weapon Beneath the Surface In retrospect perhaps archaeologist Mallory Reeves shouldn't have delivered the divorce papers to her estranged husband mere weeks before her marriage to another man She knew seeing Adrian again would stir up memories but she didn't expect so many of them to be good not after the mess they both made three years ago She also didn't expect to want to stay at the dig site on the Yucatan Peninsula But the lure of the ancient ship and yes her sexy ex provide more of a draw than the white picket fence she thought she wanted Marine archaeologist Adrian Reeves has good reason to trust no one His former partner and former best friend made off with his last archaeological find And his wife left him frustrated by his obsession for professional revenge Now both Mallory and his nemesis have returned and it can't be an accident that they've turned up in the middle of the most important excavation of his career Seeing her again unearths old pain and rekindles never forgotten desire Now he has to decide if he can trust Mallory again More importantly if he can trust himself with her Hot Shot Peyton Michaels expected her assignment to be simple write an article about everyday heroes Heroes like Hot Shot firefighter Gabe Cooper She never expected to find herself running up a mountain a wildfire nipping at her heels her life in his hands And she never expected to be drawn to Gabe After the loss of her husband in the line of duty the last thing she wants is to fall in love with yet another man who routinely puts his life at risk Gabe has had enough of women who want to make him into someone he's not Women like his ex who couldn't handle the heat of his job Like Peyton who sees him as a hero when he's just a man doing a job Except time after time the pesky reporter proves her mettle And gets deeper under his skin But there's an arsonist at work and danger is closing in with the speed of a raging brush fire Peyton and Gabe have to dig deep for what it takes to be a real hero to find the courage to reach out and grab a forever kind of love Before it's too late
