and personal experience with Past life Regressions These are real cases of Reincarnation stories from over 700 client regressions that contain factual evidence affirming the validity of this theory as being something very important real and worth considering These past life stories further open the discussion of time travel death the afterlife the holographic nature of the Universe Simulation theory karma and Quantum healing Reincarnation is more than merely a theory it is the key to setting ourselves free from karmic cycles by providing profound healing of mind body and spirit Reincarnation and Past-life Memories Gloria Chadwick,1999 *The Book of Mind* Dr. Thomas Stark, Discover how ontological mathematics explains telepathy homeopathy out of body experiences near death experiences the placebo effect d j vu jamais vu reincarnation demonic possession enlightenment the afterlife the soul and God When scientific materialism and empiricism is replaced with scientific idealism and rationalism everything about science changes Mind replaces matter as the basis of existence Reason and logic not the fallible human senses become the means to discover ultimate reality The Principle of Sufficient Reason and Occam s razor replace sensory experiments as the route to reliable knowledge A universe of spacetime only is replaced by a universe of spacetime AND non spacetime Non spacetime is an immaterial frequency Singularity which serves as a Cosmic Mind The Cosmos is a hologram inside the Cosmic Mind just as a dreamworld is a hologram inside your individual mind Are you ready to overcome the reducing valve of human consciousness and expand your mind to the maximum **Living with Spirits** Joan VonKarvaly,2019-10-23 It is my hope that I can help my readers to understand the deeper meaning of life I have been given the remarkable gift of automatic writing and I use it to enlighten humanity about everything from the discovery of Spirit Selves to Spirit communication and reincarnation These writings are an autobiography of my life in my younger years and of my experiences with paranormal activities **Interconnection of the Wisdoms of Sages and Worthies The Ultimate Meaning of Dao De Jing** Zhang Jiankun, **Soul Retrieval** Joanna Neff,2006-07-26 With clients in 25 States and in Australia Canada British Columbia Ontario and Vancouver El Salvador England Germany India Ireland Singapore Trinidad Tobago West Indies author Joanna Neff does higher dimensional soul retrieval and soul clearance sessions from her home in Boulder Colorado USA Soul Retrieval Return to Wholeness provides the context gathered from a decade of channeled sessions for why and how this energetic approach to soul retrieval works The book also offers a glimpse of the author s own soul retrieval process including past life merging excerpts from private and public sessions and actual exercises from soul retrieval workshops Why Must Soul Retrieval Be Done During profound stress pain or other trauma human beings often experience what is called soul loss meaning the loss of aspects of one s soul Such events as loss of a loved one automobile accident surgery addiction combat trauma abortion or miscarriage and physical abuse are the prime causes When a soul is fragmented one may no longer remember the details of the traumatic incidents that caused the fragmentation The lost soul aspect has taken those memories with it When a soul part leaves it may also take with it a measure of one s vitality The more severe the trauma the more life force is depleted People who have lost

soul aspects may suffer chronic illnesses in childhood as a result of this reduced life force One example of soul fragmenting occurs because of childhood sexual abuse Here parts of the soul literally leave because the event is too painful If the soul fragmentation is severe enough such illnesses as schizophrenia may occur Because the integrity of the parts to the whole is broken down recovery is seen as an impossibility Further the will may become vulnerable to negative entity attachment Having fragments remain unincorporated between lifetimes affects karma because issues encapsulated in the consciousness of those fragments remain unresolved In addition if we remain unconscious of our other multi incarnational lives we bring them with us to our next incarnation hopefully to awaken us to the reality that they re out there Shamanic Soul Retrieval Soul fragments rarely can return without assistance Virtually without exception however when one does an internet search on soul retrieval page after page comes up listing shamanic soul retrieval as the available option A time honored and proven method shamanic soul retrieval has benefited many and is still appropriate for certain people However many have experienced that the shamanic method is much slower and can be quite uncomfortable With this method you undergo a linear process a shamanic journey and then over time the psychological and emotional integration of the parts Once the soul retrieval is done however the client may be left to go through the rigors of soul integration alone The reason is that with shamanic soul retrieval the work is primarily physical and psychological Therefore the restructuring is really going on in your psychological consciousness that is personality consciousness not at the Soul level This is a primary reason why clients come to the author for higher dimensional soul retrieval after they have received shamanic soul retrieval Book Testimonials I have read your website and concur with much of what you write there I took soul retrieval training through the Foundation for Shamanic Studies As the result of my own soul retrieval work personally as well as with clients I have found out the same things as you that the shamanic way can be slow and painful Often past life work beliefs work or other extra healing work need to be done Maryphyllis Horn Shamanic Practitioner MEd CMHt CTFTRev Reconnection Practitioner Pittsboro NC author of Soul Integration A Shamanic Path To Freedom And Wholeness I am becoming a hypnotherapist and after working with you and Melora a couple months ago I thought I would write say that I feel the two sessions I ve had with you over three years have been the most significant single point of healing I ve ever experienced I d also like to thank you for helping me intellectually realize that time does not exist by bringing a future self to heal me in my current consciousness Lyn Johnson Denver CO
