Reinventing Khomeini The Struggle For Reform In Iran:

Reinventing Khomeini Daniel Brumberg, 2001-04-15 Reinventing Khomeini offers a new interpretation of the political battles that paved the way for reform in Iran Brumberg argues that these conflicts did not result from a sudden ideological shift nor did the election of President Mohammad Khatami in 1997 really defy the core principles of the Islamic Revolution To the contrary the struggle for a more democratic Iran can be traced to the revolution itself and to the contradictory agendas of the revolution's founding father Ayatollah Ruhollah Khomeini A complex figure Khomeini was a fervent champion of Islam but while he sought a Shi'ite vision of clerical rule under one Supreme Leader he also strove to mesh that vision with an implicitly Western view of mass participatory politics The intense magnetism and charisma of the ayatollah obscured this paradox But reformers in Iran today while rejecting his autocratic vision are reviving the constitutional notions of government that he considered and even casting themselves as the bearers of his legacy In Reinventing Khomeini Brumberg proves that the ayatollah is as much the author of modern Iran as he is the symbol of its fundamentalist past [The Oxford Handbook of Islam and Politics](#) John L. Esposito, Emad El-Din Shahin, 2016 The Oxford Handbook of Islam and Politics with contributions from prominent scholars and specialists provides a comprehensive analysis of what we know and where we are in the study of political Islam

Key Islamic Political Thinkers John L. Esposito, Emad El-Din Shahin, 2018-08-08 Islam has become a potent political force around the world since it reemerged in the late 1960s and 1970s as a religious political alternative to failed nationalist ideologies In countries throughout the world individuals and movements have attempted to reconstruct the political economic and social dimensions of their societies along Islamic lines taking different approaches to the shari'a and to the questions of whether and how to establish an Islamic state Key Islamic Political Thinkers offers an examination of some of the leading intellectuals behind the resurgence of political Islam The essays in this volume cover a selection of thinkers that is representative of the main strands of contemporary Muslim political thought It starts with the forefathers of contemporary political Islam Hasan al Banna and Abu al Ala al Mawdudi analyzes the revolutionary ideas of Sayyid Qutb Ali Shari'ati and Ayatollah Khomeini and ends with the intellectuals of political Islam Hassan al Turabi Rashid al Ghannoushi Yusuf al Qaradawi Muhammad Khatami and Abdolkarim Soroush who exemplify the diversity and complexity of contemporary Muslim political discourse This volume provides a valuable guide to the most important intellectual architects of the Islamic revival

The Eternal Revolution Hamad Albloshi, 2016-04-27 More than three decades have passed since the establishment of the Islamic Republic of Iran in 1979 In that time theories of modern revolution would suggest a retreat from ideological goals heralding a phase of institutional development However Hamad Albloshi argues that Iran is unique the current rhetoric of conservative Iranian leaders implies the regime has not left its revolutionary stage Through an examination of the hardline conservative ideology in Iran personified by the former president Mahmoud Ahmadinejad this book explores how the usual development seen in revolutions from radical discourse to pragmatic rhetoric has not been the

case in Iran Albloshi explores the evolution of the hardline conservatives and their main ideas about the nature of the Iranian regime their position toward other groups within the system and their approach to the international community By doing so he sheds new light on the group s position in the country and the ideological roots of major shifts that occurred in Iran s internal and external policies in the period between 2005 and 2013

Islamism and Post-Islamism in Iran Yadullah Shahibzadeh,2016-06-01 This book is a study of overlooked themes in Iran s contemporary political and intellectual history It investigates the way Iranian Muslim intellectuals have discussed politics and democracy As a history of Iranian Islamism and its transformation to post Islamism this work demonstrates that Muslim intellectuals have enriched the Iranian society epistemologically aesthetically ethically and politically This book examines the internal conflicts of the Islamist ideology as the intellectual underpinnings of the 1979 Revolution its contribution to the formation of the post revolutionary state and the post Islamist response to the democratic deficits of the post revolutionary state Seeking to overcome the shortcomings of historiographical approaches this book demonstrates the intellectual and political agency of Muslim intellectuals from the 1960s to the present

Nuclear Iran: The Birth of an Atomic State David Patrikarakos,2020-12-17 The Iranian nuclear crisis has dominated world politics since the beginning of the century with the country now facing increasing diplomatic isolation talk of military strikes against its nuclear facilities and a disastrous Middle East war What is Iran s nuclear programme all about What is its genesis There is little real understanding of Iran s nuclear programme in particular its history which is now over fifty years old This ground breaking book is unprecedented in its scope It argues that the history of Iran s nuclear programme and the modern history of the country itself are irretrievably linked and only by understanding one can we understand the other From the programme s beginnings under the Shah of Iran the book details the central role of the US in the birth of nuclear Iran and through the relationship between the programme s founder and the Shah of Iran himself the role that nuclear weapons have played in the programme since the beginning The author s unique access to the father of Iran s nuclear programme as well as to key scientific personnel under the early Islamic Republic and to senior Iranian and Western officials at the centre of today s negotiations sheds new light on the uranium enrichment programme that lies at the heart of global concerns What emerges is a programme that has for a variety of reasons a deep resonance to Iran This is why it has persisted with it for over half a century in the face of such widespread opposition Drawing on years of research across the world David Patrikarakos has produced the most comprehensive examination of Iran s nuclear programme in all its forms to date

Media, Culture and Society in Iran Mehdi Semati,2007-09-24 By exploring topics such as the Internet print press advertising satellite television video rock music literature cinema gender religious intellectuals and secularism this unique and wide ranging volume explains Iran as a complex society that has successfully managed to negotiate and embody the tensions of tradition and modernity democracy and theocracy isolation and globalization and other such cultural political dynamics that escape the explanatory and analytical powers of all too familiar binary relations Featuring contributions from

among the best known and emerging scholars on Iranian media culture society and politics this volume uncovers how the existing perspectives on post revolutionary Iranian society have failed to appreciate the complexity the paradoxes and the contradictions that characterize life in contemporary Iran resulting in a general failure to explain and to anticipate its contemporary social and political transformations **The Political Ideology of Ayatollah Khamenei** Yvette

Hovsepian-Bearce,2015-07-03 Ayatollah Ali Hosseini Khamenei Supreme Leader of the Islamic Republic of Iran is one of the most controversial and influential Muslim leaders in the world today As Iran s main decision maker his theocratic ideology and decisions carry global consequences The Political Ideology of Ayatollah Khamenei is the first book to identify and analyze the development and evolution of the theocratic ideology of the Supreme Leader from 1962 to 2014 using his own writings speeches and biographies as well as literature published in the Islamic Republic of Iran This work provides new insights into Khamenei s political thought and behavior and their impact on Iran s domestic regional and international policies Correlating the development of Khamenei s personality character and political behavior with Iran s internal and external challenges this study explores key issues of the Middle East region in particular Iran s political posture toward Israel the United States and the Muslim world and the diplomatic crises unfolding over Iran s nuclear development program This work provides a comprehensive chronological and thematic survey of Khamenei s life This book will be of interest to students scholars researchers diplomats and policymakers focusing on Middle Eastern politics Iranian affairs Islamic studies and international relations and could serve as an essential resource for those striving to understand Iran s policies toward Israel the United States and the Muslim world as shaped by its supreme autocrat *Christianity in Persia and the Status of Non-muslims in Iran*

A. Christian Van Gorder,2010-01-01 This book focuses on the history of Christianity in Persia and the present day relationship that Muslims in Iran have taken toward people of other faith traditions The book provides a comprehensive and readable introduction to a fascinating history with important contemporary ramifications for interfaith and intercultural studies **The Sacred Republic** Mehran Kamrava,2023-05-26 This book presents a comprehensive detailed analysis of the

establishment evolution and current significance of different institutions in today s Islamic Republic of Iran The volume draws on the insights of a number of Iran experts to examine their establishment functions and evolution as a means of understanding Iranian politics and society The Sacred Republic s specific focus is on the key formal institutions of the state through which the Islamic Republic exercises power namely the velayat e faqih the judiciary the presidency the parliament elections the Revolutionary Guards and the foreign policy establishment Despite significant work on Iranian politics in recent decades few studies have focused on state institutions their resilience or the reasons for and manner of institutional change Through historical institutionalism and comparative historical analysis the contributors to this book together fill a glaring gap in the study of Iran s political institutions offering significant insights for the theoretical literature on comparative politics Middle Eastern politics and Iranian Studies *The Political Economy of EU Ties with Iraq and Iran* Amir M.

Kamel,2016-01-26 This book analyzes the failure of the EU's peace through trade policy in Iraq and Iran between 1979 and 2009 from a theoretical and empirical perspective The author adds to the trade peace theory debate and provides evidence supporting the need to review the EU's peace through trade policy towards Iraq and Iran and in general Holy People of the World Phyllis G. Jestice,2004-12-15 A cross cultural encyclopedia of the most significant holy people in history examining why people in a wide range of religious traditions throughout the world have been regarded as divinely inspired The first reference on the subject to span all the world's major religions Holy People of the World A Cross Cultural Encyclopedia examines the impact of individuals who through personal charisma and inspirational deeds served both as glorious examples of human potential and as envoys for the divine Holy People of the World contains nearly 1 100 biographical sketches of venerated men and women Written by religious studies experts and historians each article focuses on the basic question How did this person come to be regarded as holy In addition the encyclopedia features 20 survey articles on views of holy people in the major religious traditions such as Islam Buddhism and African religions as well as 64 comparative articles on aspects of holiness and veneration across cultures such as awakening and conversion experiences heredity gender asceticism and persecution Whether exploring by religion culture or historic period this extensively cross referenced resource offers a wealth of insights into one of the most revealing and least explored common denominators of spiritual traditions **The Complete Infidel's Guide to Iran** Robert Spencer,2016-07-11 Our Most Dangerous Enemy Think it's ISIS Think again Iran is the terrorist powerhouse of the world made all the more dangerous by the disastrous nuclear deal that restricts Iran's nuclear ambitions hardly at all The Iranian government is an open enemy of the United States and of anyone who dissents from Shia Islam Iran confronts U S Navy ships in the Persian Gulf on a near daily basis It executes more of its citizens than any other nation It is a country torn by hypocrisy lectured by mullahs and with brutally enforced Islamic religious laws but rife with alcoholism Once America's ally Iran now claims leadership of the global jihad and the ayatollahs aim is nothing less than world conquest for Islam In his extraordinary new book The Complete Infidel's Guide to Iran New York Times bestselling author Robert Spencer reveals How the Iranian nuclear deal is sheer capitulation to the mullahs allowing Iran to inspect its own facilities and pursue nuclear weapons Iran's long standing support for terrorists including shocking evidence that Iran helped plan the 9 11 attacks Why Iran wants nuclear weapons clue it's not about deterrence American diplomatic folly why the Obama administration has grossly underestimated the Iranian threat A new grand strategy how Iran's Shi'ite terrorism might be contained and its threat to the United States reduced The Islamic Republic is already at war with America If we refuse to recognize that fact we are only falling prey to the mullahs campaign of duplicity The Complete Infidel's Guide to Iran exposes the true nature of the threat lays out what America must do to defeat it and gives you all the information you need about America's least understood yet potentially most lethal foe *The Handbook of Media and Mass Communication Theory* Robert S.
