Rei Kawakubo And Comme Des Garçons:

Rei Kawakubo Rex Butler, 2022-12-15 The Japanese fashion designer Rei Kawakubo of Comme des Garçons is undoubtedly one of the world's major fashion designers. In 2017 she was the second living designer to ever be given a retrospective at the renowned Costume Institute of the Metropolitan Museum of Art in New York. Her work exerts an extraordinary influence over succeeding generations of designers and is a major point of reference for all those wishing to explore the place of fashion in contemporary culture. The 14 essays in this collection, written by eminent fashion theorists from around the world, ask what is the relationship of Kawakubo's work to art, philosophy and architecture and ultimately illustrate how Kawakubo's creative output allows us to understand the very notion of fashion itself. *Rei Kawakubo Comme des Garçons* Andrew

Bolton, 2017-05-01 Widely recognized as among the most important and influential designers of the past forty years, Rei Kawakubo of Comme des Garçons has defined and transformed the visual language of our time. Since her Paris debut in 1981, she has blurred the divide between art and fashion and transformed customary notions of the body, beauty and identity. This lavishly illustrated publication weaves an illuminating narrative around Kawakubo's revolutionary experiments in interstitiality, the space between boundaries. Brilliant new photographs of more than 120 examples of Kawakubo's womenswear for Comme des Garçons, accompanied by Kawakubo's commentary on her designs and creative process, reveal her conceptual and challenging aesthetic as never before. A chronology of Kawakubo's career provides additional context and an insightful conversation with the author offers a fascinating glimpse into the mind of this fashion visionary. *Rei*

Kawakubo and Comme Des Garçons Deyan Sudjic, 1990 *The Genius of Rei Kawakubo: The woman who founded Comme des Garçons* Terry Newman, 2026-03-17 The Genius of Rei Kawakubo: The woman who founded Comme des Garçons celebrates a designer that is revered as the most avant garde and experimental in the world. My approach is simple. It is nothing other than what I am thinking at the time I make each piece of clothing. The result is something that other people decide. Rei Kawakubo Interview Magazine 2008 Kawakubo's will matches that of Coco Chanel and her influence goes perhaps even further: she is a designer who sees a bigger picture and has impacted the very shape of fashion, moving its foundations. Terry Newman *The Genius of Rei Kawakubo: The woman who founded Comme des Garçons* celebrates a designer that is revered as the most avant garde and experimental in the world. Having created a fashion label that is a global inspiration and one of the few independent brands still run by its founder, Kawakubo infuses her designs with the philosophies of Mu Ma and Wabi Sabi to create clothes that are truly special. Beginning with Kawakubo's early days when she began developing her brand in Japan, *The Genius of Rei Kawakubo: The woman who founded Comme des Garçons* goes on to look at her principles of anti-fashion and the art of imperfection, including seminal design details from some of her key collections. With chapters on Kawakubo's collaborations with other designers, her shops, perfumes and lots more, this book presents the brand and its founder in all its glorious detail. Written by Terry Newman, the bestselling author of *Marilyn Monroe Style*, we learn just how

canny a businesswoman and creative an artist Kawakubo is and how through various avenues and alliances she has created a vast Comme des Garçons empire **Rei Kawakubo - Renegades of Fashion** Charlie O'Brien, Paul G. Roberts, 2021-06-08

The old guard of fashion despised her the critics never understood her But for Rei Kawakubo founder of the renowned fashion label Comme Des Garçons that was always the point For the more polarising a collection was the more success it accrued Kawakubo eschewed conventional standards of beauty ushering in a new era of anti fashion a deconstructed wonderland of noir capable of creating strong provocative pieces for women with a defiant desire to dress in a way that reflected their own unique sensibilities Kawakubo was born in Tokyo in 1942 the eldest of three siblings and sole daughter of the family Her father was an administrator at Keio University her mother a trained English teacher whom remained at home to raise the family Though she insisted her home life was comfortable even ordinary Kawakubo came from a family of divorce a rarity in Japanese culture at the time Her mother had wished to enter the workforce when her children came of age her father however expressly forbade it In most Japanese households during that time and of their social standing this would have been the end of discussion the patriarchal law meant his word was final But the Kawakubos were no ordinary family their mother insisted on a divorce leaving her husband to fulfill her dream of becoming a high school teacher It was an act that instilled a sense of defiance in her young daughter teaching the values of independence and determination a defining moment that Kawakubo would look to for resolve over the course of her life In 1960 Kawakubo attended her father's university and undertook a degree in the history of aesthetics a course that considered both Eastern and Western culture and art When she graduated in 1964 she left home and without telling her parents moved into a shared apartment in the seamy Harajuku neighborhood of Tokyo Kawakubo has always asserted she owns a duality of personality and her early adult years did much to cultivate this notion while the bohemian lifestyle of Harajuku spoke to her inherent desire to break the rules the other half gifted through education and the affluent social circles she formed during university held a deep concern for both tradition and history *Rei Kawakubo*, 2017 *Rei Kawakubo* Metropolitan Museum of Art (New York, N.Y.). Fashion and Motherhood Laura Snelgrove,2024-01-25 Motherhood whether achieved through biological or other means is not a rare experience dressing oneself even less so The two phenomena are intimately linked as both occur on and to the private body and are also fully subject to social pressures and the changing tides of public opinion They also for anyone who experiences motherhood define one another and work together to shape an individual s identity and place in their culture This rich collection explores the essential question of how motherhood and fashion interact interrogating their relationships to power misogyny temporality longing and embodiment among other themes The 13 essays examine representations on film in popular print and literature they use images narrative and material evidence from the past to excavate the historical cleavages in how mothers have been expected to hide display share and sacrifice their bodies An international range of scholars explores the 19th to the 21st centuries tracing how fashion and motherhood have operated as powerfully interdependent experiences and continue to determine how women are judged and corralled yet also find meaning connection and strength

Critical design in Japan Ory Bartal,2020-04-17 This book tells the story of critical avant garde design in Japan which emerged during the 1960s and continues to inspire designers today The practice communicates a form of visual and material protest drawing on the ideologies and critical theories of the 1960s and 1970s notably feminism body politics the politics of identity and ecological anti consumerist and anti institutional critiques as well as the concept of otherness It also presents an encounter between two seemingly contradictory concepts luxury and the avant garde The book challenges the definition of design as the production of unnecessary decorative and conceptual objects and the

characterisation of Japanese design in particular as beautiful sublime or a product of Japanese culture In doing so it reveals the ways in which material and visual culture serve to voice protest and formulate a social critique *The New Frontiers of Fashion Law* Rossella Esther Cerchia, Barbara Pozzo, 2021-01-13 Fashion law encompasses a wide variety of issues that concern an article of clothing or a fashion accessory starting from the moment they are designed and following them through distribution and marketing phases all the way until they reach the end user Contract law intellectual property company law tax law international trade and customs law are of fundamental importance in defining this new field of law that is gradually taking shape This volume focuses on the new frontiers of fashion law taking into account the various fields that have recently emerged as being of great interest for the entire fashion world from sustainable fashion to wearable technologies from new remedies to cultural appropriation to the regulation of model weight from advertising law on the digital market to the impact of new technologies on product distribution The purpose is to stimulate discussion on contemporary problems that have the potential to define new boundaries of fashion law such as the impact of the heightened ethical sensitivity of consumers who increasingly require effective solutions that a comparative law perspective renders more interesting The volume seeks to sketch out the new legal fields in which the fashion industry is getting involved identifying the new boundaries of fashion law that existing literature has not dealt with in a comprehensive manner
