

MOBY JANE

SOUNDING

poets all begin in the same place
inking the paper down
keeping it cool
so the crowd of readers doesn't melt away

readers all begin in the same place
drinking the poem up
burning the paper after it
so the crowd of writers can't turn back

Touched by a beautiful sandy I've been tumbling home to
from visions of difference, the crazy cities of time inside the rain,
outside the sun, shining stone by stone, amounting to a small
pile at my feet of ideas to pick up & lick & throw skipping as far
as I can, as I can see, until they sink into blindness, falling to the
center of attention. Beauty, the switch between light & gravity,
that doesn't look past being seen, that being held feels no
weight, turns the actual on. We return to each other. Make life.
Each time. Home free.
