Omnipotence for the Millions Brook Ziporyn,2001-05-29 Omnipotence for the Millions is best described as a weeping man s bedroom farce a tale of infuriatingly ineluctable agape and abortive misanthropy of a love hate triangle of rivalrous comrades and wives of human intersubjectivity conceived as a world wherein everyone is constantly enacting exasperatingly ambiguous atrocities on everyone else and everyone s kind of pissed off about it probably but nobody s quite sure It is the story of a certain Mr Smithers and his close associate and rival Mr Smith and their unfortunate intertwining in the fast paced back slappingly fulfilling industry of late night self help infomercial production Smithers mercy begging detestation of his putative buddy is it would seem no match for the latter s obviously cheerful ability to just not get it At various points Smithers is called upon to serve not only as Smith s best friend his employer his wife s lover his business partner and his archrival but also as his teacher in a formal classroom setting and as his valet The two men like all two men are tacitly struggling for the same quantum of virtual space job money status women existential authenticity all of which are in limited supply And yet by dint of some sadistically neutral cosmic conspiracy they re forced to stand around talking to each other all the time The subject of this book broadly speaking is that old time sideshow favorite formerly known as The Human Condition in this case construed as an elaboration of what s so bad about ever having to be in the same room with anyone else
