Misery Traps Sharon Washington,2020-11-02 I believe that the Family Safety Net Act could be to raising kids in America what the Civil Rights Movement is to minorities The legislation will mandate that every fit parent have equal access to their kids automatic joint custody co parenting is insufficient with the best interests of the child at the heart of the legislation regardless of the status of the relationship of the parents with primary custody initially granted to the mother No more fathers begging to see their kids It s time The key is fit The adults must have the capacity to parent free of drug abuse emotional abuse and physical abuse and to establish a home that is free of such maltreatment It is time In addition since America is about enterprise working to support self and family and fulfilling dreams within the legal framework of this country the parents and our educational institutions must model that behavior so every student steps into adulthood with a plan to support themselves for the only way we will triumph over this nebulous future is to launch with the genuine love and support of as many friends and family we can muster together and to have the confidence from preparation to work and or pursue dreams I am for kids

People, Places and Things Mr. Justice Kofi Barnes, 2017-11-28 In my eyes Drug Treatment Court gives people like me a second chance to change their lives and to realize that we deserve a good life no matter what we have done in the past All I can really say is that if I didn't have the privilege to be in drug treatment court I would either still be incarcerated or would not be alive today People Places and Things is a collection of stories from men and women who have lived lives of drugs and crime Each has made the courageous decision to overcome their addiction and the even more courageous decision to share their journeys with you As they strive for sobriety with the guidance of Canada's drug treatment courts they experience the extremes of addiction the power of recovery and the value of community The stories within are raw the authors have bared their souls which is a difficult and brave endeavour Some of the stories in this book are tales of happy endings while some represent very dark moments Addiction as any of life's hardships is a continuous journey void of an end state These pages contain lessons about the power of resilience the magic of hope and the strength of believing in one's ability to become the person one wants to be The extremes you might experience as you embrace this collection of stories poems and artwork is representative of the extremes that those recovering from addiction endure and of the extremes experienced by those that support counsel and represent them throughout their recovery **Crisis Intervention Handbook** Albert R.
