Pioneer Doctor The Story Of A Woman's Work:

Pioneer Doctor Mari Grana, 2005 When Mollie stepped off the train in Salt Lake City Utah in 1890 she knew she had to start a new life She left her husband and his medical practice behind in Iowa and with only a few hundred dollars in her pocket and a great deal of pride she set out to find a new position as a physician She was offered a job as a doctor to the miners in Bannack Montana and thus began her epic adventures as a pioneer doctor a suffragette and a crusader for public health reform in the Rocky Mountain West Pioneer Doctor The Story of a Woman's Work is the true story of Dr Mary Mollie Babcock Atwater a medicine woman who found freedom and opportunity in the wide open spaces of America's frontier west This remarkable tale has been creatively retold here by her granddaughter award winning author Mari Grana Blending information from historical records as well as interviews with family and friends the author has reconstructed Mollie's steps into a dramatic narrative that brings to life the doctor's struggles her accomplishments and the times in which she lived Beautifully written and thoroughly researched this is not just the biography of a fascinating woman It is also the story of an era when daring women ventured forth and changed history for the rest of us **Pioneer, Polygamist, Politician** Mari

Grana, 2009-09-01 A riveting look at an untold chapter of Western history this book tells the story of Martha Hughes Cannon the first woman elected to the state senate in Utah in 1896 She was a polygamist wife a practicing physician and an astute and pioneering politician Pioneer Polygamist Politician traces her life from her birth in Wales to her emigration to Utah with her family in 1861 her career as a physician her marriage her exile in England and her subsequent return and her election to the Utah state senate Cannon was a Democrat and her husband was the Republican candidate she defeated in that historic election *A Pioneer Doctor* Elizabeth Porter Gould, 1904 **Dr. Martha** Mari Grana, 2015-09-01 Dr Martha tells the

fascinating story of Martha Hughes Cannon the first woman elected to the Utah state senate in 1896 She was a polygamist wife a practicing physician and an astute and pioneering politician In compelling prose author Mari Grana traces Cannon's life from her birth in Wales to her emigration to Utah with her family in 1861 her career as a physician her marriage her exile in England her subsequent return and her election to the Utah state senate Her husband was the Republican candidate she a Democrat defeated in that historic election African American Women of the Old West Tricia Martineau

Wagner, 2007-02-01 The brave pioneers who made a life on the frontier were not only male and they were not only white The story of African American women in the Old West is one that has largely gone untold until now The story of ten African American women is reconstructed from historic documents found in century old archives The ten remarkable women in African American Women of the Old West were all born before 1900 some were slaves some were free and some lived both ways during their lifetime Among them were laundresses freedom advocates journalists educators midwives business proprietors religious converts philanthropists mail and freight haulers and civil and social activists **Country Doctor and the Epidemics** Steven D. Helgerson, 2017-03-10 Can a country doctor alter the fate of his patients Or his own fate In mid

October 1918 the largest epidemic of the 20th Century struck in a small eastern Montana town Within a few weeks influenza had killed dozens of people in the rural county But this was just one of a series of extraordinary events attacking the social fabric of the community in 1917 and 1918 Rich in detail broad in scope this story places a fictional physician in the midst of the riveting events of those years The physician grieves the death of his wife and unborn child He is deeply troubled by the limitations of medical science Then he is tragically enveloped by yet another epidemic What is the fate of this country doctor

Outlasting the Trail Mary Barmeyer O'Brien,2005-06-01 Mary Rockwood Powers reluctantly left her comfortable life as a doctor's wife in Wisconsin in 1856 one of the many women whose destiny as a settler of the West was determined by her husband's wishes Trading in her home for canvas roof and wheels Mary her husband and their three children set out on the arduous trek westward to California Shortly into their travels west it became painfully obvious that Doctor Powers was simply not up to the task of making sure his family outlasted the trail Mary had to step in and become the head of the household with its canvas roof and wheels leaving behind her ideals of femininity along with her beloved possessions In Outlasting the Trail author Mary Barmeyer O'Brien uses the letters Mary Rockwood Powers wrote to her mother and sister back home as a stepping off point to further illuminate this remarkable woman's story Based on the dramatic struggle a real family this novel brings to life a fascinating slice of American history

Pistol Packin' Madams Chris Enss,2006-07-01 Between 1840 and 1870 hundreds of thousands of enthusiastic dreamers embarked on a 2 000 mile journey into the wide open frontier of the United States in search of free land gold adventure and a better life Although only a few women were numbered among the very first pioneers those who did take the risk changed the face of the United States forever The western woman left the restrictions and conventions of her way of life behind and carried the struggle of emancipation into areas sacred to the male She competed in business and politics bronco busting smoking drinking gambling and gun toting This book celebrates the stories of the nonconforming gun toting pioneers who settled the West **Woman's Work**,1920

»**Gold Fever« and Women** Sigrid Schönfelder,2023-02-06 Throughout its history the American West symbolized a place of hope and new beginnings where anything was possible especially for men However the history written until the 1970s and 1980s excluded women Sigrid Schönfelder illustrates how the American West served as a catalytic gold mine for many transformations for women It draws on the life narratives of three healthcare providers whose devotion within the social reform movements of the long nineteenth century contributed significantly to shaping healthcare policies Their stories show how women contributed to place making in the West and served as role models for other women to enter the field of medicine *Lutheran Woman's Work*,1917 **Montana Madams** Nann Parrett,2017-01-13 Men flooded to the Montana frontier for gold furs rich land and jobs Women followed but their options were more limited Here are stories of women who made a desperate choice turning the law of supply and demand to their advantage Many eked out a meager but independent existence grit and business acumen brought remarkable wealth and influence even respectability to a few From Alzada to

Yaak these enterprising women shaped Montana communities in some cases helping to fund social programs and public education **Woman's Work for Woman and Our Mission Field** ,1912 *A Crown of Service; a Story of Woman's Work in the Methodist Episcopal Church* Noreen Dunn Tatum,1960 The Law and the Woman Sir Edward Abbott Parry,1916

A Woman's Work Marian Betancourt,2017-10-01 Uncover the Story of a Remarkable Woman of the West Esther Morris 1812 1902 was a unique American woman whose life paralleled the dramatic events of the 19th century abolition railroads Civil War and suffrage She lived on three frontiers and made a difference on each one Ultimately by organizing what may have been the second most important tea party in American history she made it possible for Wyoming to be the first place in America where women could vote Proceedings of the Annual Convention National Association of State Universities and Land-Grant Colleges,1920 Patriotic Toil Jeanie Attie,1998 During the Civil War the United States Sanitary Commission attempted to replace female charity networks and traditions of voluntarism with a centralized organization that would ensure women s support for the war effort served an elite liberal vision of nationhood Coming after years of debate over women s place in the democracy and status as citizens soldier relief work offered women an occasion to demonstrate their patriotism and their rights to inclusion in the body politic Exploring the economic and ideological conflicts that surrounded women s unpaid labors on behalf of the Union army Jeanie Attie reveals the impact of the Civil War on the gender structure of nineteenth century America She illuminates how the war became a testing ground for the gendering of political rights and the ideological separation of men s and women s domains of work and influence Attie draws on letters by hundreds of women in which they reflect on their political awakenings at the war s outbreak and their increasing skepticism of national policies as the conflict dragged on Her book integrates the Civil War into the history of American gender relations and the development of feminism providing a nuanced analysis of the relationship among gender construction class development and state formation in nineteenth century America **American Philanthropy Abroad** Merle Curti,2017-09-29 This book tells for the first time in rich detail and without apologetics what Americans have done in the voluntary sector and often without official sanction for human welfare in all parts of the world Beneath the currently fashionable rhetoric of anti colonialism is the story of people who have aided victims of natural disasters such as famines and earthquakes and what they contributed to such agencies of cultural and social life as libraries schools and colleges The work of an assortment of individuals from missionaries to foundation executives has advanced public health international education and technical assistance to the Third World These people have also assisted in relief and relocation of refugees displaced persons and those who suffered religious and racial persecution These activities were especially noteworthy following the two world wars of the twentieth century The United States established great foundations Carnegie Rosenwald Phelps Stokes Rockefeller Ford among others which provided another face of capitalist accumulation to those in backward economic regions and those suffering political persecution These were meshed with religious relief agencies of all denominations that also contributed to make possible

what Arnold Toynbee called a century in which civilized man made the benefits of progress available to all mankind This is a massive work requiring more than five years of research drawing upon a wide array of hitherto unavailable materials and source documents *Women Doctors in War* Judith Bellafaire, Mercedes Herrera Graf, 2009-10-27 In their efforts to utilize their medical skills and training in the service of their country women physicians fought not one but two male dominated professional hierarchies the medical and the military establishments In the process they also contended with powerful social pressures and constraints Throughout *Women Doctors in War* the authors focus on the medical careers aspirations and struggles of individual women using personal stories to illustrate the unique professional and personal challenges female military physicians have faced Military and medical historians and scholars in women s studies will discover a wealth of new information in *Women Doctors in War*
