dictionnaire d'économie politique Léon Say,1892 *Comparing Political Corruption and Clientelism* Junichi

Kawata,2017-03-02 Past modernization literature has assumed that corruption and clientelism reflect a pre modern social structure and could be referred to as a pathologic phenomenon of the political system Very few have considered corruption and clientelism as structural products of an interwoven connection between capital accumulation bureaucratic rationalization interest intermediation and political participation from below This volume analyzes key aspects of the debate such as should corruption and clientelism be evaluated as a lubricant in terms of administrative efficiency legitimate demands from the margins of society to redress social and economic inequality or to readdress economic development What would be the effect of strengthening policing to control political corruption Could electoral reform or a decentralization of government power be a cure for all These questions among others are answered in this comprehensive volume Sovereign Idea Reginald

Whitaker,1991 Bringing together the best of Reg Whitaker s essays on democracy federalism and the state A Sovereign Idea will be essential reading for anyone interested in the rise of the idea of democracy in Canada The essays each in its own way

are an attempt to discover how a more democratic Canada can be achieved

Entre parenté et politique - Développement et clientélisme dans le Delta du Sénégal, 2005-01-01. Ce travail a pour point de départ la libéralisation économique et politique intervenue au début des années quatre-vingt. Dans le nord du pays, le désengagement de l'État s'accompagne de la construction de barrages destinés à l'aménagement du fleuve Sénégal. Alors que la promotion d'un modèle d'irrigation privée a tenté de substituer des rapports marchands aux liens de dépendances personnels, les relations clientelistes en sont sorties renforcées. Le clientélisme s'est reconstitué sur de nouvelles bases productives par l'intermédiaire d'entrepreneurs politiques qui captent dans la sphère privée les ressources destinées à mobiliser leurs clients.
