Model Handbook For Interlending And Copying:

Model Handbook for Interlending and Copying G. P. Cornish, 1988 Contains a model national interlibrary lending code drawn up by IFLA as well as a 1987 statement by IFLA entitled International Lending Principles and Guidelines for Procedures

Interlibrary Loan Practices Handbook Virginia Boucher, 1997 In this new edition of the definitive Interlibrary Loan Practices Handbook edited by Cheri T. Weible and Karen Janke expert contributors clearly explain the complexities of getting materials for patrons from outside the library This collection presents a complete view of the interlibrary loan ILL process with contributions from all areas of the technical services community providing Guidance on how to do ILL efficiently and effectively with advice on being a considerate borrower and lender Details of preferred staffing and management techniques showing how best practices can be implemented at any institution Discussion of important issues that can fall between the cracks such as hidden copyright issues and the logistics of lending internationally As consortia and other library partnerships share ever larger fractions of their collections this book gives library staff the tools necessary for a smoothly functioning ILL system

Resource Sharing Today Corinne Nyquist, 2014-07-22 Budget constraints challenge collection development in unprecedented ways Collection development has increasingly become a cooperative effort among libraries in geographic proximity When their own library doesn't have certain books or journals users turn to interlibrary loan to obtain the resources they need However many library science degree programs don't cover interlibrary loan Resource Sharing Today is a practical guide to resource sharing starting with the library across town and ending with libraries on the other side of the globe Chapters cover everything from the ALA's interlibrary loan form to successful innovations such as Virginia Tech's ILLiad to New York's IDS Information Delivery Service Appendices include regional state national and international ILL codes ALA and IFLA forms open access agreements and purchase on demand plans

Global Resource Sharing Linda Frederiksen, Margaret Bean, Heidi Nance, 2011-11-09 Written from a global perspective this book reviews sharing of library resources on a global scale With expanded discovery tools and massive digitization projects the rich and extensive holdings of the world's libraries are more visible now than at any time in the past Advanced communication and transmission technologies along with improved international standards present a means for the sharing of library resources around the globe Despite these significant improvements a number of challenges remain Global Resource Sharing provides librarians and library managers with a comprehensive background in and summary of the issues involved in global resource sharing Analyses current and future environments for international resource sharing including past research and discussions Provides an international perspective on a global library issue Includes examples of successful and innovative global resource sharing initiatives
