2007 mainly considers the legal aspects of gambling regulation at both European Union and Member State level The second book Tom Coryn Cyrille Fijnaut and Alan Littler eds Economic Aspects of Gambling Regulation EU and US Perspectives Leiden Martinus Nijhoff Publishers 2008 looks at research conducted in the United States and the European Union into the costs and benefits involved in the regulation of gambling The contributions to this third book turn the spotlight on two social problems crime and addiction both of which

play a significant part in the institutional debate in the European Union concerning whether gambling should be treated as a service that like other services should be subject to the laws universally applicable to the internal market This volume is primarily devoted to the research that has been conducted in several Member States into the problems of gambling related crime and addiction It also examines developments at EU level What policy is the European Commission currently pursuing And what stance does the European Court of Justice take these days Crime and addiction problems that can arise in the context of online gambling and at possible ways of keeping them under control are also examined

Global Organized Crime Mitchel P. Roth, 2017-01-20 In the maelstrom of globalization and cyberspace organized crime continues to defy definition A diverse array of activities is perpetuated by criminal organizations criminal groups and associations and gangs and it is clear that one specific label is no longer adequate This book offers a uniquely global approach to organized crime and the multitude of forces that shape it in the 21st century As well as discussing definitions of and the historical roots of organized crime this book examines various forms of organized crime around the world in the US Mexico Latin America and the Caribbean Russia and Europe Asia and Africa This revised and updated new edition includes coverage of the rise of the Ndrangheta in Italy and their global expansion the impact of drug legalization on organized crime and the problem of methamphetamine organ trading money laundering and animal poaching changes in gang traditions and gangland penitentiaries the decentralization of Mexican cartels the growth of opium production in Myanmar and the drug war in Africa and the advancement of ISIS and the emergence of the Silk Road and the Dark Net This book is essential reading for students engaged in the study of global and transnational organized crime with features including chapter overviews key terms critical thinking questions and case studies

Philadelphia's Black Mafia Sean Patrick Griffin, 2003-07-31 Philadelphia's Black Mafia could be used as primary reading in deviance and organized crime courses Academicians in the fields of criminology sociology history political science and African American Studies will find the book compelling and important This book provides the first sociological analysis to date of Philadelphia's infamous Black Mafia which has organized crime with varying degrees of success in predominantly African American sections of the city dating back to the late 1960's Philadelphia's Black Mafia is a first step in developing both data and sophisticated theoretical propositions germane to the ongoing study of organized crime uses primary source documents including confidential law enforcement files court transcripts and interviews explores the group's activities in detail depicting some of the most notorious crimes in Philadelphia's history thoroughly examines the organization of the Black Mafia and the group's alliances conspiracies and conflicts challenges many of the current historical and theoretical assumptions regarding organized crime

Deconstructing Organized Crime Joseph L. Albin, Jeffrey Scott McIlwain, 2012-09-26 What is organized crime There have been many answers over the decades from scholars governments the media pop culture and criminals themselves These answers cumulatively created a Mafia Mystique that dominated discourse until after the Cold War when transnational

organized crime emerged as a pronounced if nebulous threat to global security and stability The authors focus both on the American experience that dominated organized crime scholarship in the second half of the 20th century and on the more recent global scene Case studies show that organized crime is best understood not as a series of famous gangsters and events but as a structure of everyday life formed by numerous political social economic and anthropological variables

Instructors considering this book for use in a course may request an examination copy here **Mapping Leisure across**

Borders Gianna Cappello,Ishwar Modi,Fabio Massimo Lo Verde,2014-04-23 In current academic debates leisure is increasingly defined as a discursive construction originating both from the specific meanings created by individuals and the institutionalizing processes that legitimate certain experiences and their spatial temporal conditions as leisure As a result of social construction and the different social conditions existing at a certain historical moment in different societies the borders among the various aspects of leisure are becoming more and more blurred as is the case for instance with the borders between leisure and work activities Such border crossing is the leitmotif of this book Although focusing on sociological research it has in fact a multidisciplinary scope and will appeal to a variety of scholars and students interested in the study of leisure in contemporary society as a fundamental dimension of everyday sociality and sociability with very important effects on social cohesion as a whole After an introductory section offering general frames on key definitions of leisure and leisure issues five other sections follow which concentrate on more specific aspects of leisure practices and forms in contemporary society The Con Men Terry Williams,Trevor B. Milton,2015-11-10 This ethnography of NYC s scammers

presents a revealing portrait of a critical but little known element of city life timely incisive and poignant Elijah Anderson author of Code of the Street This vivid account of hustling in New York City explores the sociological reasons why con artists play their game and the psychological tricks they use to win it Sociologists Terry Williams and Trevor B Milton spent years with New York con artists to uncover their secrets The result is an unprecedented view into how con games operate whether in back alleys and side streets or in police precincts and Wall Street boiler rooms Whether it s selling bootleg goods playing the numbers squatting rent free scamming tourists with bogus stories selling knockoffs on Canal Street or crafting Ponzi schemes con artists use verbal persuasion physical misdirection and sheer charm to convince others to do what they want Williams and Milton examine this act of performance art and find meaning in its methods Through their sophisticated exploration of the personal experiences and influences that create a successful hustler they build a portrait of unusual emotional and psychological depth This engaging ethnography demonstrates how the city s unique urban and social architecture lends itself to the perfect con *Mud Puddlers* Shaun Bailey,2017-06-03 William Black may be the first racketeer to ever hit Las Vegas He isn t content puddling mud or pouring Hoover Dam s concrete He s more concerned with running the Black Bank an underground lottery complete with runners middle men the works The only thing standing in his way is Simeon Eliason the boomtown s dictatorial mayor But does Black fall in line No instead he doubles down and the

reason is simple If Black succeeds he may never again have to perform hard labor But if he fails Eliason will have the proof he needs to send Black to the very back of the bread line or worse He could cement Black s legacy as a warning to every gangster intent on creating Sin City

Basic Gambling Mathematics Mark Bollman,2023-08-31 Basic Gambling Mathematics The Numbers Behind the Neon Second Edition explains the mathematics involved in analyzing games of chance including casino games horse racing and other sports and lotteries The book helps readers understand the mathematical reasons why some gambling games are better for the player than others It is also suitable as a textbook for an introductory course on probability Along with discussing the mathematics of well known casino games the author examines game variations that have been proposed or used in actual casinos Numerous examples illustrate the mathematical ideas in a range of casino games while end of chapter exercises go beyond routine calculations to give readers hands on experience with casino related computations New to the Second Edition Thorough revision of content throughout including new sections on the birthday problem for informal gamblers and the Monty Hall problem as well as an abundance of fresh material on sports gambling Brand new exercises and problems A more accessible level of mathematical complexity to appeal to a wider audience *American Sociological Review* ,1936 Includes sections Book reviews and Periodical literature

Transnational Organized Crime Margaret E. Beare,2017-07-05 This selection of influential articles traces our evolving understanding of transnational organized crime paradigm shifts from the alien conspiracy focused research to the more nuanced focused scholarship on markets and networks culminating in a focus on enablers of transnational crimes and evaluations of harm from transnational crimes The selected essays and articles reflect the way in which politics economics and social factors have impacted on scholarly thinking and the introduction also highlights the many authors and professionals who have been influential in this field This volume is an essential one stop resource for lecturers and students interested in all aspects of transnational organized crime

An Empirical, Theoretical, and Historical Overview of Organized Crime Don Liddick,1999 Part I analyzes the public s perception of organized crime discusses common myths describes the most important attributes addresses issues related to definition and provides an in depth look at contemporary global criminal enterprises Part II is a history of organized crime in the United States from colonial America to the present day It includes descriptions of the principal enterprises of how American organized crooks operate stresses the evolving nature of the phenomenon and discusses the integral part played by political and economic elites Part III focuses on theoretical issues describes the sociological foundation the development of organized crime theories and major organized crime paradigms

The Troopers Are Coming II Albert S. Kurek,2007-03 A History of the New York State Troopers from 1943 to 1985

Encyclopedia of Race and Crime Helen Taylor Greene,Shaun L. Gabbidon,2009-04-14 The organization of the reader s guide especially the groupings of landmark cases race riots and criminology theories is impressive Other related titles lack the breadth detail and accessibility of this work Recommended for all libraries essential for comprehensive social studies

collections Library Journal As seen almost daily on local and national news race historically and presently figures prominently in crime and justice reporting within the United States in the areas of hate crimes racial profiling sentencing disparities wrongful convictions felon disenfranchisement political prisoners juveniles and the death penalty and culturally specific delinquency prevention programs The Encyclopedia of Race and Crime covers issues in both historical and contemporary context with information on race and ethnicity and their impact on crime and the administration of justice These two volumes offer a greater appreciation for the similar historical experiences of varied racial and ethnic groups and illustrate how race and ethnicity has mattered and continues to matter in the administration of American criminal justice Key Features Covers a number of broad thematic areas basic concepts and theories of criminal justice the police courts and corrections juvenile justice public policy the media organizations specific groups and populations and specific cases and biographies Addresses such topics as gender hate bias crimes immigrant experiences international and cross cultural issues race and gangs and race and law Presents experiences of all major racial and ethnic groups in the U S including Asians Blacks Latinos Native Americans and Ethnic Whites as well as religious minorities such as Muslims Includes coverage of recent incidents like the alleged rape of a black female North Carolina Central University student by white male members of the Duke University Lacrosse Team the Jena 6 incident the Tulia Texas drug arrests the Rodney King beating the O J Simpson trials in the 1990s and more recent racial profiling incidents Two appendices provide information on locating and interpreting statistical data on race and crime as well as detailed instructions on how to access statistical data on the web for such specific areas as arrests drugs gang membership hate crimes homicide trends juvenile justice prison populations racial profiling the death penalty and victimization Because the topic of race and crime is of wide interest and relevance entries in this Encyclopedia are written in an accessible style to appeal to a broad audience making it a welcome addition to academic and public libraries alike New York Magazine ,1981-06-15 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Rise of the Mafia* Martin Short,2009-07-31 This book is based on research for Crime Inc P vii

Gambling in America United States. Commission on the Review of the National Policy Toward Gambling,1976 **Mafia and Organized Crime** James O. Finckenauer,2012-12-01 A compelling introduction to the global impact of organized crime Famous for being ruthless cruel and cool the Mafia has always captured the darker side of the imagination Here James Finckenauer debunks the myths surrounding the Mafia to reveal the harsh realities of global organized crime from Japan to Russia to Colombia Despite popular appeal these incredibly complex organizations destabilize society on a global scale perpetuating untold economic physical psychological and societal damage Mafia and Organized Crime A Beginner s Guide

provides vital insight into the real stories behind the world's richest and most successful criminals Organized Crime
Frank Shanty, Patit Paban Mishra, 2007-09-24 This fascinating work is a two volume guide to the shadow world the critical issues and the global reach of organized crime Despite its impact on international security and the world economy organized crime is an unusual topic for a reference book Difficult to research the high profit high risk subculture of drug lords diamond smugglers and sex slavers is rarely investigated by scholars Organized Crime An International Encyclopedia ventures behind the scenes into this hazardous territory In the first volume expert contributors offer a global perspective on issues such as weapons and arms trafficking high tech and cyber crimes the future of organized crime and the connection between organized crime and armed conflicts The second volume consists entirely of primary documents national and international laws and treaties that reflect the international community's many attempts largely ineffective to combat organized crime Together the two volumes provide students and general readers with a road map to a shadow world with far reaching impact on the world we know

Mobs Daily Number Organized Crime And The Numbers Gambling Industry Introduction

In the digital age, access to information has become easier than ever before. The ability to download Mobs Daily Number Organized Crime And The Numbers Gambling Industry has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Mobs Daily Number Organized Crime And The Numbers Gambling Industry has opened up a world of possibilities. Downloading Mobs Daily Number Organized Crime And The Numbers Gambling Industry provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Mobs Daily Number Organized Crime And The Numbers Gambling Industry has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Mobs Daily Number Organized Crime And The Numbers Gambling Industry. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Mobs

Daily Number Organized Crime And The Numbers Gambling Industry. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Mobs Daily Number Organized Crime And The Numbers Gambling Industry, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Mobs Daily Number Organized Crime And The Numbers Gambling Industry has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Mobs Daily Number Organized Crime And The Numbers Gambling Industry Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Mobs Daily Number Organized Crime And The Numbers Gambling Industry is one of the best book in our library for free trial. We provide copy of Mobs Daily Number Organized Crime And The Numbers Gambling Industry in digital format, so the resources that you find are reliable.
