International Business Negotiations Pervez N. Ghauri, Ursula F. Ott, Hussain G. Rammal, 2020-10-30. This insightful new textbook provides comprehensive coverage of the theories and practices key to negotiating business deals in the twenty-first century. Employing a holistic framework, it offers an understanding of the factors that influence the negotiation process, the challenges associated with negotiating across borders, and the strategies used by negotiators. **Russian Strategic Thought toward Asia** Gilbert Rozman, Kazuhiko Togo, 2006-11-27. The book explains the Putin era's ambivalent approach to Asia and finds lessons from earlier approaches worthy of further attention. The overview compares how strategic thinking evolved while reflecting on factors that shaped it. Arms Control Robert E. Williams Jr., Paul R. Viotti, 2012-05-15. Set against a backdrop of terrorism, rogue states, non-conventional warfare, and deteriorating diplomacy, this encyclopedia offers a comprehensive multidisciplinary up-to-date reference on the recent history and contemporary practice of arms control and nonproliferation. *Arms Control: History, Theory, and Policy* features in-depth expert analysis and information on the full spectrum of issues relating to this critical topic. The first major reference on arms control in over a decade, the two-volume set covers historical context, contemporary challenges, and emerging approaches to diplomacy and human rights. Noted experts provide a full spectrum of perspectives on arms control, offering insightful analysis of arms control agreements and the people and institutions behind them. Volume 1 provides an accessible historical overview of the subject and a more detailed conceptual analysis of the foundations of arms control. Volume 2 covers the contemporary and practical issues of arms control, focusing on global issues that arms control advocates have been forced to address with varying degrees of success: a burgeoning international trade in conventional weapons, a closely related flood of small arms and light weapons used to fuel intrastate conflicts and even genocide, and the spread of nuclear weapons to potentially unstable regions of the world.

Strategic Partners Jeanne Lorraine Wilson, 2004. Russia's foreign policy experience in the first post-Soviet decade was

marked by disappointments as well as surprising turns Expectations that Russia would join the Western powers as an equal partner were frustrated while relations with the People's Republic of China warmed considerably Today Russia's relationship with China is an important component of its overall foreign policy orientation as the two states one greatly diminished the other clearly on the rise have found themselves sharing an interest in curbing the power of the United States In analyzing Russia's evolving foreign policy vis a vis China the author takes into account the legacy of Soviet era precedents the simultaneous processes of economic policy change and integration into global economic structures and military relations By shedding light on the role of political realism decision makers and exogenous factors in Russian foreign policy this analysis of an important bilateral relationship contributes to the larger project of understanding international relations and the dynamics of domestic and foreign policy change
