The Almost Mystic Steven P. Tungate,2024-07-31 John Wesley eighteenth century Church of England priest and founder of Methodism was strongly influenced by the works of Roman Catholic mystics early in his ministry These writings shaped his widely known doctrine of Christian perfection or entire sanctification The mystics inspired Wesley to advocate for a lofty spiritual goal that he believed to be attainable in this life In time however he developed many contentions with extremes as well as some particulars found in the mystical tradition Beginning in 1749 Wesley began to publish his Christian Library a fifty volume compilation of abridged works that he believed to be among the best writings on practical divinity that had been published in English Among this vast collection he incorporated two works originally written in Spanish including a sampling of Letters by Juan de vila and the Spiritual Guide by Miguel de Molinos This book examines

Wesley's editing of these works as a way of evaluating Wesley's theology in comparison and contrast with Spanish mysticism. In particular, this book serves as a comparative study among these authors on matters of theological authority, self-knowledge, and epistemology, soteriology, spiritual growth, suffering, and divine withdrawal, prayer, meditation, contemplation, and the spiritual goal.

The Rapture, the Antichrist, and the Tribulation Rick Renner, 2025-09-02 YOU'VE HEARD OF THE RAPTURE BUT WHAT HAPPENS NEXT Questions about the Bible and God's timeline of events for human history abound as more people sense we are reaching the end of an age. They instinctively know that when one epoch of time ends, another lies in wait and will soon after begin. But what is the pivotal point in time upon which these mysterious next events hinge? In this book, Rick Renner takes you on a deep dive into Scripture to show you that Christ's rapture of His Church is the domino event that will set in motion the next phase in God's prophetic timeline. The Rapture is the event God's people should desirously anticipate as they prepare to meet Him face to face. But the Rapture, Heaven, and the Marriage Supper of the Lamb are not the end for true believers in Christ, as Rick vividly explains. In this book, you'll learn which group of saints will be raised first to meet Jesus in the Rapture. The identity of those who are alive and remain that will be raised next. The origin of the word rapture and every Greek instance of this word in the New Testament. How to be prepared for the Rapture in the dark last hours of time. What it will look like when mortal bodies put on immortality. The identity of the restrainer that withstands the onslaught of evil on the earth right now. The Antichrist's attributes according to Scripture and when he will finally be revealed. How to avoid contamination by the spirit of the Antichrist that is already in the world. Five differences between the Rapture of the Church and the Second Coming of Christ. Who will be affected by the horrific bowls of judgment in the Great Tribulation to come. And much more. This book will answer many of your questions about end-time events and surprise you with information on this subject you probably didn't know existed. In fact, this may be the most comprehensive look at all three topics: the Rapture, the Antichrist, and the Tribulation you've ever read in just one book. **Thinking with the Poem** Andrew R. Mossin, 2024-12-15 Broad-ranging and pluralistically investigative, the essays in *Thinking with the Poem* document Rachel Blau DuPlessis's authorial interventions as a poet, scholar, and cultural critic steeped in the linguistic and political frames of her time. The writers included in this volume engage root-level questions at the heart of DuPlessis's praxis as posed by her in a recent essay: What is a poem? What is a poet? What is an oeuvre? What is the poetic? Inventive and noncanonical, these essays offer substantive responses to these and other questions, providing new routes of inquiry into the poetry and poetics of this preeminent figure of new writing.

Rapture Richmond Barrett, 1924 **Rapture at Sea** Carolyn Muller, Humphrey Muller, 2000-10-27 With the advent of the year 2000, for so many, the prospect of Christ's promised return has become more of a reality. So what if Parousia or the Rapture does take place during the millennium era? What if Christ returns to Earth while some are on a sea voyage? Would some be taken and some left?

Rapture Runner Richard Vaughn, 2008-03 A lonely divorced man jogging along the beach obsesses about a strange girl who passes every day; he changes his life to find out who

she is Haunted about aging without grace a prissy high school teacher seduces a young art student to obtain a timeless portrait that will outlive her Drought in a prairie town provokes a murderous incident The legacy of a family s pearl necklace reveals a secret of sacrificial devotion Deer hunters and duck hunters confront more than sport when they venture into the wild A social climber who preys on wealthy guests at a resort is undermined by fraud Tourists and travelers in Italy Korea China and the Philippines find themselves in frustrating and dangerous incidents An elderly man confronts a teenage sweetheart he must escape while other men learn to accept unexpected love or ultimate rejection and loss Throughout these thirty two tales are people who encounter longing regret humor success failure love and regeneration as they cope with and try to survive events they have instigated or inherited under the relentless terms of the human condition Tennyson's Rapture Cornelia D. J. Pearsall,2008-01-29 This book explores Tennyson s representation of rapture as a radical mechanism of transformation theological social political or personal and as a figure for critical processes in his own poetics Offering a new approach to reading Victorian dramatic monologues Pearsall probes the complex aims of these performances showing how speakers ambitions are both articulated in and attained through their consequential speech **Rapture River** Robert Edward Smith,2024-11-08 Rapture River Robert Edward Smith s first novel tracks the relationship of two lovers who are as unpredictable as Michigan s weather Josh a Catholic priest and Joyce a Native American meet at St Peter The Fisherman Catholic Church on the banks of the Black River a premier brook trout stream for fly fishing Each embraces their own spiritual heritage but struggles with an inner sensual demon They must prove strong enough to bridge that spiritual gap and assuage his guilt and her anguish over their coupling Their relationship is facilitated by Josh s 89 year old fly fishing mentor Ted and his Labrador Retriever Molly The Black River is the mainstream in their story but the novel is not mainstream The River and wilderness are presented as seen through the eyes of Joyce and Josh whose emotional attachment to their environs pulls the reader into their quest The author describes the wrenching action they encounter with captivating prose as this example when they are in the middle of the river in their waders For a long time they were alone until startled by a swish and loud flapping A hawk angled down directly above and dove with its wings held tight piercing the water like an arrow and disappearing under the surface then bursting up in a gush of spray with a large trout hooked in its talons The trout thrashed about fiercely slapping the river with its tail splashing a shower of water The hawk twisting to shake off the droplets let out a shrill scream and hovered momentarily just above water pounding its drenched wings and rising the trout clamped in its black claws The novel slips into fantasy fable and the enchantment of nature A murder a gambling casino a mission church of serpent handlers and accidental oil spills steal into the story seamlessly The author deftly manipulates these genres He inserts the thoughts of his characters through italicized stream of consciousness paragraphs and introduces each by a black silhouette image of an animal which represents that character as a butterfly or a hawk rendering the novel more reader friendly The novel fits into the little publicized genre of slipstream probably exemplified best by the writings of Jorge Luis

Borges But there is no slipstream section at our current bookstores Even the main character the River is unpredictable sometimes harsh yet comforting even obedient Through a Kangaroo Court a medium of last resort the author deftly convinces his readers that this is the only fair trial available for the guilty party His readers will be intrigued and drawn into the story as if it were true Rapture River is a Romance a Murder Mystery an escapist Fable but above all a magical quest for fulfillment in our strange times *Rapture of the Deep* Alan Gill,2011-07-21 In two hundred B C a migrating Celtic tribe led by one of the most prominent women in history settled on a lonely island in what is now Scotland She was the prophetess Veleda a Druid She was raped by a mythical creature called a Selkie and the Druid magic combined with the strength of the Selkie the Mermaid was born One of the Druid offspring is Catherine a young divemaster who operates a scuba diving business on Bainbridge Island in Washington State In the cold black waters of Puget Sound Steve and Gil an oceanographer and photographer charter Catherine's boat By day the divers plumb the depths of undersea reefs and by night Gil is courted by the beautiful women of the sisterhood who anxiously await his semen and are prepared to take it by force in order to impregnate the fertile young mermaids Gil must ultimately decide on his own fate Will he fly to the Caribbean and escape or serve the mistress of the sisterhood Part 1 of the trilogy [Rapture 911](#) Marsha Kuhnley,2019-11-18 Are you afraid of what's in store for humanity Think the End of the World is coming The Bible reveals what the future holds If you fear for your salvation or that of your family and friends Hope still remains It could happen at any moment The Rapture of believers Will you be Left Behind to survive the Apocalypse You can join the millions who will be saved Do you already believe Then you can be a guiding light and help those who are Left Behind Rapture 911 What To Do If You're Left Behind is your all in one resource to survive the Tribulation and prepare for Jesus's triumphant Second Coming Inside this book are the following essentials Easy to understand Biblical analysis Theological overview of forthcoming events surrounding the End Times revealing mysteries that lie ahead Why millions of people will disappear and what those Left Behind can do to be saved The truth behind fake news and deceptions surfacing today that will be prominent after the Rapture Compelling examples of prophecies fulfilled that prove God's Word is trustworthy Empowering coping mechanisms from courageous Biblical heroes guiding you to overcome shame grief and paralyzing fear A checklist of preparations a handy glossary and much much more You'll love this handbook for navigating the Last Days because you want to live in Heaven and you care about saving your loved ones souls Prepare for the heart stopping climax of the ages Get it now **Parallel Crossing of the Chesapeake Bay, Virginia Beach- Northampton County** ,1994 **Rapture** Lauren Kate,2012-06-12 The conclusion to the worldwide bestselling FALLEN series with exclusive content from the darkly romantic world of FALLEN and an excerpt of Lauren Kate's novel TEARDROP A USA Today bestseller A New York Times bestselling series More than 3 million series copies in print When evil triumphs when the world ends trust your love The sky is dark with wings Like sand in an hourglass time is running out for Luce and Daniel To stop Lucifer from erasing the past they must find the place where the angels fell to earth Dark
