Raeder,2019-01-16 Limited Government and the Death of God The Rise and Fall of Freedom is the third of three volumes comprising a comprehensive study of freedom and American society Volume III explores the historical rise of the free society in the West and especially its relation to the religious worldview that inspired the quest for individual freedom It further examines the threats to the free society posed not only by the modern ideological movements but related paradigms such as Progressivism Postmodernism and Multiculturalism Volume I Freedom and Political Order examines the meaning of freedom and the legal and political dimensions of American liberal democracy Volume II Freedom and Economic Order examines the relation of individual freedom to the economic arrangements of society It explores both the theory and practice of the competing paradigms of capitalism and socialism and the moral frameworks justice and social justice correlative to them

*The Logic of Intersubjectivity* Darren M. Slade,2020-08-27 To survey harsh criticisms against Brian Douglas McLaren 1956 readers gain the inaccurate impression that he is a heretical relativist who denies objective truth and logic While McLaren s inflammatory and provocative writing style is partly to blame this study also suspects that his critics base much of their analyses on only small portions of his overall corpus The result becomes a caricature of McLaren s actual philosophy of religion What is argued in this book is that McLaren s philosophy of religion suggests a faith based intersubjective relationship with the divine ought to result in an existential appropriation of Christ s religio ethical teachings When subjectively internalized this appropriation will lead to the assimilation of Jesus kingdom priorities thereby transforming the believer s identity into one that actualizes Jesus kingdom ideals The hope of this book is that by tracing McLaren s philosophy of Christian religion future researchers will not only be able to comprehend and perhaps empathize with McLaren s line of reasoning but they will also possess a more nuanced discernment of where they agree and disagree with his overall rationale
