Mother Teresa Of Calcutta A Fruitful Branch On The Vine Jesus:

A Fruitful Branch on the Vine, Jesus Mother Teresa (Saint), Mother Teresa of Calcutta, 2000 Mother Teresa was a living saint whose life nourished those around her and who was herself nourished by prayer This little book prepared by the nuns of her order the Missionaries of Charity or Sisters of Mother Teresa of Calcutta is published in this country for the first time for the celebration of her third death anniversary Here are Mother Teresa's prayers and excerpts from her writings many in her own handwriting reproduced on the page accompanied by line drawings by the sisters The simple drawings of the sisters complement the simple words of Mother Teresa These simple words and simple drawings show the way to a profound joy through service to God in service to the poorest of the poor **Mother Teresa** Gezim Alpion, 2006-10-16 Mother Teresa was one of the most written about and publicised women in modern times Apart from Pope John Paul II she was arguably the most advertised religious celebrity in the last quarter of the twentieth century During her lifetime as well as posthumously Mother Teresa continues to generate a huge level of interest and heated debate G zim Alpion explores the significance of Mother Teresa to the mass media to celebrity culture to the Church and to various political groups A section explores the ways different vested interests have sought to appropriate her after her death and also examines Mother Teresa's own attitude to her childhood and to the Balkan conflicts in the 1980s and 1990s This book sheds a new and fascinating light upon this remarkable and influential woman which will intrigue followers of Mother Teresa and those who study the vagaries of stardom and celebrity culture **Catholic Wisdom for a Mother's Heart** Donna-Marie Cooper O'Boyle, 2018-05-08 Catholic Wisdom for a Mother's Heart is a creative and practical guide for a wide range of domestic church situations Catholic women can live out their familial vocation with seasoned simple suggestions for answering Christ's universal call to holiness Lovely poems conclude each chapter on a note of warmth that will lift hearts beyond the kitchen and up the path toward heaven This resource is for Catholic mothers and grandmothers who often fill the motherly role who are in the trenches raising their children through thick and thin amid the bombardment of the culture They need and crave the guidance encouragement and affirmation that this welcoming book will offer **Best Sermons Ever (Compact Edition)** Christopher Howse, 2004-06-15 Each sermon is introduced by a short note on the preacher and his time and a contemporary prayer is added at the end The sermons range from hell fire to profound spiritual comfort John Knox's sermon castigates the monstrous regiment of women Bossuet preaches on the love of God and Martin Luther King on his dream of the Promised Land Some sermons are familiar as are many of the authors but the book is also packed with surprises including sermons by Herman Melville Laurence Sterne and Thomas Aquinas This unique book will edify delight and amuse It is also of quite exceptional historical interest Mother Teresa's General Letters to Her Sisters Kolodiejchuk MC Brian, 2024-06-21 Mother Teresa's General Letters to Her Sisters is a collection of Mother Teresa's circular letters to the members of her religious congregation the Missionaries of Charity Sisters Not intended for those outside her community they

were written informally and spontaneously often with little editing It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order Seemingly of little interest except for those to whom they were addressed the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century At the same time and perhaps surprisingly these letters may also prove to be worthwhile reading for a wider audience Something of God s wisdom and love seems to shine through Mother Teresa s guidance and counsels giving the reader light and help even though he or she is not living the same religious life as one of the Sisters Mother Teresa s unpolished statements are at times humble and at times humbling They inspire confidence and encourage generosity Many a time they are humorous but more often challenging They are sprinkled with serene joy but also permeated with deep pain She delighted in her Sisters accomplishments yet did not shy away from correcting even the smallest flaw which didn t escape her very observant eye Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charism endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unrelenting service of the poorest of the poor or the perceived love of a mother s heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa s presentation of traditional spiritual themes likewise relevant for contemporary needs In the context of Mother Teresa s statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God s presence through the little miracles of His love in one s daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God
