Moby-Dick Centennial Essays Tyrus Hillway, Luther Stearns Mansfield, 1953 *Moby-Dick Centennial Essays* Tyrus Hillway, 1953 **Moby-Dick Centennial Essays** Tyrus Hillway, 1965 **Moby-Dick Centennial Essays** Tyrus Hillway, 1953 **Moby-Dick**, 1961 *Moby-Dick centennial essays*, ed Luther S. Mansfield, Melville Society, Tyrus Hillway, 1953 Moby Dick Centennial Essays. Edited for the Melville Society with an Intro Tyrus Hillway, Luther S. Mansfield, Melville Society, 1953 **Moby-Dick. Centennial Essays. Edited for the Melville Society. With an Introduction by T. Hillway and L.S. Mansfield** Tyrus HILLWAY (and MANSFIELD (Luther Stearns)), Luther Stearns MANSFIELD, 1953 **Melville's Evermoving Dawn** John Bryant, Robert Milder, 1997 This collection of analytical essays is the result of several conferences throughout 1991 the centenary of Herman Melville's death They survey the past and present of Melville Studies and suggest directions for the future Moby - Dick Centennial Essays... Introduction by Tyrus Hillway and Luther S. Mansfield Luther Stearns Mansfield, Tyrus Hillway, 1953 Herman Melville's Moby-Dick Michael J. Davey, 2013-11-19 No book is more central to the study of nineteenth century American literature than Herman Melville's Moby Dick or The Whale First published in 1851 it still speaks powerfully to readers today Combining reprinted documents with clear introductions for student readers this volume examines the contexts of and critical responses to Melville's work It draws together an introduction to the contexts in which Melville was writing and relevant contextual documents including letters chronology of key facts and dates critical history and extracts from early reviews and modern criticism fully annotated key passages from the novel a list of biblical allusions an annotated guide to further reading Extensive cross references link contextual information critical materials and passages from the novel providing a wide ranging view of the work and ensuring a successful and enjoyable encounter with the world of Moby Dick **The Cambridge Companion to Herman Melville** Robert S. Levine, 1998-05-13 Specially commissioned essays provide a critical introduction to one of the most significant writers of nineteenth century America **Manhood and the American Renaissance** David Leverenz, 2019-06-30 In the view of David Leverenz such nineteenth century American male writers as Emerson Hawthorne Melville Thoreau and Whitman were influenced more profoundly by the popular model of the entrepreneurial man of force than they were by their literary precursors and contemporaries Drawing on the insights of feminist theory gender studies psychoanalytical criticism and social history Manhood and the American Renaissance demonstrates that gender pressures and class conflicts played as critical a role in literary creation for the male writers of nineteenth century America as they did for the women writers Leverenz interprets male American authors in terms of three major ideologies of manhood linked to the social classes in the Northeast patrician artisan and entrepreneurial He asserts that the older ideologies of patrician gentility and of artisan independence were being challenged from 1820 to 1860 by the new middle class ideology of competitive individualism The male writers of the American Renaissance patrician almost without exception in their

backgrounds and self expectations were fascinated yet horrified by the aggressive materialism and the rivalry for dominance they witnessed in the undeferential new men In close readings of the works both of well known male literary figures and of then popular authors such as Richard Henry Dana Jr and Francis Parkman Leverenz discovers a repressed center of manhood beset by fears of humiliation and masochistic fantasies He discerns different patterns in the works of Whitman with his artisan s background and Frederick Douglass who rose from artisan freedom to entrepreneurial power Emphasizing the interplay of class and gender Leverenz also considers how women viewed manhood He concludes that male writers portrayed manhood as a rivalry for dominance but contemporary female writers saw it as patriarchy Two chapters contrast the work of the genteel writers Sarah Hale and Caroline Kirkland with the evangelical works of Susan Warner and Harriet Beecher Stowe A bold and imaginative work Manhood and the American Renaissance will enlighten and inspire controversy among all students of American literature nineteenth century American history and the relation of gender and literature

Prospects for the Study of American Literature Richard Kopley,1997-08 What can there possibly be left to say about This common litany resonant both in and outside of academia reflects a growing sense that the number of subjects and authors appropriate for literary study is rapidly becoming exhausted Take heart admonishes Richard Kopley in this dynamic new anthology for this is decidedly not the case While generations of literary study have unquestionably covered much ground in analyzing canonical writers many aspects of even the most well known authors both their lives and their work remain underexamined Among the authors discussed are T S Eliot Ralph Waldo Emerson William Faulkner Harriet Beecher Stowe Walt Whitman Ernest Hemingway Richard Wright Edith Wharton Nathaniel Hawthorne Zora Neale Hurston Henry James Willa Cather Herman Melville Edgar Allan Poe Henry David Thoreau and Mark Twain

Nineteenth-Century U.S. Literature in Middle Eastern Languages Jeffrey Einboden,2013-05-20 A transnational study of the American Renaissance which explores the literary circulation of Middle Eastern translations of 19th century U S literature In a pioneering approach to classic U S Literature Jeffrey Einboden traces the global afterlives of literary icons from Washington Irving to Walt Whitman and analyses 19th century American authors as they now appear in Arabic Hebrew and Persian translation Crossing linguistic cultural and national boundaries Middle Eastern renditions of U S texts are interrogated as critical readings and illuminating revisions of their American sources Why does Moby Dick both invite and resist Arabic translation What are the religious and aesthetic implications of re writing Leaves of Grass in Hebrew How does rendering The Scarlet Letter into Persian transform Hawthorne s infamous symbol Uncovering the choices and changes made by prominent Middle Eastern translators this study is the first to reveal the significance of orienting American classics dem

Herman Melville's Whaling Years Wilson Lumpkin Heflin,2004 Based on more than a half century of research Herman Melville s Whaling Years is an essential work for Melville scholars In meticulous and thoroughly documented detail it examines one of the most stimulating periods in the great author s life the four years he spent aboard whaling vessels in the Pacific during the early 1840s Melville would later

draw repeatedly on these experiences in his writing from his first successful novel *Typee* through his masterpiece *Moby Dick* to the poetry he wrote late in life During his time in the Pacific Melville served on three whaling ships as well as on a U S Navy man of war As a deserter from one whaleship he spent four weeks among the cannibals of Nukahiva in the Marquesas seeing those islands in a relatively untouched state before they were irrevocably changed by French annexation in 1842 Rebelling against duty on another ship he was held as a prisoner in a native calaboose in Tahiti He prowled South American ports while on liberty hunted giant tortoises in the Galapagos Islands and explored the islands of Eimeo Moorea and Maui He also saw the Society and Sandwich Hawaiian Islands when the Western missionary presence was at its height Heflin combed the logbooks of any ship at sea at the time of Melville s voyages and examined nineteenth century newspaper items especially the marine intelligence columns for mention of Melville s vessels He also studied British consular records pertaining to the mutiny aboard the Australian whaler *Lucy Ann* an insurrection in which Melville participated and which inspired his second novel *Omoo* Distilling the life s work of a leading Melville expert into book form for the first time this scrupulously edited volume is the most in depth account ever published of Melville s years on whaleships and how those singular experiences influenced his writing

The Oxford Encyclopedia of American Literature Jay Parini, 2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present At the core of the Encyclopedia lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail with each examined in the context of his or her times an assessment of the writer s current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as *Moby Dick* *Song of Myself* *Walden* *The Great Gatsby* *The Waste Land* *Their Eyes Were Watching God* *Death of a Salesman* and *Beloved* place the work in its historical context and offer a range of possibilities with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study

Spiritual Democracy Steven B. Herrmann, 2014-10-14 Exploring what the author calls the shaman poets Walt Whitman Herman Melville and Emily Dickinson this book demonstrates how far ahead of their times these writers were in forecasting developments of our current time It was Whitman who first wrote of *Spiritual Democracy* as a vision of transformation and global equality Steven Herrmann delves deep into the visionary expressions of this idea of *Spiritual Democracy* the realization of the oneness of humanity with the universe and all its forces in these early American writers showing the influence the groundbreaking work of the geologist and thinker Alexander Von Humboldt had

on Whitman and others Writing that every member of the global community regardless of color gender or sexual orientation can realize these freedoms the author explores how one can tap into the vitalizing source of equalizing vocational energy to bring a sense of purpose and peace Although the book shines as a work of literary criticism the author s insights as a Jungian psychotherapist take the reader ever deeper into the creative impulses of Whitman Melville Dickinson and other poets in their crafting of the seminal notion of Spiritual Democracy In addition Herrmann offers practical methodologies for personal and global transformation in the section Ten Ways to Practice Spiritual Democracy

Literary Spinoffs

Birgit Spengler, 2015-03-05

Birgit Spengler untersucht in ihrer Arbeit das zeitgen ssische Genre der Spinoffs Romane die klassische kanonische Werke der amerikanischen Literatur kreativ um und fortschreiben Am Beispiel der schreibenden Auseinandersetzung mit Klassikern wie Moby Dick oder den Adventures of Huckleberry Finn entschl sselst sie die literarischen Strategien die Spinoffs nutzen um auf gesamtkulturelle Sinnstiftungsprozesse Einfluss zu nehmen und sich in die kulturelle Imagination einzuschreiben Dabei stellen diese Romane auch die Frage nach der Abgeschlossenheit von Kunstwerken nach kulturellem Kapital und geistigem Eigentum neu

When people should go to the book stores, search start by shop, shelf by shelf, it is in fact problematic. This is why we offer the book compilations in this website. It will agreed ease you to look guide **Moby Dick Centennial Essays** as you such as.
