Mobydick And Peace Melvilles Gospel Of The Century Revisited:

Zen and the White Whale Daniel Herman,2014-05-01 In Moby Dick s wide philosophical musings and central narrative arch Daniel Herman finds a philosophy very closely aligned specifically with the original teachings of Zen Buddhism In exploring the likelihood of this hitherto undiscovered influence Herman looks at works Melville is either known to have read or that there is a strong likelihood of his having come across as well as offering a more expansive consideration of Moby Dick from a Zen Buddhist perspective as it is expressed in both ancient and modern teachings But not only does the book delve deeply into one of the few aspects of Moby Dick s construction left unexplored by scholars it also conceives of an entirely new way of reading the greatest of American books offering critical re considerations of many of its most crucial and contentious issues while focusing on what Melville has to teach us about coping with adversity respecting ideological diversity and living skillfully in a fickle slippery world
