Loss of Control and Diminished Responsibility Alan Reed, 2016-04-22 This book provides a leading point of reference in the field of partial defences to murder and with respect to the mental condition defences of loss of control and diminished responsibility in general The work includes contributions from leading specialists from different jurisdictions Divided into two parts the first provides an analysis from the perspective of the UK looking at particular concerns such as domestic violence revenge and mixed motive killings mistaken beliefs The second part presents a comparative and international view to provide a wider background of how alternative systems treat issues of human frailty short of full insanity loss of control diminished responsibility in the context of the criminal law

The God Who Loves and Is Loved Christian D. Kettler, 2019-11-12 Can there be a greater folly than writing a book about love But how can we avoid that most basic of all desires and commands Yet we are very poor lovers as our history demonstrates If God is love though can we find help in considering the love of Jesus Christ and the love of Jesus thought of in terms of what T F Torrance called the vicarious humanity of Christ This would mean that we realize our inability and the Son of God's ability to love on our behalf and in our place Such a love mirrors the love of the Son for the Father in the Spirit a love that reflects his eternal triune love Therefore could we have new perspectives on our relationships the love of ourselves of God and the neighbor How essential is love to being human and what kind of love What does it mean to love your enemies What is the relationship between justice and love And what are the fruits of love the evidence of genuine love Christian D Kettler explores these issues in the context of the living reality of the vicarious humanity of Christ

Evangelical Calvinism Dr. Myk Habets, Bobby Grow, 2017-05-04 Continuing the discussion initiated in volume one volume two of *Evangelical Calvinism* further articulates the central motifs of this mood within Reformed theology by examining themes having to do with dogmatics and devotion After further clarifying the methodological and dogmatic aspects common to an Evangelical Calvinism the heart of the present volume is an explication of the vicarious ministry of Christ as it is worked out in its diverse

theological dimensions The volume offers constructive accounts of various aspects of liturgy sacraments and doxology showing the vitality and lived spirituality of this Christian vision of faith and practice Both advocates and critics of Evangelical Calvinism now have an extended and thorough body of work with which to interact As with volume 1 this volume promises to set the agenda for contemporary and constructive Reformed studies in a way that provides an alternative to neo Calvinism and Westminster Calvinism alike

Media-Mediated Relationships Frank Hoffmann,B Lee Cooper,Linda K Fuller,2023-07-28 Creating a nexus between techno science and more fundamental disciplines a phenomenon is emerging in our personal lives we are beginning to preempt traditional sources for relationship formation we are becoming more insular and more cautious in starting relationships The media play an enormous role in our activities encouraging us to self advertise in newspapers and magazines to participate vicariously through pornographic and borderline books talk radio and tabloid television to use our telephones and computers for the ultimate in safe sex to engage in video dating and to explore many other aspects in the field of technoeroticism As straight and gay people alike live in a time of reluctant commitments a period of playtime and the Age of AIDS the time has come to chronicle the role of mass communication in our search for interpersonal connections Media Mediated Relationships investigates the historical economic psychological and sociocultural ramifications of the print and broadcast media motion pictures music and new communications technologies computers video interactive media virtual reality phone sex in terms of both our individual and societal concerns An extension of cultivation analysis by means of systems theory it reports on a baseline survey of over 200 people regarding relationship mediation demonstrating yet one more example of the symbiosis among and between various media sources A descriptive case study Media Mediated Relationships provides a barometer for better understanding the many singles and others searching for meaning and relationships in the sociocultural milieu of the 1990s and beyond

Love, Justice, and Autonomy Rachel Fedock, Michael Kühler, Raja Rosenhagen, 2020-12-28 Philosophers have long been interested in love and its general role in morality This volume focuses on and explores the complex relation between love and justice as it appears within loving relationships between lovers and their wider social context and the broader political realm Special attention is paid to the ensuing challenge of understanding and respecting the lovers personal autonomy in all three contexts Accordingly the essays in this volume are divided into three thematic sections Section I aims at shedding further light on conceptual and practical issues concerning the compatibility or incompatibility of love and justice within relationships of love For example are loving relations inherently unjust Might love require justice Or do love and justice belong to distinct moral domains The essays in Section II consider the relation between the lovers on the one hand and their broader societal environment on the other Specifically how exactly are love and impartiality related Are they compatible or not Is it unjust to favor one s beloved Finally Section III looks at the political dimensions of love and justice How for instance do various accounts of love inform how we

are to relate to our fellow citizens If love is taken to play an important role in fostering or hindering the development of personal autonomy what are the political implications that need to be addressed and how In addressing these questions this book engenders a better understanding both of conceptual and practical issues regarding the relation between love justice and autonomy as well as their broader societal and political implications It will be of interest to advanced students and scholars working on the philosophy of love from ethical political and psychological angles
