Harley-Davidson Motorcycles Sarah L. Schuette, 2006-09 Brief text describes Harley Davidson motorcycles including their main features how people customize them and why they are popular Provided by publisher **Driver**, 1980 **An Alternative History of Bicycles and Motorcycles** Steven E. Alford, Suzanne Ferriss, 2016-04-06 An Alternative History of Bicycles and Motorcycles Two Wheeled Transportation and Material Culture accounts for the nineteenth century creation and development of two wheeled vehicles both human powered and motorized Specifically the book focuses on the period from 1885 which saw the appearance simultaneously of the Safety bicycle and the Einspur the first motorcycle to 1920 while exploring implications for later bicycling and motorcycling We argue that invention of these vehicles rather than the product of gifted individuals should be seen as the consequence of a number of historical economic cultural and political forces that intersect so unpredictably that the notion of a genius inventor is reductive The common evolutionary model of development

from the bicycle to the motorcycle oversimplifies both the technology and its origins Stripping the vehicles of all their material and cultural associations such a model fails to advance our understanding of the devices their creators and their riders Taking a contemporary vehicle and tracing its lineage creates a false sense of evolutionary necessity in its creation and fails to account for the many possible developmental paths that were for whatever reason abandoned By contrast our book adopts a material culture approach a form of inquiry that stresses the connections between artifacts and social relations We consider not simply the bicycle and motorcycle as material objects but focus also on the complex socio political and economic convergences that produced the materials materials that in turn themselves shaped the vehicles appearance function and adoption by riders

The Motorcycle Industry in New York State, Second Edition Geoffrey N. Stein,2023-05-01 The Motorcycle Industry in New York State is the first book to focus on the over 120 year history of motorcycle construction in the Empire State Beginning with experimental motorized bicycles in the 1890s New York s motorcycle industry experienced its golden years for innovation and production in the 1900s and 1910s From that promising start the state s motorcycle industry declined when the public adopted automobiles for everyday transportation However since the late twentieth century the rise of custom one of a kind motorcycles has brought a new focus toward the industry Also a new effort to reach mass production comes in the form of e motorcycles and e bicycles that are being designed in New York The first edition published in 2001 was the product of nine years of research by New York State Museum NYSM curator Geoffrey N Stein This second edition has been revised and updated by NYSM Senior Historian and Curator Brad L Utter For anyone who loves motorcycles or for those enthusiasts collectors that wish to know more about these unique makers and the bikes that they created The Motorcycle Industry in New York State is the ideal companion

Off-road Vehicle Use Richard N. L. Andrews,Paul F. Nowak,1980 **St. Ignace Car Culture** Edward K. Reavie,2010 St Ignace hosted its first car show in 1976 as part of the bicentennial celebration Over the years the annual gathering has grown into one of the largest collector vehicle events in the country This lakeside community overlooking the mighty Mackinac Bridge and historic Mackinac Island boasts a spectacular waterfront the perfect backdrop for a stunning array of eye catching vehicles In the early years media referred to this show as dessert As the numbers of participants and attendees grew it became known as the main course For teenagers growing up in the 1950s it was all new cruisin drive ins drag strips the country s intense love affair with the automobile and the birth of rock n roll Over 34 years the St Ignace Car Show has brought hundreds of automotive legends to town and car show traffic set crossing records on the Mackinac Bridge that are unlikely ever to be broken So fire up the hot rod and cruise back to a simpler time all these cars and still no traffic light

American Icons Dennis R. Hall,Susan Grove Hall,2006-06-30 What do Madonna Ray Charles Mount Rushmore suburbia the banjo and the Ford Mustang have in common Whether we adore ignore or deplore them they all influence our culture and color the way America is perceived by the world In this A to Z collection of essays scholars explore more than one hundred people places and phenomena as they seek to discover what it means to be

labeled icon From the Alamo to Muhammad Ali from John Wayne to the zipper the American icons covered in this unique three volume set include subjects from culture law art food religion and science By providing numerous ways for the reader to engage in the process of interpreting these images and artifacts the work serves as a unique resource for students of American history and culture Features 100 illustrations What do Madonna Ray Charles Mount Rushmore suburbia the banjo and the Ford Mustang have in common Whether we adore ignore or deplore them they all influence our culture and color the way America is perceived by the world This A to Z collection of essays explores more than one hundred people places and phenomena that have taken on iconic status in American culture The scholars and writers whose thoughts are gathered in this unique three volume set examine these icons through a diverse array of perspectives and fields of expertise Ranging from the Alamo to Muhammad Ali from John Wayne to the zipper this selection of American icons represents essential elements of our culture including law art food religion and science Featuring more than 100 illustrations this work will serve as a unique resource for students of American history and culture The interdisciplinary scholars in this work examine what it means when something is labeled as an icon What common features do the people places and things we deem to be iconic share To begin with an icon generates strong responses in people it often stands for a group of values John Wayne it reflects forces of its time it can be reshaped or extended by imitation and it often breaks down barriers between various segments of American culture such as those that exist between white and black America or between high and low art The essays contained in this set examine all these aspects of American icons from a variety of perspectives and through a lively range of rhetoric styles
