Roberts, 2024-04-19 These are my simple and practical notes for all of the books of the Bible I am currently in the process of still writing all of my notes out so not all of the chapters are there yet but I have quite a few books of the Bible done and am about 25% of the way through the rest of the Bible I will update this ever time a book is finished so it updates to the purchaser but if you d like to pay ahead of time you can get the books quicker and cheaper now The more books I add the more expensive it will become I ve been working on this for about two years now and will continue to work on it for another likely another six more years to finish the entire Bible hopefully sooner Thank you for supporting my work and I hope it s a useful tool for you as you dig deeper into God s Word It should also be understood I am not a scholar by any means I just like to dig around in scripture and answer difficult questions hence the title of the book Some of my thoughts are taken from much smarter men than me and if I know where the source comes from I will do my best to make mention of it and give credit where credit is due Otherwise these are things I got from my own personal studies and all the stories I give are from personal experience 022 Song of Solomon J.A. Roberts, 2024-02-08 I feel this book of scripture is best looked at as a group of songs rather than one flowing song There will be a lot of jumping back and forth between past and present through these different songs and story and I want to do my best to clarify that when we go through it This book of the Bible is a very interesting one that looks deep between the relationship of the believer and Jesus Christ Solomon is of course the writer as we will see in a moment and it is certainly something that

is applicable for himself as he will be the shepherd that the Shulamite woman falls in love with Solomon can do nothing but write about himself seeing as this is what he was experiencing The important thing to note and remember through this reading is whether Solomon understood it or not this wasn't about him It was about Christ All of scripture was is about Christ There are a plethora of books written and recorded by Solomon that are not even located in scripture Some are found in books like the Apocrypha and others are books that have not made their way into scripture perhaps things like journal entries Other holy books even talk about Solomon and his glory including but not limited to the Quran Solomon is a widely known figure in the religious circles but there was something that shouldn't be lost on mere religion alone Solomon knew the God of the Bible He conversed with God He desired to lead the people FOR God Jerusalem needed a Godly leader and Solomon was the one chosen for the job Through all his wisdom he eventually understands the relationship aspect that God desires and I believe that God reveals this through this story song

religion or a sect or a society In its entirety it is a series of essays aimed at revealing to you your power over all things You will learn that there is only one mover in all creation and that mover is thought You will learn that there is only one creator and that creator is the Universal Subconscious Mind or God You will learn that this creator creates for you exactly what you think and you will be shown how you can control your thoughts not only to obtain answers to your problems but to create in your experience exactly what you desire You will not do this in a day or a week or even a month but do it you will if you keep heart and keep faith It requires only a few minutes of your time each day a few minutes that will reward you with greater vistas in life greater hope and promise than has ever been dreamed There is a cause There is a reason There is a power greater than you are which you are a part of which you can use to make your life good and great and vigorous and full of abundance If thou canst but believe All things are possible to him who believes The Branch Exposition of the Bible, Volume 2 Michael A. Eaton,2024-09-30 A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and ordinary Christians alike to help open God s word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit Together with the New Testament volume this exposition of the Old Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the Old Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture
